## 1 - Video Games are stressfull

Geronimo Jr. was playing a very violent video game and all of a sudden a bunch of gnomes and flowers came up danced around his player and rejoiced "Ding, Dong, the king is dead you killed him very cleanly!" Then they formed a circle and played ring around the rosie! After five hours they played London Bridge is Falling Down with a real bridge! They had to start in the middle of the bridge and make it to the edge of the bridge before it collapses but his player couldn't make it in time so he fell one millimeter into the \*GASP!!!\* two millimeter deep water and drowned and in big bold letters it said FAILURE and all of the gnomes and flowers pointing at the failure and they chanted loser! Loser!Loser! Geronimo Jr. smashed the controller on the ground, Took out a flaming arrow shot the T.V. and smashed the gamecube then went to the next room and came back with a flamethrower and set the whole thing on fire. Meanwhile, on the second floor. Geronimo has just woken up. "Man it's hot in here." Then he looked down on the first floor. The whole thing was on fire. "Well, that's normal. I'm going back to bed."

## 2 - Tea at the Club

Geronimo was walking up his driveway when he saw his arch enemy! Dr. Ricky McFlooglePants was breakdancing in a club! Geronimo went over and challenged him to a breakdancing competition. Ricky likes to play dirty. When they started, he did a head spin and was smacking Geronimo in the face. "Oh, now it's on!" exclaimed Geronimo. Geronimo started doing the worm and tripped Ricky. Then they both got in a slap fight and the boss' bodyguard had to kick them out. Then Geronimo invited Ricky over for tea and then they had a chugging competition and Geronimo Jr. started a chugging chant you could hear from downtown. "Chug! Chug! Chug!" Screamed Geronimo Jr. Then they all got kicked out by Geronimo Elder. Then Ricky invited them to play miniature golf in the Grand Canyon. "Did you get the ball in the hole!" "What hole!"
