Entry one

Wednesday

Dear Diary,

Oh my goodness gracious! Guess what happened today! Well since you're just a stupid piece of paper and are incapable of guessing, I'll tell you. Here's what happened today! I was just sitting in bed, trying to fix our Game of Life board (remember how Seto broke it?) when suddenly I heard the doorbell ring. I went to go get it and guess who I saw? Noah! I thought he was dead& Anyway, he told me how he'd survived and all this stuff that I wasn't paying attention to and asked to come inside. So I let him in. Then Seto came and things got all not nice. First they just kind of stared at each other and then they started talking, then yelling, then they taught the neighbors a couple of new words.

I can't wait till tomorrow!

Love,

Mokuba

Entry 2

Thursday

Dear Diary,

Today, Noah and Seto apologized to me and took me to brunch at my favorite Italian restaurant, Joey Tomatoes! For some reason, Seto doesn't like that place very much& I wonder why& Anyway, Joey showed up again, and asked if Seto was dating Serenity (again) and they got into another fight. While they were fighting, me and Noah talked about stuff. I told him how Seto said I'd killed my Fishy, and Noah said he'd get me a new one! Yay! Then he told me that it wasn't safe to feed fish spaghetti. I won't never do that again.

Love,

Mokuba

Entry 3

Friday

Dear Diary,

I get the feeling that Seto doesn't have very many friends. Today, him and Noah got into another fight. Then Joey showed up, and he got into another fight. Then Yugi and Tristan and Tea showed up, and Tristan helped Joey beat up Seto, while me and Yugi just kinda watched while Tea gave another one of her boring friendship speeches. Then they all left and Seto went inside to watch TV while I drew some drawings. Then Noah came back and they taught the neighbors some more new words. I didn't know that flaznaming and guffinsnuff were real words. Huh.

Love,
Mokuba

Entry 4
Saturday

Dear Diary,

It gets real annoying when Noah and Seto call me Mokie all the time. I think they re trying to get me to like one of them better than the other& I think that what we all need is some family togetherness time. I ll tell them my plans tomorrow.

Love,
Mokuba

Entry 5
Sunday

Dear Diary,

I told them my plan to go to the beach all together and stuff. Noah thought that that was a great idea, and Seto agreed, but then they kinda glared at each other. Any way, we leave tomorrow.

Love,
Mokuba
