Chapter 1 - Stained

2

1 - Stained

Eyes are hot with venom
insides churning
wince
closed eyes
as poison pours down my face
quickly wipe away
but still, it leaves a mark
eyes puffy
dark circles
maybe a scowl
just want to be with-
just want to belong in-
mentally
emotionally
sick
dark side to everything
no cure for me
like a leper
as parts of my soul fall off
listening to you talk
watch me cry
