Updated: January 1, 2005

*Uin-Hasay returns to Kaede's Village. Will she recreate an old romance, or simply forget the past?*

*Note: This is old, so it isn't my best work.*

**Chapter 1 - Imaginary**

**2**

# 1 - Imaginary

{I linger in the doorway of alarm clock screaming monsters calling my name. let me stay, where the wind will whisper to me. where the raindrops as they're falling tell a story. In my field of paper flowers and candy clouds of lullaby. I lie inside myself for hours. And watch my purple sky fly over me. Don't say I'm out of touch. With this rampant chaos - your reality. I know well what lies beyond my sleeping refuge. The nightmare I built my own world to escape. In my field of paper flowers and candy clouds of lullaby. I lie inside myself for hours. And watch my purple sky fly over me. Swallowed up in the sound of my screaming. Cannot cease for the fear of silent nights. Oh how I long for the deep sleepdreaming. The goddess of imaginary light. In my field of paper flowers and candy clouds of lullaby. I lie inside myself for hours. And watch my purple sky fly over me. Paper flowers. Paper flowers. Ohhhhh ohhh ohhh. Paper flowers.}

Uin-Hasay sighed and laid her head down in the grass. She lay, sprawled out in the grass of a meadow. " Uin! " She sat up and looked around. Ryoku stood about five yards away.

" Yeah? "

" What are you doin'?"

" N.nothing ".

" Yeah right! What? "

" Just, being myself".

" Oh, so you're in your little imaginary world again ".

" It's not imaginary " she whispered.

" Yeah it is! Get in touch with reality! " Suddenly the sky darkened and rain fell down.

" C'mon, we gotta get to Kaede's Village! " Uin jumped up and ran over, her tight silk flares getting wet from touching the grass. Her tight black top, which matched her pants (both are black! Yea!) Hugged tight to her body. It showed all of her stomach and had thin straps that fell off to the sides of her shoulders.

They ran as fast as they could to the Village. They beat most of the rain, having more speed than normal mortals.

They were both half-demons. Both had a parent that had been a cat demon and possessed special powers. Ryoku had sand blonde hair that went past her shoulders. Uin-Hasay had long black hair that tumbled to her hips, and had a strand that went just past her shoulder. She also had short bangs that clinged to her forehead. They were both tall and slender. Uin had piercing dark purple eyes.

They ran into the village. Kaede looked out her window and smiled. She ran out in the rain.

" Girls! How lovely! " Ryoku and Uin smiled.

" We were around when it started raining and thought we'd stop to see ya Kaede " Ryoku said.

" Wonderful! The others are here! " Uin's eyes showed shock.

" You know, I think I have some things I must do should go- ".

" Uin " Kaede said. " You must face him ".

" C'mon Uin " Ryoku said. " You can't run from him".

" Neither of you went through what I did! " Uin screamed. " I shall not ever look at him again! " She turned her back to them and started to walk off.

" Uin-Hasay! " Kaede called. " You must face your past. Your mother would want you to. You cannot let one little thing stand in your way! " Uin sighed turning to them. She nodded.

" I'm sorry for screaming, " she said. " I did not mean to ".

" It's fine, " Kaede said. " Now, let's get out of this rain! " They followed Kaede inside a building. Sango

stood.

" I don't believe my eyes! Ryoku and Uin-Hasay! How wonderful this is! " Miroku came out.

" I heard their names- " he stopped. " Wow! You two really came back! Been awhile since I last saw ya! " They smiled.

" Come " Kaede said. " You two need to warm up. The others are around ". As they walked through they saw Kagura and Koga. It was great to see every one again. Jaken and Myoga were there and still hadn't changed.

" Ryoku! Uin-Hasay!" They yelled as Jaken ran over and Myoga flew.

" It's wonderful to see you again! " Jaken said. "Lord Sessho-Maru will be pleased you have returned ".

" Sessho " Ryoku whispered, looking down.

" He's here " Kaede said. " And you shall see him". Ryoku looked up.

" I don't know if that is best- ". Kaede was not listening. She was leading them down halls. This was a larger building, and Uin didn't remember it at all. Kaede stopped at a room and opened a door. Inside at Sessho, watching Rin play with the puffy thing. (Ryoku loves the puffy thing... -\_-') Ryoku looked in quickly, but pulled back, her blood red pants swaying in the wind.

Her shirt was tight and also blood red, being held on by straps falling off her shoulders. Did she dare speak to him?

" Sessho " she whispered as she stepped in front of the door. She was reluctant to reveal any true feeling for him. Well, her mind was reluctant to, but her heart wasn't. He stood up.

" Ry. Ryoku? " She managed a smile.

" Hey ". Rin was instantly up and ran over to her, wrapping her arms around her legs.

" Ryoku! You came back! " It had been so long since she had heard the little girl talk. (For all of you wondering, Rin is not their daughter, Sessho-Maru kinda adopted her) She rarely did speak, and when she did it was quiet and little was said. Rin finally let go and walked out of the room to find Jaken and Myoga.

" Ryoku " Uin said. " I'm going with Kaede ". Ryoku nodded her eyes on Sessho-Maru. Uin laughed a little. " Hello Sessho " she said. He smiled.

" Hello Uin ". Uin left, closing the door behind her. Ryoku smiled as Sessho walked over to her.

" I haven't seen you in some time " he whispered. She nodded. " I've missed you ". He reached over and touched her face. Ryoku felt her heart race. Her heart was overjoyed, but her mind was in despair. She wanted no love, she needed no love. She could handle life on her own, and love got in the way, right? That is what she wanted, isn't it?

Sessho pulled her to him. " I love you, " he whispered in her ear, his arms wrapping around her. She had known he loved her. He had told her so many times, that she had gone mad! She thought she hated him, thought he was annoying and useless. But, now she questioned herself. She was falling in love with him, and she couldn't stop it.

In fact, she already was in love with him. She ran a hand through his long blue white hair. It wasn't as thick as Inu-Yasha's, and not as wild. She laid her head on his chest.

" I love you too, Sessh, " she said affectionately calling him a nickname. He kept her close; not wanting to ever let go. Kaede led Uin down the dark halls.

" Are are Kagome and Inu-Yasha getting along? "

" Well, I guess. He speaks little of Kikyō now, but Kagome is not that fond of him. Truthfully, I think you and he go together fine ".

" That was long ago, " Uin whispered. " That was the old Inu, who wouldn't forget what I meant to him ". Kaede nodded.

" It must have hurt, " she said. " To be in love and not have him even remember you. You're such a pretty girl, hard to forget your face ". Uin blushed. Kaede moved her head towards a door. " He's in there ". Uin

nodded. Kaede turned to leave, but turned her head back to Uin. " Uin, do not worry about Kagome. I know she has a boyfriend, you may fall in love with Inu-Yasha without worrying "

" No " Uin said. " I must not love him again. We are only friends, and it shall remain that way ". Kaede sighed. " Besides, I wouldn't care if I hurt Kagome, you know that ". Kaede nodded.

" I don't like her either, but we must not be harsh ". Kaede walked away, leaving Uin to wonder if she should enter the room or not. She opened the door carefully. Inu sat on the ground, lost in thought about something. She dared to find her voice.

" Inu-Yasha ". He jumped up and whipped around. He stared at her, his eyes wide.

" Uin-Hasay? Holy hell ". Uin sighed, forcing a smile. " Nice to see you too ". Inu was instantly near her. He touched her face. " It's been so long. Where were you? You had me worried! "

" Why did you care?" she asked. " I mean nothing to you. All you care for is Kagome and Kikyo! " She turned around. Inu's eyes fell to the ground.

" I'm sorry if I hurt you. 50 years is a long time to sleep. I forgot much over that time "

" It was I who died holding you! " she screamed, her heart racing. " I died being with you, whispering how much I loved you! I thought you could hear me, our bond being so strong! But, it seems all you dreamt of was Kikyo! "

" No! " Inu yelled. " I dreamt of you! You were in my heart! Something in that arrow made me forget you, for in my dreams I knew I loved you, but I had no clue who you were ". Uin looked at him. Her purple eyes were filled with tears, but she held them in.

" Inu- "

" I cared for you more than I ever cared for anything in my life! But I had to move on! I was growing older and couldn't live in the village forever! I had only Sessho-Maru for family, and he was never there! You had your mother and had to stay with her. I swore to come back for you, and I know I let you down on that. I'm sorry, but can't you forgive me! " Uin felt the tears roll down her cheeks.

" When I saw you again, you were gone " she whispered. " The arrow had taken effect and I thought I had lost you. I held you, whispering every thing would be all right, that I'd free you. I loved you and would always try to be with you. Then a dying Kikyo came and hit me with an arrow, before I had a chance to pull the arrow out of you. I died holding you, and I was content, thinking I would find you again. I bet you never thought I'd accept death if it meant being with you! " Inu pulled her to him.

" I made a mistake, by not forgiving you " she whispered. " I owed you my life, and I should've trusted you. I was gone; I couldn't expect you to keep loving me forever and not love again. That was selfish of me "

" No it wasn't, " he whispered. " It wasn't ". Uin reached up and stroked his ear lightly, her touch calming him. He nuzzled against her.

" This is how it used to be, when we were children, " she whispered. " We'd sit on a hill at night, and I keep you calm, subdued ". Inu nodded. They both fell lightly to the ground. She sighed. " I said I wouldn't fall in love with you again ". Inu looked up at her, his eyes partly closed. " I was living in the world I used to know, I was in love with another Inu. How could I have fooled myself? Ryoku was right, it was not reality "

{In my field of paper flowers and candy clouds of lullaby. I lie inside myself for hours. And watch my purple sky fly over me.}

" It was to you. It once was "

" I lived in a world where you still loved me, where we still played down by the river, and pushed each other in! Where we laughed, and trained together. Where you chased away anything that scared me, and where I dried your tears. Where we were one, and yet two ". Inu smiled.

" We were really that alike to you? "

" Oh yes. And, it was also a world where where my mother still lived in this world ". Inu touched her cheek. " The last time I saw you, we had agreed to fight Naraku together. We defeated him, avenging your mother, and then you disappeared. I'm sorry I chased you away with my feelings for Kagome. I found out that she recently got a boyfriend and I'm no longer important to her ". Uin smiled.

" I'm sorry " she managed to say.

" No you're not, " Inu-Yasha said with a laugh. "You're happy! I can tell ". Uin pushed Inu-Yasha to the floor, crawling on top of him. He could hardly tell she was there; she was so light to him.

" You're right, " she said. " Now she's not in my way ". Uin leaned down and pressed her lips to Inu's. Inu smiled, holding her so she couldn't stop. They remained like this for most of the night. When morning came Uin awoke in Inu's arms. (People with perverted thoughts! Stop!)

" Good morning " he whispered. She smiled.

" Good morning " she said her eyes bright. They both stood and stretched. They walked out of the room to see Kaede standing there.

" And you said you wouldn't fall in love with him ".

" I was wrong, " Uin said, leaning against Inu-Yasha. " I was very wrong ". Ryoku came running out.

" Where the hell you been? " She asked Uin-Hasay. "I've been waiting so I can practice fighting with you!

" Uin-Hasay laughed.

" Alright! I'm comin' ". They all walked out side and Ryoku instantly drew her blade. Uin drew hers. It was called the 'Blade of Three Demons'. It was like three daggers combined, and has many powers. Uin had only unlocked one of its special powers once, and that was when she had fought Naraku.

They fought for a while with their weapons, then left them and fought hand to hand. After an hour they stopped. Inu-Yasha had watched the whole thing, and Sessho-Maru had come out about half way into it and watched. They both picked up their weapons and walked over. Sessho smiled and pulled Ryoku close to him.

" Looks like you found someone " Inu said with a laugh.

" Yes, I did, mutt " he said. Inu growled. Uin touched his arm.

" Leave the killing to Ryoku ".

" Yeah! " she said. " Leave da killin' to me!" They all laughed. And that's how Uin remembers them, laughing, all happy.

The End?
