# 1 - Love Is A Fantasy

## LOVE IS A FANTASY

No one knows what love means.  
It can never be heard or seen.  
I see you everyday at school,  
always acting so calm and cool.  
I can never stand up and say,  
what I always wanted to everyday.  
I began to realize.  
Love is a fantasy,  
between you and me.

Why can't I see,  
that it isn't a possibility,  
for you and me.  
At night I prayed and cried.  
While you set out and fly.  
It's finally coming to me.  
Love is a fantasy,  
between you and me.

You've moved to where you belong,  
while I try to catch on.  
But I still fall behind,  
everytime I try.  
Making me fight,  
and struggle through life.  
You kept me from blooming,  
into something amazing.  
I now know the truth.  
Love is a fantasy,  
between you and me.

As morning came,  
something was not the same.  
It was not right or wrong,  
but I had moved on.  
I bloomed over the night.  
I stopped the struggle,  
and the fight.  
I flew up so high,

into the blue sky.  
My shoulders lighter,  
I am now a fighter.  
I flew to school,  
and met you halfway through.  
You were walking with your posse,  
and finally looked and saw me.  
But like I said,  
love is a fantasy,  
between you and me.  
So We became friends,  
but got closer,  
as the years gets older.  
Now that was the end,  
of my hard love life.  
But maybe someday,  
between you and me,  
love will be okay.
