1 - Failed Beginning

NARRATOR: Once upon a time, there was a girl. (looks around) Where's the freakin' girl?! I never get any respect in this story! You know, narrators are important too.

ME: Uh, we just started the story. *cough* Sorry. (began to get teary) *sniff*

NARRATOR: W-what are you doing? Don't give me that! *sigh* ok, back to the story.

NARRATOR: (turns away) Once upon a time, there was a girl, Aris. (a girl appears) She's smart and popular. (the girl crashes into a table) Eh heh heh. *cough* Ok, back to the story. She's smart and popular. (the girl crashes into another table) Oh my god! How many freakin' table do you have in the living room?! Scratch what I said. She's dumb and popular. (the girl looks up angrily)

ARIS: Hey! You're dumb! Do you know how many lines you've said without permission?

NARRATOR: Yo-You shut up! If you don't shut up, I'll describe you ugly! (smirks)

Me: *cough* You're not getting paid for any of this.(they both turn to me angrily) Uh... Just so you'll know...

NARRATOR and ARIS: What did you say?! (began to panick)

ME: Oh, nothing! (smile nervously) (thinking) "I thought I'm the boss around here, since I'm the author."

NARRATOR: Oh, and call me Immortal.

ME: Oh, ok. (Aris pops out of her box and with a pencil, poke Narrator. I mean Immortal)

IMMORTAL: OWWW! Oh god, I'm bleeding! Oh god! AAAHHHH! (Immortal starts to chase Aris)

ME: Um... Attempt number 1, failed. Well, see ya on the next chapter. Eh heh. *cough* CUT! (everything turns black)

IMMORTAL: *Tsk* I knew it. I know you too well, you can never do something without making a mistake, and when you're nervous, you start talkin' slang. No offense. (crosses arm)

ME: (offended) NEVER?! Never is such a harsh word! I did too do something without a mistake. Like that time at the...uh...birthday party. I divided the cake perfectly! Ha!

IMMORTAL: There were fifteen people, and you divided it into ten. (smirks)

ME: Dividing it even was easier!...Shut up! okay, now let's-

IMMORTAL: Talk faster dammit! (the mystery person walks fastly toward them)

MYSTERY PERSON: *ahem* Sorry, I'm here to take the role for Klous.

ME: AAAHHH! I knew you'd come! I uh mean, I'm glad you came. Did you know I was looking everywhere for someone?

MYSTERY PERSON: Yes..I know...You were in front of my house screaming, "Need someone to play the part Klous!".

ME: Eh heh, that was your house? Eh heh. *cough* I didn't know. Ah hah...
