# 1 - KH Maladies 01

Sora sings:

Axel has cum again, and his hair looks just like grass.

Wake me up when the saga ends.

Like my father used to say, you are gay and so's your friend.

Wake me up when the saga ends.

Here comes Larexane again, looking like a b!\*(h.

Trying to look so tough when she's just a girl.

Kairi sits down to rest, but she's just faking all of that.

Wake me up when the saga ends.

Axel has cum again, and his hair looks just like grass.

Wake me up when the saga ends.

Ring out the bells again, try to heal that stupid duck.

Wake me up when the saga ends.

Here comes Larexane again, looking like a b!\*(h.

Trying to look so tough when she's just a girl.

Kairi sits down to rest, but she's just faking all of that.

Wake me up when the saga ends.

Axel has cum again, and his hair looks just like grass.

Wake me up when the saga ends.

Like my father used to say, you are gay and so's your friend.

Wake me up when the saga ends.

Wake me up when the saga ends.

Wake me up when the saga ends.
