Chapter 1 - sharing love

2

1 - sharing love

Love could be for the hopeless
Trust me I've seen some sorry excuses of people out there
It could be for the ones who lost everything
I know...I've been there
Could be for the lonely
Too bad love it the spear that pierces your heart
And when it get pulled out
It only bleeds
When I'm around you
I get scared of it, you explain its ok
But deep down, even though I cover it up
I fear for my heart
For it is the only one I have.
They say love is for everybody
That it can be shared.
Sometimes....
I wonder how much is fact what is fiction
Love can be painful
Everyone I know found someone.
I don't have a someone
So I stand on the corner of my street
I cant help but wait
For that one chance to find it.
I've been broken, beaten, used,
I have my list.
No doubt its as long my arms
That I use to wrap around you and hold you
No you're a distant figure
When I drive away I see you in the rear mirror
You slowly fade
As I drive away and tracks of tears
Leave the sting behind
Love isn't for everyone, I have learned
Sometimes I wonder if its for me.
Just a someone in your life
We had some fun, but now
We give up and leave
You go your way and I go mine
You take the path most traveled
And mine is the one less.
You wont get lost I know that, you have a rode to follow
But me, I'm going to take my chances

I get lost don't look for me
Love isn't for everyone
I know not atleast for me.
So I leave you this note.
Don't look for me
I'm just fine.
You don't believe me
Just watch me walk away
Love cant be shared...
Equally.

Love: yourself and no one else
