Chapter 1 - one heart

2

1 - one heart

*When dawn breaks
I will not be there
Gone forever
Only because I'm too afraid
To stand near
Something's should be said out loud
But I keep them quiet
I cry only when I can
No one around
Only because I don't want them
To see a weakness
I want to turn my head
I'm tired of looking down
I've made mistakes
And many of them bad
I know I've messed up
I know you told me before
But don't tell me I told you so
I know I've got caught up in a lot of webs
But I somehow got out of them
I want to go back
Back to my corner
It was bark and I felt safe
If you just let me be
I'm sure I will find my way back
I only have one heart
Don't make me lose it...
Over you.*
