## 1 - Hidden message

*Your loving touch*

*Our times we laughed ourselves to sleep*

*Up to star we looked*

*Who can I blame but myself*

*How can I do this and try not to care*

*Or why do get this way*

*Right from wrong, I get so confused, I know my games are hell*

*Even though you still smile to me I will never tell how you feel now.*

i just want someone to understand me...
