**Chapter 1 - light**

**2**

## 1 - light

there is a light  
trust me it was blue  
not white  
it shined so brightly  
there was no tunnel  
at the end  
there happiness did not excites  
nor did sadness.  
I bid you  
this is not a poem  
not a story  
there is not death  
for death does not exist  
there is no imortality  
but there is a light  
it is blue...  
i know it could be something to me  
but what to you?
