## 1 - Chai's interview in the D-Garden.

Chai: Tails has sent me to another place to interview more of the Chao he owns. \*Shudders\* More dark Chao to interview... I suppose I should get going.

Tails: Chai, Are you ready?

Chai: \*Hugs Chapon bye and turns to Tails\* Yes.

Tails. All right than...

Chai: \*Gets in Chao Transporter\*

Tails: \*Presses a few buttons, enters a code, and pulls a switch\* You're off Chai, Bye.

Chai (Seeing): A few mutable flashes by. Suddenly she was thrown into the air. She was so relaxed by the swirling colors she screamed, very surprised. She sat up and rubbed her head, witch she had previously landed on. She looked up and opened her eyes to see she was not in the bright Neutral Garden or the Happy Hero Garden... She was in the dark garden! She saw a few pointed-toothed devil chao staring coldy at her. The other chao lost interest in the blood-red object and walked away. All, that is, but one. He was black as the night itself and was scattered with random animal parts. He had no legs, just a de-formed tail.

Leg-less chao scattered with random animal parts: Who are you and what are you doing *here*? Shouldn't you be in the bright and happy Hero or Neutral Gardens?

Chai: I-I'm Chai.

Leg-less Dark Chao with animal parts: I am Rover, The Dark Chao. Well, Why are you here, little one?

Chai: Tails has sent me to gather some information on the chao in these three gardens.

Rover: Chai, You will never get a WORD out of these chao. You need my help.

Chai: Than will you help me?

Rover: Yes, what sort of information do you need?

Chai: Just the basics.

Rover: Very well, if Tails has sent you. Who is first?

Chai: "Shadow2"

Rover: \*Bites bode lip\* Him?

Chai: Yes, why? Is it really THAT bad?

Rover: No, but he is VERY shy. You may not even be able to come near him! Not to mention he is still a little baby! It will be so hard to find him!

Chai: Well, we can try.

Rover: Very well.

Chai: So you say he is a baby Devil Chao?

Rover: Yup.

Chai: \*Hears faint whining\* What's that?

Rover: Sounds like the whiney pest... \*Looks around\* There! **\*Points to center island in the "Water"\***

Chai: Eww! I'm NOT going in there!

Rover: Suit yourself. \*Swims in and brings back Shadow2\*

Chai: (Talking softly) May I ask you some questions?

Shadow2: \*struggles to break free from Rover's grip. When he finds it's no use he nods softly\*

Chai: How old are you?

Shadow2: 3...

Chai: \*Scribbles in notepad: baby devil chao, Red Crescent on chest\* Have you won any races?

Shadow2: The beginner running...

Chai: Ok... Uh... What do you hate the most?

Shadow2: I dono... Hero fruits?

Chai: Me too... Those things are bitter! What is you're favorite fruit?

Shadow2: square.

Chai: Were done.

Rover: \*Lets him go\* Run off, Shadow.

Chai: Next is... You, actually. **\*Gets out pad and scribbles: Adult devil chao: no legs, deformed tail, and scattered animal parts (looks like tiger, otter, bat, and dragon)\***

Rover: What do you need to know?

Chai: Have you won any races?

Rover: Just one: The beginner race. My owner, Dr. Eggman, never gave me much TLC (Tender love and care) so I was expected to win with no experience! After a while I couldn't pull it off anymore so he dumped me here.

Chai: ... Okay... Uh... When is your birthday?

Rover: Dono, a few months after Chapon's and Charon's I guess?

Chai: You know them?!

Rover: Why, yes. I'm nearly related to them, as a matter of fact.

Chai: Really!? I wonder why they never speak of you...

Rover: We were separated as babies. He probably does not remember.

Chai: Wow... I think I'm done. Next is... Regan & Nicole. I wonder why he wants me to do them together...

Rover: Come, then. I can see them from here.

Chai: The white ones?

Rover: Yah.

Chai: Can I ask you some questions?

Regan: Ok.

Nicole: Why not?

Chai: **\*Scribbles down: both white, hero chao.\*** Alright. I noticed you two are (Besides me) The only hero chao in the garden, what is it like to be living like this?

Nicole: I was a little creeped at first... But I'm used to it now.

Regan: It's like being one-of-a-kind!

Chai: all right! I noticed your colors and was wondering: Are you two twins or just brother-sister?

Regan: Twins.

Nicole: Simese twins, to be exact!

Regan: Well, we used to be. We were separated a while ago, we were connected by the fingers. \*Holds up a bandaged hand\*

Chai: Sounds painful... I'm done here!

Rover: So haw many are done so far?

Chai: \*\*Checks off a list\* (Muttering) You, Shadow2, Regan, Nicole, Next up is Bubbles.

Rover: Bubbles it is. He is over there by that tombstone.

Chai: Off we go than.

Rover: Oh, by the way, he is really quite so you will have to listen hard.

Chai: Thanks for the tip!

Rover:...

Chai: Hello, Bubbles?

Bubbles: Wha? Oh, yah hi.

Chai: \*Scribbles in notebook: brown, nutral, unicorn parts\* Would you answer some questions?

Bubbles: Sure... I guess...

Chai: What do you enjoy most?

Bubbles: Eating and sleeping.

Chai: Do you know Pebbles, of the Hero Garden?

Bubbles: Yes, She is my friend.

Chai: Cool. She is nearly my cousin.

Bubbles: anything else?

Chai: I think that's it...

Rover: Next?

Chai: It just says here "Noname- ??????" What does that mean?

Rover: I know who. HE HAS... Issues...

Chai: Lead the way.

Rover \*Walks a little to a tree, he looks up and shakes it, out flying (Actually falling) comes a chao, shiny brown and a wickid little smile.

Chai: **\*Gets out notepag and scribbles: shinny brown, wickid smile... Issues...\***

Rover: Alright, wick (That's his nickname), answer her questions!

Wick: \*Gets up and stomps foot\* What if I don't want to!?

Rover: Tough! Now!

Wick: \*Stomps foot again\* NO!

Rover: (Mutters) Told you he has issues...

Wick: DO NOT!

Rover: Riiigggtt... Anyway. Answer her questions! \*Rover claws Wick's back with his claws when Chai is not looking\*

Wick: Alright!

Rover: He's all you're. \*Steps back\*

Chai: Uh... Who is you're favorite Chao in this garden?

Wick: I dono! Probably Shadow. He is annoying though...

Chai: All right.... Hmm... Where is you're favorite spot in the garden?

Wick: This tree.

Chai: That's all, Thanks!

Rover \*Walks a little bit away with Chai\* Now who?

Chai: (Looking at list) Well, we got Regan, Nicole, Bubbles, You, Wick, Shadow2...

Rover: Who is left than?

Chai: Manney.

Rover: Bad call. He is CRAZY!

Chai: That bad?

Rover: Unfortunally, yes.

Chai: Oh well, where is he?

Rover: This way. \*Rover and Chai walk to a hanging cage\*

Chai(Looking at laughing figure in cage): Is that him, Rover?

Rover: Yah. \*Picks up a stone and throws it in the cage at the chao\*: Hey, Manney! Company!

Manney: Ha! Hahahahahahah- Huh? \*Turns towards Chai snarling and growling\*

Chai: \*Steps back astonished\* Wha!

Rover: Told you.

Chai: Anyway, can I ask you some questions?

Manney: What sort of... QUESTIONS!?! (At the last part he screams and goes into a laughing fit)

Chai: ... Well, just some information for a story Tails is writing.

Manney: Well...?

Chai: \*Gets out notepad and writes down: Neutral chao, weird, pointed teeth, and... \*Pauses to look about\* Crazy\* Well, What do you do for fun?

Manney: Toss stuff at passing chao... \*\*Pauses and tosses rock at Bubbles, who happened to be passing by\*

Rover: \*Runs and catches rock, as it was about to hit Bubbles in the back\*

Bubbles: \*Looks at rock\* Thanks, Rover!

Rover: Welcome. \*Walks back to Chai and Manney\*

Chai: Alllllll righty than... What is you're favorite fruit?

Manney: Anything I can toss at PEOPLE! (Screams last part and breaks out into laughter)

Chai: ...Uh... That's it. See ya?

Rover: Alright, who do you have now?

Chai: I have Bubbles, Regan, Wick, Manney, Nicole, Shadow2, you... One more.

Rover: Let me guess, Silver?

Chai: Yup.

Rover: Lets go. \*walks to water and swims to corner island\*

Chai: Bleh... \*Hovers over water to island\*

Rover: Here ya go.

Chai: Uh... Can I ask you some questions?

Silver: \*stretches, making a small yawning noise\* Ya?

Rover: Did I mention she is still a baby?

Chai: No... Anyway. \*Gets notepad and scribbles appearance: blue chao with Grey head tip, feet, hands, and tail. Otherwise known as a "Bruse" Chao\*

Silver: Yes?

Chai: Oh yes. How did you get you're name?

Silver: I don-

Rover: I know. When she hatched she was a grayish color, than developed her blue color. When the hatcher saw her silver color, he named her Silver.

Chai: Cool... Anyway, how did you get here?

Rover: Yah, you can't swim.

Silver: Manney flew me than left me here.

Rover: He was out of his cage *again*?

Silver: Yup.

Chai: Anyway, I'm done here.

Silver: Can you take me back over with you?

Chai: Sure. \*Rover swims back and Chai hovers back with Silver\*

Rover: I suppose you are moving on than?

Chai: Yes, I have to. I'll come visit before I go, Alright?

Rover: Alright, Chai. I'll miss you. \*Walks Chai to the door\*

Chai(Whispering before she walks out the garden door): Goodbye...

I'M FINALLY DONE! MUHAAHAAHAA! \*Ahem\* Sorry I spent 2-3 days on this! PLEASE comment!

## 2 - Chai's adventure in the Nutral Garden!

Wave's Note:

Yes, I am doing this episode a little differently. I hope you like the change!

As Chai looked back to Rover as she walked out of the Dark Garden, she realized something- Rover was the nicest dark chao she had ever met. She hoped sooner or later that would help him somehow. Now Chai was ascending up the steps to the ground level. She approached the Chao Garden doors and sighed as she began her next adventure.

Chai heard happy little laughs and also another noise- a voice- Sonic's voice. She knew this was a friend of Tails, also better than to barge into a garden (Except for the incident with the tellaporter). She nervously knocked on the concrete pillar used as a frame. It made a loud, hollow noise. Chai only had to wait a moment before Sonic came to answer her knock. "Chai!" Sonic said happy to see his best friend's Chao. "Hi sonic!" Chai happily replied. "What are you doing here? Shouldn't you be with Tails?" Sonic said curiously. "Tails sent me out to get some information on you're Chao and his chao. This'll probably be better than the unpleasant Dark Garden." Said Chai. "Well come in and do what you must." Sonic said, inviting her in. Sonic whistles when Chai had come in and looked around a bit. When he sounded his whistle, the garden was quiet and the Chao looked his direction. Chai was at Sonic's side when he introduced her. "This is Chai, the chaos hero chao. She's going to be here for a while to ask you some questions for Tails. Just answer as best as you can." Said sonic, gently pushing Chai away to do her work, the Garden grew back to its past state with the Chao noisily chatting away. Chai began her search for her first chao to see. "Sonic..." She murmured to herself, looking around for what she expected to be a Sonic chao. With her search failing, she decided to take a leap of fate and ask around. She asked a sky blue chao- a hero running one- if he was Sonic. "Yes, You are asking questions?" Sonic replied. "Yes," Chai said, finishing off her statement with "What is you're favorite fruit?" Sonic pondered for a moment than said "Hmmm... I'm not sure." Sonic said "I like the normal ones the best, probably though." Chai nodded and scribbled down his appearance: Sky blue chao, running, male. "Alright, than. What do you..." She paused for a moment to think of a question. "What do you like the most about this garden?" She finally asked. Sonic looked around him, observing the garden. "Well, I like how it's big. The chao are pretty nice too. What do you like the most, Chai?". Chai was a little faltered to hear a chao say her name. Nowone besides her friends and Tails, and Sonic and all the rest said her name; so naturally it was a little odd to have someone else do so. Chai quickly got back her barrings and said "Uh... I like the lake and the jumping cliffs. Also the raceway. Flying off the highest point so fun." Chai said, looking up to the large cliffs. "Cool." Said Sonic. "I think I'm done." Chai said, waving to Sonic as she walked away. Sonic waved back and Chai began to look around for her next

chao. She was startled on what she next read. She looked around and saw them: "Mr." Jiggles and Cholly. "Jiggles, Cholly! What are you doing here?" Chai said, walking up to the two that were sitting next to each other. They looked up at her surprised. "Chai!" Cholly said, standing up, Jiggles soon followed. "We got transferred!" Said Jiggles, happy. Chai smiled and started asking the questions, the two were a bit slow, so she explained it. "Alright. I'll ask a question and you will each answer in your own opinions." She paused momentarily "You've grown since I've seen you!" She said. "Yes, we have!" Said, Jiggles, who was now a hero chao. Cholly was a hero chao, also. "Anyway." Jiggles and Cholly chimed happily. "Oh yah. What are your favorite fruits?" Chai asked, glancing at them. "I like square fruits." Said Jiggles. "Triangle fruits." Chimed in Cholly. Chai nodded. Okay, Than. What do you like the most about this garden?" Chai said, looking to them with interest. "Well..." Said Cholly "I like the lake and waterfall. So pretty." "I'll agree with her, I like the fruits better, though." Said Jiggles. Chai laughed. "I'm done. See ya!" Said Chai, waving back as she moved on. "Regan..." She looked around. She knew she was a white hero chao. "Now to find her..." She said, moving along to try and find her.

About 3 minuets later, she had given up and wanted to try a different method. She hovered to the highest rock in the garden, above the race entrance. She then took a pausing dash to the edge and flew around the area of the garden. When she had circled a few times she saw a white glimpse in a *tree*. Chai stopped and hovered, staring oddly at the figure-witch she now had made out to be a chao- she decided to talk to her. She saw it was Regan at closer approach. Chai landed on a branch near Regan. "Hi?" She said, looking up at Chai, than the ground 30 feet below. "Hi." Said Chai, still looking at the dangling chao. "Need some help getting down?" Chai offered. "No?" Said Regan still eyeing the ground below. "Very well than." Said Chai, beginning to descend down with ease. "Nuu! Wait!" Regan squealed. "I need help down." Regan sheepishly admitted. Chai Giggled to herself as she carried Regan back to the ground. "Thanks." Regan muttered. "You were asking questions?" She said, looking up at Chai. She was a young white neutral hero chao. "Yes." Said Chai, looking down to her. Regan looked to the water. "On with it than." She said, in a nice way. "Alright. First off, what character do you like most to take care of you?" Said Chai. "Well, All of them really. Probably Knuckles, though." Regan said, looking back to Chai. "Anything else?" she said curiously. "Yes, one more question. What is your favorite object in this garden?" Chai said, looking around. "Well, anything I can climb, I guess!" Regan said, smiling. "See ya." Chai said, waving as she left.

"Next is... Chaz." Chai said. She knew Chaz quite well, along with his brother, Echo. Chai had no problem finding him; he was in his favorite spot with Echo, the rocks by the lake. She approached them. "Chaz?" Chai said, knowing Echo could not yet talk. "Yes, Chai?" Chaz said, looking up. "Mind to answer a few questions?" Chai said, looking at them. "Alright. Ask away." Chaz said, standing up. "What is your favorite thing about this spot?" Chai said. Chaz was a neutral normal type. He was red, like her and Echo. He has a flaming emoteball and a pumpkin on his head. Echo was, as said, red too. He was an infant with some sort of bird feet. "Well," Said Chaz, interrupting Chai's thoughts. "It is moist and cool. It is also humid and the air is clean. It's also a good spot." Chai nodded and moved to the next question. "Who is your favorite chao in this garden?" Chai asked. "Well, Besides Echo I like Regan, I guess. She is a weird wanna-be power and flyer type. Her stunts are funny." Chaz said, looking to see what she was up to now. Chai looked too. Regan had hollowed a fruit (Whilst some of the other chao were eating the remains of the installs.) and put it over her head, having it now stuck. She wandered around blindly a bit than eventually ran into a wall. Chaz cracked up laughing. Chai Giggled. "I'll be off than!" Chai said, flying away. "Now for Chasm." Chai said, She recognized him on the spot. He was a hero neutral chao, the only chao without store-bought colors. He had parrot and dragon parts. "Chasm?" Chai said, sitting with him under a tree. "Yes?" Chasm said, looking over to the new

approach. "Might I ask you some questions?" Chai asked. "I DID NOTHING!" Chasm screamed, he then quickly cleared his throat and said "I mean, yah, go a head!" "Erm... All right than..." Chai said staring oddly at Chasm. "Where is you're favorite place in this garden?" Chai said, still staring, but looked away to her notepad. "Well, Here I guess." He said, beckoning to the tree. "Alright, than. What do you like to do most?" Chai said. "Sleep, most likely." Chasm said, yawning. "I'm done." Chai exclaimed, walking off.

"Buddy..." Chai said quietly, walking to the last chao. He had parroted and peacocks parts, a light blue hero chao. "Buddy?" Chai said, walking to him and waited for a response. After a minute or two, Buddy woke from his "Snooze" and agreed to answer her questions. "Okay." Chai started. "What do you like to eat?" She said. "Anything that tastes good." Replied Buddy happily. "Uh..." Chai said, than asked, "What do you like to do most?" "Nap, not sleep, just nap." Buddy said. "Alright, than. I'll let you get on with you're... Erm... Nap." With that Chai was off. She exited the door. "Oh! Sonic!" Chai said, running into sonic in the laboratory. "Hi. You done?" Sonic said, leaning down to talk to Chai. "Yes. I'm contusing my interview tomorrow. I'm staying in the dark garden with Rover." Chai said. "I thought you did not like it there?" Sonic said, looking down the stone steps. "I don't really, but it's better than here." Chai said. "Okay, see you than." Sonic said, walking to his garden. "Bye!" Chai said, walking her separate way to the Dark Garden, where Rover met her.
