Chapter 1 - Tell me it's all right

2

1 - Tell me it's all right

Tell me it's all right
to be afraid
'Cause it's the only way
to get rid of my fear

Tell me it's all right
to come to your shoulder to cry
'Cause it's the only way
to stop my tears coming

Tell me it's all right
to try to help you when you're down
'Cause it's the only way
to stop me feeling guilty

Tell me it's all right
to wish to hold you here in my arms
'Cause it's the only way
to stop me from feeling dirty

Tell me it's all right
to miss you when you're far away
'Cause it's the only way
to stop me feeling bad about it

But tell all that
only
if it's true

I can
only
hope so
