## 2 - Life Story

On the 6th June , 1993 , Katrina Leigh Williams was born. Katrina's father , was killed in a car accident before Katrina was born. Katrina's mother died two hours later after she was born. Immediately , Katrina's grandfather ( Miguel) had taken Katrina into his home and become her legal guardian.

Katrina's mother (Nieve) was the daughter of Miguel and Aea . She was born in Columbia .Miguel is Spanish and Aea is Latin .

Katrina's father (Akins) , meanwhile , was Egyptian. Katrina's fathers parents were , Femi and Funuku (both Egyptian).

Katrina's grandfather (Miguel) , changed his granddaughters Spanish full name into a English full name. He feared that some people would tease his granddaughter because of her Spanish name.

When Katrina was three , Miguel gave her half a glass of coke. Fifteen minutes later , Miguel found Katrina black -out and he rushed her to hospital. He was later told , that Katrina was diabetic . Another injury happened . When Katrina just turned four , she fell downstairs and landed on her back. Katrina couldn't walk for a whole week. Miguel took Katrina to the doctor and it turned out that Katrina's spine was in a funny position. Katrina went for operations SEVEN TIMES!. She had to wait for BIG operation , which the doctors could only preform when she was older than sixteen. So Katrina can't run or walk properly.

Two months after her 3rd operation ,and 3 weeks till her 5th birthday , Miguel and Katrina moved to South Africa. Katrina was home-schooled until she was seven old. The government said it was OK to let her into a public/private school. (Lucky) Katrina went to a private school called St Laventrent School for Girls. There , she met Lucy.Lucy has a 5 year old brother called Luke and Luke VERY hyper.

When Katrina was nine , Chrissie ( Scottish ) and Chante and ( American ) had joined the school. It turned out that Chante had an identical twin called Sherry and Sherry is in a wheelchair because her legs can't work properly. Chrissie has no siblings but has a cousin called Jessara who lives with her because Jessara's mom is in hospital because she has leukemia and might die.

Katrina has the millennium sword . Her yami is Alleigha and Alleigha is VERY over-protected of Katrina. Yet...they act like sisters. They are very very close.

Katrina met Yugi and his friends in a Duel Tournament in Japan. Katrina also met Mokuba and she has a HUGE crush on him. Mokuba also has a crush on Katrina. Chante and Joey are nearly enemies.They are enemies because they can't decide who has the best deck. Alleigha is very sexist and of course , fights with Atemu even though they are good friends....O.o. . Ryou is Katrina's long-lost cousin. Yet neither of them know.

Katrina wants to be a famous archaeologist when she leaves school. Chante wants to become a author , Chrissie wants to become a fashion-designer and Lucy wants to become a pro athlete.

Jessara wants to become a doctor.

Katrina is an excellent horse-rider and swimmer. Chante is good at running and is a fantastic at soccer. Crissie is excellent at netball. Lucy is excellent runner , swimmer , soccer , netball and hockey. Jessara does not do any sports but is in the choir.
