Ch.1 The Night of Awakaning love

Sesshomaru sat there under the cherry blossom tree, his chin nessed in Kagome hair as he wached stars fall from the sky. If you would sumbled on to this site you would not be to leave with out smileing, unless you were one spacific hanyou.

Inuyasha ran trough the forest after he had come across that very seane only he had no smile on his face he was so mad he felt like blowing up the entire forest.

Why was kagome with him, my Kagome with him. I though he hated humens being the true Youkai he was, Inuyasha though as he ran towards camp.

"I have to go I feal that Inuyasha has seen us, goodbye, I love Sesshomaru," Kagome said as she too went back to camp.

2 - The Question

Ch. 2 The Questions

Inuyasha reached camp first and started a yelling at his companions and asking things such as How long has Kagome and Sesshomaru been lovers?

sweatdrop "We have no clue we didn't know until you just told us!" They all said at the same time. This when Kagome entered the scene.

"What is going on here, Inuyasha what's wrong?" she asked in a slightly raised voice.

"Don't act like you don't know, I saw you with Sesshomaru!" Inuyasha yelled.

"Oh, you saw that, I am sorry but if you had just appreciated my feelings towards you and you stopped going to see that walking corpses every time you catch a whiff of bones and graveyard soil this would have never happened," Kagome said in a voice that had a hint of sorrow in it.

Inuyasha listened with a dumbstruck look on his face. "Kagome, Kikyo died thinking I betrayed her and so I have to stick with her," He said.

3 - Kikyo

Ch. 3 Kikyo

Suddenly there was a gust of wind and Inuyasha took off. Inuyasha was headed off to find Kikyo again, I should really go after him, Kagome thought as she walk off in the direction of Inuyasha.

"Kikyo, you must know I didn't betrae you, Another Hanyou named Naraku who can shape shift set us ageinsted each other. You must also know that I still love you and that will never change," Inuyasha said softly to Kikyo.

"Oh Inuyasha, you don't know how long I've wanted to hear that," Kikyo said as she glided into Inuyasha's arms. Kikyo tillted her head up and pressed her lips on to Inuyasha's. He was at first shocked but closed his eyes and responded to the kiss.

"Inuyasha, where did you go," Kagome muttered as she leaned ageinsted a tree so she could catch her breath. Kagome started running some more and finnaly reached the spot where Inuyasha and Kikyo were.

Inuyasha smelt Kagome near by and broke the kiss. "Kagome, what are you doing here," Inuyasha said as he walked over to her. "I was going after you because I didn't want you to go see her," Kagome said throughing Kikyo a dirty look.

"How dare you say that," Inuyasha yelled as he picked up Kagome and through her across the clearing. "You have no say in who and who I don't see," he hollered. Kagome liffted her head with a stund look in her eyes. "Inuyasha Wh...," was all she could say before passing out.

"What have done, Kagome," Inuyasha said as he dropped to his knees and stared blankly into his hands, and his eyes swelled with tears.

4 - Anger and sorrow

Ch. 4 Anger and Sorrow

There was a rustle in the trees as a silver blur shot out, Inuyasha at first couldn't make out who it was due to the tears in his eyes but when he recognized the youkai standing in front of him a low growl emitted deep within his chest. "Sesshomaru," Inuyasha growled as he pulled out tetsusiga.

When Sesshomaru looked away from Kagome's still body and looked up at Inuyasha, Inuyasha didn't see the usual emotionless face. Sesshomaru's face was full of rage and hate. His eyes were no longer the beautiful sunlight gold but a bright blood red. As he ready himself for attack he remembered the tear at his heart when he saw Kagome unconscious and body.

Sesshomaru lunged at Inuyasha with his Tokijin, Inuyasha blocked with tetsusiga. Unfortunately under the power of his sword, Tetsusiga untransformed and the full power of Tokijin was unleashed.

Author's note: if I misspell a word or could make something better tell me. And i need some suggestions thankz.

5 - Possesiveness of the inu kind

Ch 5 Possesiveness of the Inu Kind

Kagome slowly awoke to the sound of clashing swords. She knew who one of the fighters was because of the constant growl and screams of the name, "Tetsiga,"
So of course Inuyasha was one of the two. But the other one she couldn't make out, all she ever saw was a small glimpse of silver. 'SILVER' it's Sesshomaru. She at first she had not muttered his name until the silver blur stopped and look towards her.

At first she saw only deep hatred in his blood red eyes, but then his face softened and his eyes went back to the original shade of gold. She watched as he sheathed Tokijin and walked up to her. He picked up Kagome and nuzzled her softly. Inuyasha watched this with a bewildered look on his face. But was brought back to reality when Sesshomaru put Kagome and walked towards him pulling out Tokijin from its sheath.

(A/N) sorry this chapter was so short i didnt have much to say in this chapter.

6 - Battle of brothers

Ch. 6 Battle of Brothers

Sesshomaru charged at Inuyasha who had not seen him coming and had to quickly counter the attack with Tetsiga, which didn't have much effect since once again Tokijin overpowered it. As the battle raged on Kagome sat there with a confused look thinking, Who to cheer for, wait I know. "Kick his butt Sesshomaru, go Inuyasha," cheered Kagome. Kagome then thought, Oh man I probably sound like complete lunatic cheering for both of them, maybe I should just shut up.

The battle didn't last long for Sesshomaru finished it by slamming the sheath of his sword into the back of Inuyasha's head. The only he didn't kill him was because he knew Kagome would hate him for that and losing her love was not something he wanted to risk, so he resisted it.

After he put his sword away he swept over to Kagome and picked her up into his arms. Before Kagome could realize it Sesshomaru claimed her lips in a deep kiss of passion and love. When the kiss broke Kagome was kind of disappointed, but before she could say anything Sesshomaru said, "Let's go home love." and together they went back to the castle.

(A/N) It may seem like the end but it's not there are still chapters to come ok.^^

7 - Scars of Battles

Ch. 7 Scars of Battle

Inuyasha's eyes fluttered open and felt like something was definitely wrong; that's when he realized that he was laying in a hut instead of the field he collapsed in. Did Kikyo bring me here or was that all a dream and he was still in Keade's hut, he asked himself as he tried to sit up but couldn't because of the intense pain. (Ok so maybe not intense pain but a headache and a few cuts and bruises.^^) No, it wasn't a dream. Inuyasha slowly remembered what had happened, from him carrying Kagome across the clearing to the time when he was engulfed in blackness. He didn't want it to be true please don't let it be true, Inuyasha thought as one silent tear slid down his face.

Kagome walked in to the dining room and saw that Sesshomaru wasn't in there so she searched the other rooms but the only people she saw were his numerous servants, Jaken, and Rin. She began to worry when even Rin said she didn't know. She stepped outside to see if he was there but he wasn't. It was about 10 mins. before she noticed her kimono was not thick enough to keep her warm so she returned into the castle.

"Oh, Inuyasha you're awake, I was getting worried that you wouldn't wake up, it's been 2 weeks," Kikyo said as she walked into the room. "TWO WEEKS," Inuyasha hollered springing up into a sitting position.

8 - back to how it started

(A/N: Hello there sorry this chapter is so late my computer stopped working but I am back and hope you all continue to read my story, ok. bye!!!

oh and by the way this chapter is back when Sesshomaru and Kagome first realize there love for each other)

"I hate you Inuyasha your such a basterd, why do you always go to Kikyo, Kikyo, Kikyo, thats the only person you ever think about, well I am sick of it, I hate you and that dumb dog," Kagome was yet again fighting with Inuyasha but she seemed to be realy serious this time.

"Are they ever going to stop fighting cause I don't like it when Kagome's like this, it scares me," Shippo said to Miroku and Sango who also seem to be annoyed by there constant fighting.

"I don't know but if this fight gets to serious Kagome might just leave us again and she just got back," Sango replied to the little kitsune.

They looked up when they heard the door slam shut and only saw a very pissed off hanyou and no Kagome.

"Fine leave I don't care," Inuyasha yelled at Kagome as she left the hut.

~*~**~*~**~*~**~*~**~*~**~*~

Sesshomaru had been watching the little shard hunting group for some time now. Not because he still wanted the tetsuiga but because he had been drawn to the young miko for some time and now he can't keep her out of his mind.

He had seen her and his stupid brother constently fight but this is the first time he had heard such language coming from the one he now knew he was in love with.

When he saw Kagome stomp out of the hut he knew this would be his best chance to get her as his own, so he lept to the well which he still didn't understand how she can make her self vanish when she jumped down in to it but he tou ght he should worry about that later and consentrate on getting Kagome now.

~*~**~*~**~*~**~*~**~*~**~*~

"Oh, he's such a basterd I don't why I put up with him," Kagome mumbled as she headed towards the well, but she didn't go down the well this time she just sat on the rim and started to think.

'Why do I love him, I mean he's mean, selfish, and he only thinks about jewel shards and Kikyo' Kagome thought while twirling a small yellow daisy with her fingers.

"Sesshomaru you can come out I know you're there," Kagome said as she placed the daisy in her hair.

Sesshomaru chuckled and stepped out from behind the tree where he had been hiding.

"So, what do you want Sesshomaru," She asked in a calm voice.

"You."

"Come again.."

"You heard me I want you."

"I don't know what you mean by that."

Sesshomaru glided over to Kagome and said, "Kagome I love you and I want you to come to my castle with me."

"Huh, I don't know what to say I mean I love you but well I must complete what I started," Kagome whispered but was loud enough for Sesshomaru to hear.

"The jewel....."

"Yeah, I must complete my duty and gather the pieces of the jewel."

"Then what about you come with me when the jewel is finished."

"Ok that sounds like a great plan"

"And I will visit if I happen to be near your group, ok."

"Ok"

When they finished talking Sesshomaru took Kagome in to his arms and he pressed his lips gently to hers and they shared their very first kiss.

(A/N: Ok well I hope you liked it I will have more chapters coming as soon as possible ok, bye.^^)
