# 1 - Starcraft-Halo Sneak Peak

## *The Halo-Starcraft Sneak-Peak*

A month after Battle Omega, new powers arise. Admiral Gerard DuGalle was saved by the Protoss through a special psi concentration, healing him from his self-inflicted gunshot to the head. Vice Admiral Stukov has been “resurrected” by the Protoss as well, using the same concentration except a lot more. The fleet has been reconstructed with the help of Zeratul and Artanis, the last two Protoss leaders in the Korprulu Sector. The U.E.D. has united with the UNSC/Sparta II forces to crush the Zerg and the Covenant together. Master Chief Terri Collins, Lieutenant Gabriel Rafter, Captain Alex Kai, and Lieutenant Axle *Kerrigan* prepare themselves for the everlasting brood war...

Book 1: Open War

Book 2: The New Crusade

Book 3: Tides of Destruction

\* Two new races are introduced in the second and third book as well as advancements in the original three. Also, the return of an ancient race rises to power.
