I went on a journey with my best friends.....but...I don't know why I went in this caravan.....But when I saw a rose I pick and stared at it. and I remember that mom showed me my favorite flower The blue lamp flower and she told me something about it...she said "This flower will guide u to the right path and it will never die."my little sister Nana wrote me a letter that said "Its almost my birthday and I want a blue lamp flower please get me that.and I think that how could find a blue flower?I just felt so sad that I cant find a blue flower and then my friend Mono hes a Clavat he gave me a blue lamp flower and said "here I think u wanna give it to your sister." and then I looked at Mono and cried and said "Thank u so very much!!"I was so happy and hugged him.after that a monster grabbed him!!and it took his heart and took control over Mono.he became heartless and he tried to attack me! Nadia told me "we have to kill him and then I felt petrified when she said that. and they kept attacking him.it was like a rose vanishing in front of my eyes and when they defeat Mono evil side he died.....and I cried and said"Why did u do this!?" and Nadia said cheer up we will bring him to life.and mighty check his pack and he had none "were all out of of pheonix down. and his goast sprit dissapered.and I said "I loved him." and Mono never came back to me.but I know I he will always love me and he will always be in my heart..Im a Selkie and hes a Clavat but I know he will wacth over me.he now my gurdian angle....I never will see him again....but I will still have the beauty of a rose.

I will find a place i belong i will search day and night...I will not give up!!Its been 3 months since i was searching.....I fell into the ground and faint.....2 weeks later My old friend Eil found me on the ground were the blue lamp flowers live...she woke me up and said "Nadia??is....is that u!?" I said "Eil!?" I said "it is really u!!!"then we dance around the fields of the blue lamp flowers. after she found me she took me to her home town i didnt know about! it was called Le Paso....It was a nice place and grows my favorite food Cherry Clusters!!!The people were very nice and welcomed me to their village.....4 weeks later I joined their caravan....it was a little Caravan and I was a little also....Eil introduced me to the party Black was the leader of the caravan....and I finally found Ject!!!!He was beside Black...He told me about Black...He said "hes strong and brave and tough!!!" The other one she was a nice girl but she can be tough on the outside her name is Opol she said "Nice to meetcha!" and the last one he so young yet so silly his name is Tuck and he has a pot on his head (lol. and I think I finally found a place where I belong! and thats my story gone and a few years later I me and Ject came back to our old caravan...
