**Chapter 1 - I'm alone**

**2**

## **1 - I'm alone**

Dark clouds was hanging in the air above the flat landscape. Fields, fields, fields. As long as you could see. It was quiet, only a ravens wings was heard as it flew away to its family. I had no family, I had no friends. I lay down, waited for the thunder, waited for my death. I felt guilty, I was guilty. Guilty of the killing of my best friend, my only friend.
