1 - part 1- One of the Heartless

It was a normal day to the very smart Yoshi. Until a dark and cruel day came to his planet Fruitopia. A giant black ball struck Yoshi's home. Then when it crashed on his home a dark mysterious creature came up and took one of the yoshi's heart. Then the heartless jumped to Yoshi and then did something horrible. He took his box of donuts. Yoshi responded with a NOOOOOOOOO! The heartless then ate his donut's one by one the heartless ate them. Then yoshi ran away to cover because he knew those things were too powerful for him to handle. But then Yoshi accidentally dropped his destruction remote the heartless then grabbed it and destroyed many buildings. One of them even had a yoshi in a kid suit on a tricycle and had a lollypop and that yoshi then said, UGHHHH this isn't what it looks like. Then Yoshi was then swallowed by the darkness. But then yoshi was then saved by a mysterious light it was a big key but on the end of it was a egg and had a egg chain. Yoshi knew something had to be done...

2 - part-2

Yoshi then knew what he had to do. He had to stop all the heartless from trying to destroy his planet but no matter what he did more and more would come out. Yoshi was then surrounded by the. But in a quick flash everything disappeared and then Yoshi was gone from the quick flash of darkness. Meanwhile at Shaman King Planet Lyserg and Yoh were in a fast round of a fight It too happened to the Shaman King planet the heartless came up and swallowed it too but Yoh was mysteriously granted a big key. Then they both crashed on the planet Metropolis other known as the planet where Sonic and Shadow lives. Yoshi then he went around the place but at the same time Yoh woke up also. They both saw each other and then Yoh said, ha what kind of hideous frog are you. Yoshi then said, what kind of evolved ape are you? Then they both got in a fight. *1 hour later*. They both gotten sore from all the scratches and fighting they then meet Shadow because he had to break them up. Then they made up and apologized but then after they apologized a boss monster came it was a giant brain. They then had to get ready for a fight...

3 - part-3

Yoshi, Yoh, and Shadow had to get ready for a fight that they'll never forget well for know that is. Yoshi and Yoh already knew that they were the chosen ones for the keyblade but little did they know Shadow had a keyblade also! Yoh's keyblade looked like his regular sword but with a ghostly touch. But Shadow's on the other hand looked like a red and black powerful key. When here about to attack the giant brain it attacked them with educational television!!! The gang was hurt badly from the boring educational television all but Yoshi. What said the giant eyeball but how? Yoshi said, ha that won't me because am smart. Yoshi then attacked him with egg shower which is a powerful attack when it's raining eggs but those eggs are heavy and strong. The brain was severely damaged. Then Yoh got up and attacked him with celestial slash the brain was now very weak from those two attacks. But now Shadow attacked him with painful memories this attack is when Shadow launches a attack of peoples painful memories and turn it to a ball and throw's it against the enemy. *2 hours later*. The monster was defeated and then they all talked and Shadow told them that we three were the chosen ones for the keyblade...

Shadow: u see u 2 r the chosen 1's for the last 2 keyblades known to existence.

meanwhile

king de de de: *turns on t.v* now, tell me what new monsters you have that can destroy that Kirby.

King de de de: I don't are just give me them.

Guy: ok, were transporting some to you right now. But we even got a including with those heartless. Were sending you our top monster control member.

King de de de: alright. Now we can surly clobber that there Kirby. *heartless and member get transported* hmm... these heartless seem pretty good.

Yoshi: alright C'mon hurry up then we have to fight that king.

when they get there

everyone: *breaks through door*

Yoshi: stop right there king de de de!

Sorry to be continued :3

14 - is he the unstoppable?

Just so you all know sometimes the way I tell these chapter may change the way I talk of them ok ^.~.

Yoshi then yelled "King de de de! You shall stop the reign of horror of this land for good!" after Yoshi talked shadow then said "yes, king de de de! We will take you down!" *Kirby eating a pie* then Kirby saying "... Ma!" Yoshi then charged towards king de de de. But right before Yoshi was going to hit him king de de de jumped out of the way *opening his eyes* and saying "you think you can annihilate me?!? You pathetic fool?!?" (he's talking like riku did when he possessed >> also his eyes are filled with darkness) then king de de de ran with his hammer and attacked Yoshi Yoshi then screaming with agony. Yoh yelled "Yoshi!!!! King de de de. You need to find your light! You cant lose your heart to the heartless! To many people have been killed like that!" shadow came up to him and said "yoh, am sorry but his heart has been devoured by darkness.... We have no choice..." yoh nodded in a sad way. But Yoshi getting up with pain "de de de.... I wont give up to you.... Ugh." *he faints* Rachel then saying "Yoshi! King you shall be annihilated!" as she screamed and throwing ninja stars. *de de de gets pinned almost everywhere* then him saying "I cant get ridded that easily you know...." *makes ninja stars go everywhere*

15 - he is defeated

ninja stars about to hit everyone but right before it I about to hit everybody Kirby comes and sucks them all up and turns to ninja Kirby and him saying "wall" but then meta knight comes and says "he has become ninja Kirby" yoh looked and said "again, where do you keep coming from?" *Kirby goes to king de de de* but then king de de de says "don't think you can get me!" *grabs Kirby and throws him hard to the wall and Kirby mumbling in pain "wall..." *king de de de come and is about to hit him with a hammer* but Yoshi screaming "shadow we need you to do your special move!!!!!! Its our only hope!!!!" and shadow knowing "yes, I shall. Now!!! Time for you to remember everything terrible!!!" *throws painful memories to him* and king de de de remembers horrible things like when his mom made him wear big boy unde's XD. *king de de de falls* then shadow saying "now time for you to perish." *attacks king de de de and him disappearing and his heart going away* "Yoshi" as shadow said "lets go" he nods and everyone leaves the castle.

16 - good or evil?

Everyone walks out of the castle except shadow. *he gets out something* “sorry but I had to annihilate him.” Then someone gets out of the walls of the castle “its ok, he was no more than a puppet. He wanted to get more land and everything for himself. It should be recommended that you don't lets greed and selfishness get the best of you” shadow looked at her and said “I know that is yet another reason why those heartless haven't gotten me yet.”As he looked away after talking and the mysterious figure disappearing into the darkness. Then shadow looking at a picture of someone “I swear I will get you back no matter what the cost is” then after closing the locket that had the picture Yoshi says “Shadow are you coming” shadow looks and says “yeah am coming” as he walked out of the castle.

17 - the locked heyhole

Then everyone went outside the castle. Yoshi then said "where's that keyhole?" shadow came up and said wait? What's that?" as he pointed out to the sky. Yoshi saw and said "I think it's the keyhole" they all looked at the sky. Rachel then saying "it's a lunar eclipse it must've come out because of the eclipse" then all the keyblades pointed up to the sky and shot a green, yellow, and blue light. Then they all heard a lock on the planet. Rachel look at them with a puzzled look and said "how'd you do that? And what is with the lock sound?" Shadow looked at her and replied "these keyblades have the power to lock and unlock things they can even lock worlds. So they can be protected from the heartless"

18 - a desserted world

As everyone left towards the gummi ship kirby came up and gave Yoshi, Yoh, Shadow, and Rachel a book and saying "wale" Yoshi looked and said "thanks kirby. Ok everyone lets go to another world" everyone looked at Yoshi and nodded. Yoh came up and said "ok, bye kirby!" then the gummi ship blasted off. Rachel picked up a book and read it a bit. Yoh went to see what she was reading and asked "what are you doing Rachel?" Rachel looked at Yoh and said "the book Kirby gave us. Also I think theres a world right there" as she pointed out. Yoshi saw it and said "ok, then. Lets go!" he then turned the gummi ship to the world and lands. Yoshi saw the place and so did everyone else. Yoh saying "man this place is one heck of a dessert"

19 - its courage the cowardly dog!

Yoh: *looks* I don't see anything. But that small house

Yoshi: yeah, what do you think is out here?

Shadow: well I think this is boring lets go to the gumm- *sand heartless eats it*

Everyone: O.O!!

Rachel: what's that in there? *points out something in the window of the house*

Courage: *looks at her* ok I guess... *walks up to the stairs to the attic*

Yoh: wait were you going?!?

20 - encounter with mean computer

Yoshi: *him and everyone follow him* what are you doing?

Yoh: I think he's using the computer. *looks at the screen*

Computer: of course he is you twit.

Everyone: O.O!!!!!!

Rachel: it can talk!?!

Computer: of course I can. I am much better than any other computer.... So let the cowardly dog keep typing of what he's scared of.

Courage: T.T!

Yoh: wait did he call me a twit a second ago?

Courage: *types* big black things! Devour things to darkness. Swallowed merial *starts typing hard* need her back!!!!!!

Computer: ow! Don't type so hard. You see these things are heartless... now what they do is devour anyone who has a heart. What attracts them is their darkness in their hearts. The stronger the light... the stronger the darkness

Courage: oh no...

Shadow: don't worry, you cowardly dog. We'll get her back *gets keyblade* C'mon lets go.

Rachel: um shadow.

Shadow: yeah?

Rachel:! Oh yes! Everyone get behind me *starts doing hand signs.

Yoh: wait what are you doing?

Shadow: quite Yoh she needs to concentrate.

Yoshi: was that from the book kirby gave you?

Rachel: yeah, errrr.... *makes a small trip*

Yoh: are you alright?

Rachel: yeah the black hole uses a lot of energy from you.

Shadow: ok, then wait here and we'll get you.

Yoshi: this should be it. Lets hack to there computer and..... *see's courage* hey wait? How'd you get here before us?!?

Courage: I used the stairs...

Everyone: @_@;

Yoshi: now lets see how you can revive someone from darkness. Now it says- *hears someone walk in* who's there!?!

???: me... your worst nightmare

24 - the kidnapping

As the mysterious figure walked up to them it showed the actual him. (It's Eustace) as he looked at them he said "so you're with that stupid dog huh? Well now you shall perish!" as he then grabbed a giant mallet and hit Yoh. Yoshi saw and screamed "YOH!!!!" but then he gotten Yoshi and Shadow with the mallet. After he K.O'd them he saw Courage and said "your next you stupid dog" courage saw and ran away. Eustace then put Yoshi, Yoh, and Shadow in a bag and ran away.

25 - find where they are at

after a long time courage found Rachel and tried waking her up. Rachel opened her eyes and saw courage. And then she got up and asked "hey? Wheres Yoshi, Yoh, and Shadow?" courage looked down and said "Eustace kidnapped them" Rachel fell silent and said "well... Did you at least see where he took them?" courage looked up at her and started to think then said "I think they went to the barn." She saw him and said "ok then lets go there."

27 - shadow meets the mysteriouse figure again

Yoshi, Yoh, and Shadow get out of bag

Yoshi: whoa I didn't know courage can even do that

Yoh: yup, I guess your true power can come within

Shadow: yeah....

Courage: ye ha ha ha ha ha he. ^_^.

Yoh: wait what was the thing on how to return someone's heart from the darkness Yoshi?

Yoshi: oh no! I couldn't finish reading it all.

Courage: *gets depressed*

Rachel: *bends down* don't worry we'll find her and get her heart back. I swear we will get her back courage.

Courage: *nods*

Yoshi: ok, then let's go to the gummi ship *heads off*

Yoh: ok, then let's go. *heads off too*

Rachel: let's go *runs*

Shadow: *walks slowly to the gummi ship and hears something* who's there?

???: shadow... we need for you to annihilate them.

Shadow: no, I can't even if I am evil. There my friends. And they'll find out that this keyblade is the evil keyblade disguised as a normal one.....

???: ok, when they find out... come back to us... *disappears*

shadow: ok, black doom...

Yoshi: wait...

Rachel: if there no one and....

Falco: then it must be a O.O....

Fox: AN AMBUSH!!!!!!!!!!

tons of heartless ships beyond your imagination comes out

Yoshi: oh no....

36 - fight andross

All of them were filled with fright as they all saw the huge numbers of heartless ships. "C'mon! We can't give up now!" as fox yelled. Then everyone got out and started to destroy those ships. After an hour Yoshi says "man, they just keep coming >.<!!!! What are we going to do!?!?!?!?!?!?!?!?!?!?" fox accelerated to a huge thing on the ground "you guy's am going in!" said fox. "Don't go by your self!!!!" as Yoshi followed. "Am not letting you two go by your selves" as Rachel said following Yoshi. "Ugh... that'd leave me here O.O.... with all these heartless..." as Falco said.

37 - encounter to andross

goes inside fox looks out and see' Rachel and Yoshi "what are you two doing here!?! I need to fight Andross by myself!" as fox said. Yoshi replies "fox don't worry were your friends you shouldn't have to do things by your self anymore...." "yeah, were your friends fox" as Rachel said while shooting at bad guys in the way. Fox looks at them and say's "ok ^_^. Wait! This is the last door we are about to fight Andross!" they go through and encounter Andross.

38 - is this Rachel's demise....

Andross's show's his giant evil face and laughs "whahahahahahaha!!!!" Yoshi smells and says "gosh dude you really need a mint >.<!" Andross gets mad from the insult and grabs Rachel's ship with his hands. Yoshi looks and screams "RACHEL!!!!!!" Andross grins and says "your friend shall not make it!!!" as he screamed and then swallowed Rachel's ship whole.

39 - we shall get revenge

Fox and Yoshi were in pain in the inside. "how can you be so heartless!?!?!?!?" screamed Yoshi. Andross laughed upon them and said "don't you see?! Friends are no more than tools you can use. By using them for your own self!!!". fox looked at him with anger "you fiend! I will destroy you as he started shooting to destroy both his hands. "gaaa!" screamed Andross. "we will get our revenge" as Yoshi screamed and shot bombs at his eyes. "GAAA!!!!!!!!!" screamed him as his face fell apart

40 - true form?

“yes, we have destroyed him fox” smiled Yoshi. Fox looked. “wait I see something!!!” screamed fox. Yoshi turned his ship back and saw. It was the brain and eyes of Andross. “but how fox!!! How did he survive!?!” screamed Yoshi. Andross just laughed at them “can't you see?!? This is my true form!!!!” screamed Andross. “true form” mumbled fox. “now prepare to die!” as Andross scream and grabbed them with his eyes.

41 - Andross's self sacrifice

Andross was crushing both Yoshi and Fox as he was doing this he says "now fox... you shall be seeing your dad soon..." Fox looked at him with anger and said "I WILL NOT LOSE TO SOMEONE LIKE YOU!!!!" as he then shot a bomb at his eyes. "GAAA!!!!!" screamed him. "Good job fox" proclaimed Yoshi "so fox shall we destroy him?" fox nodded "yes let us annihilate him!" *they both shoots 3 bombs at him* "GAAAAAAAAAAAAAAAAAAAAA!!!!!!!!!" screamed Andross *is incredibly weak* "gah... I may have to go down from this life.... But I will take you with me!!!" as he then exploded.

42 - right before the explosion

right before explosion and him using mind telling powers "listen my dark night..." as Andross talked "I am going down tell black doom I am sorry. They were too strong. You should go now." The black figure nodded and left.

43 - can this be true?

Fox and Yoshi were going at top speed "I only wish Rachel was here..." as Yoshi said sadly. "What? Am right here Yoshi ^-^" as Rachel said flying right next to them. "What how did you get out Rachel?" as fox asked. "Well when he exploded I was able to break free" as Rachel replied. As then they all where able to get out.

Shadow: I know... it seems that they have the potential to defeat a dark leader.

Dark figure: seems like it.

Shadow: hmm... so how's it going with your dark keyblade?

Black figure: *grins* good as always. Stealing hearts and giving them to the heartless.

Shadow: ...

Black figure: well I'll be off. Black doom needs a report.

Shadow: ok...

45 - at the evil guys O.o

Black doom: so... the giant head man was killed?

Black figure: yes, that's what it seems. He said his apologies and exploded.

Black doom: ok then. It only show's that these fools are actually worthy of destroying one of us dark leaders.

The other dark leaders: hahahahaha!!!!

A dark figure: we shouldn't worry just put out more heartless and that'll get them! HA!!!!

Black doom: yes, but we'll lose many of our soldiers if that doesn't work.

Black figure: he's right.

Black doom: so if all the rest fails to get those fools its up to you to annihilate them. Got it?

Black figure: yes, master... *disappears*
