Chapter 1 - starry night

2

1 - starry night

a single star of firey light,
danced across the sky,
sending thrills of sure delight,
soaring spirits high,
the night burst forth this bright despley,
for people everywhere,
a star for them to dance away,
a star for them to share,
but dawn drew forth and quicky creased,
and pushed that star away,
it faded fast, for it decreased,
as night gave forth to day.
