# 1 - Pizza, Pizza, Pizza

Teen Titans Spiderman 2

Chapter One: Pizza, Pizza, Pizza

"He stares at me every day...with that freakish little gnome like stare of his..." Jinx said, looking at a billboard with Fry's face across it, "Who am I? I am Spiderman, and I have a job to do. ...A part time job. At Mario's Pizza Palace. Speaking of which, I'm late for that job o.O"

Jinx quit talking to herself and jumped off the building that she was sitting on in a cool pose. She swung across the city, because she's Spiderman and she can do that.

BLAH, BLAH, BLAH, AT MARIO'S PIZZA PALACE!

"JINX," Her boss, Aqualad, yelled as she walked in Mario's Pizza Palace, "YOU'RE LATE AGAIN?"

"Damn it it's not like anyone orders the sick food here anyway -.-" Jinx said.

"Fool! We got a call from some fancie place, and they want 15 pizzas! FIFTEEN JINXYPOO! And they want it by 3:00, so you'd better get half way across New York City in 10 minutes, OR YOU'RE FIRED!"

Aqualad said 'fired' with such passion and intensity.

Jinx stood there for a moment.

"...GO!"

She grabbed the pizzas, ran outside, jumped on that spiffy little scooter thing of hers, and took off down the busy street.

Before she even knew what was going on, her bad steering had crashed her into a parked car.

"...huh...you know, I guess I could like...swing there... I mean, I am Spiderman, I have these options..." she said to herself.

So she grabbed the pizzas, ran into a dark alley and changed into her home-made Spiderman outfit.

She swung from building to building as the people stared and wondered how it could be that if Spiderman liked pizza so much, she wasn't fat and lazy like so many other people in New York.

BELOW HER she saw two chitlins playing in the street, their jackass parents nowhere to be seen.

"...Damn it! FROGGER IS FOR THE COMPUTER!!" Jinx said. She set the pizzas atop a building as a big @\$\$ truck came toward them; she swung down and grabbed the little boogers.

"OW!!" Jinx screamed as the girl bit her, she threw the chitlins down into the grass and went back to get the pizzas.

Some fat guy had gotten onto the roof and was eating one of the pizzas already.

"o.O HEY!" Jinx dog slapped him and snatched the pizza from him. She stuffed it back into the box, trying to spread it out so it looked like it had been untouched.

Blah....blah....blah....OK AT SOME FANCEH PLACE

Jinx came in the door in her Spiderman outfit. After all, why should she take the time to change, honestly; I wouldn't have.

She went up to a lady at a desk and set the pizzas in front of her, “:D YOUR MARIO PIZZA PALACE PIZZA MA’AM!”

The woman looked at the clock behind her; 3:01.

“...You're late. I'm not paying.”

Jinx stared, “....dog I'm Spiderman.”

“Yeah. I noticed.”

“NO I DON'T THINK YOU DID, SEE, I AM SPIDERMAN! GIVE ME MONEY ;-;”

“NO!”

Jinx took a deep breath like she had learned to do in anger management, and left.

BACK AT HER WORK

“You're fired.” Aqualad said.

“COME ON MAN! IT'S NOT MY FAULT!!” Jinx complained, “THAT WOMAN WAS TOTALLY PMSING!”

“I don't care, you show up late, you deliver pizzas late, YOU'RE FIRED.”

“Come on ;-;” tears filled Jinx's eyes, “Just one more chance??”

Aqualad took a deep breath, and sissy-slapped her, then ran away crying.

“...well I still have that photography thing...”

### CHAPTER TWO: A Superhero's Party Life

#### AT THE NEWSPAPER PLACE THING

Motsuwa sat in his chair with his feet on his desk, "Jinx you're fired."

"WHAT? What for @\_@" Jinx asked.

"A dog licking his balls? Two guys making out in the park? DAMN IT I DON'T PAY YOU TO BE A SENSATIVE HORNY ARIST WOMAN I pay you because Spiderman will pose for you."

"Well I won't pose for me anymore YOU TURNED THE WHOLE CITY AGAINST ME! I mean her o.O... and she...that is..." Jinx said.

"I'm just selling the truth, Spiderman was always a menace and the world needs to know." Moto said.

"She's not a menace! ;-!" Samara said, who had been pacing back and forth in front of a window in the office for some reason, by the way.

"Shut up Samara, I don't pay you to talk. AND JINX I TOLD YOU, YOU'RE FIRED, GET OUT."

Jinx went to leave, when Speedy busted in.

"SIRRRRR! We need a photographer for your daughter's.... astronaut..... ceremony....thingy...." he said.

"OH YEAH Jinx you're unfired."

Jinx sat back down.

"Ok you've gotta come with me whatever day that thing is to go to take pictures of my daughter's thing-a-mah-jig. ...Wow that didn't come out right @\_@" Motsuwa said.

"Can I have my pay check?" Jinx asked.

"Yeah whatever, go talk to Hermes." He replied.

Jinx left Motsuwa's office and went to see Hermes.

"HERMEEEEEEEEEES!!!" Jinx said, "Give me mah money!"

Hermes typed and what not, "Oh, sorry Jinx, but you asked for both your paychecks in advance last month so you don't get one now."

"...frack! Wait can someone really do that .\_" Jinx said.

"Awwww, it's ok." Hermes got up and hugged her.

Jinx glanced back and forth, "...Um...O.o"

"You just take care now, Jinx, with your big pink hair..."

"..." Jinx left.

Jinx went down the street, on her way to class, when she tripped over a bottle and dropped all her shoot.

"ORIFUKE!!" she said, picking it all up. The people around her gasped at her foul language.

"Jinx?" said a voice.

Jinx looked up and saw her teacher, that Brother Blood guy.

"o.O MR. BLOOD! Hi! I was just on my way to your class ^^"

"My class is over Jinx. That's why I'm standing here. Use common sense, gawd."

"v.v I wanna be in class, I really do, \*cough: not\* but, I have better...I mean, other things to do."

"You're brilliant Jinx." Brother Blood said, "The best student I have. BUT YOU'RE LAZY! And I need

that paper you're doing on Dr. Octavious by next Monday or I'm failing you. Now get out of my sight." Brother Blood walked past her.

Jinx decided to go to her Aunt's House for SOME REASON.

## AT HER AUNT'S HOUSE

Jinx went into her Aunt's house and flipped on the light switch.

"HAPPY BIRTHDAY!!!!!!!" Fry, Aunt MonkeyAngel, and Blackfire yelled.

"AHH!!!" Jinx clutched her heart for a moment,

"Whose birthday o.O"

"...Yours..." Blackfire said.

"Wow...three people at my party, and I'm related to one of them...aren't I just too popular..." Jinx said.

"Yep!" Fry hugged her.

";D Ohhhh, my spidey-sense is tingling..." Jinx said.

"Huh?" Fry looked at her strangely, "Ok...well, if it starts tingling down your arm tell us, 'cause you might just be having a heart attack."

"I'LL GO CUT THE CAKE! :D" MonkeyAngel said, "Fry come with me for unknown reasons."

Fry followed her into the kitchen as Blackfire came up to Jinx.

"Long time no see." She said.

"Indeed." Jinx replied.

"How's the bug these days?"

"...huh?"

"...Spiderman... I was just trying to be clever @\_@"

"OHHH you know you should get over that whole, she killed your faja thing..." Jinx said.

Blackfire scowled, "NEVER! I WILL HAVE MY REVENGE! My mother never did anything ;-;! Including take me to the park...or come on my school field trips...or....NEVERMIND she was innocent! And Spiderman WILL pay."

"Yeah well CHANGING THE SUBJECT I'm doing a paper on Dr. Terra Octavious ^\_^" Jinx said.

"REALLY I'm going there to see her fusion invention thing tomorrow, or the day after tomorrow, OR SOMETIME, sooo, WANNA COME MEET HER?" Blackfire asked.

"YESH! :D"

The night went on I guess. And LATER. ....
