# 1 - The Signs... OH NOES

I'll probably add to this later on, so... read on, you crazy fans, you.

- 1.) You try to style your hair like Ren's, Horohoro's, or (dear God) Ryu's.
- 2.) You are broke because you spent all your money on hair gel.
- 3.) All your sketchbooks and notebooks are filled with Shaman King fanart.
- 4.) You dye your hair the color of your favorite character's hair (Poor Lyserg fans...)
- 5.) You go everywhere dressed like your favorite character, even if he/she is an X-Law.
- 6.) You attempt to bring your dead lover back to life.
- 7.) You spend so much time attempting this that you have huge dark bags under your eyes.
- 8.) You wear a string of 1,080 beads.
- 9.) You believe you can bind spirits with said beads.
- 10.) You spend ridiculous amounts of money on Shaman King merchandise.
- 11.) Whatever merchandise you bought is your most prized possession.
- 12.) You abuse your boyfriend and call it "Shaman training."
- 13.) You think the Patch were a real tribe.
- 14.) You look them up.
- 15.) Whenever you think of anything Chinese, you think of Ren.
- 16.) Whenever you think of the Ainu, you think of Horohoro.
- 17.) Whenever you think of Germany, you think of Faust.
- 18.) You consider visiting your favorite character's homeland for no particular reason.

- 19.) You spend your free time practicing integration, even if you can't see ghosts.
- 20.) You like calling everyone around you an "amateur."
- 21.) You carry with you a ginormous dictionary.
- 22.) Ghosts are your only friends.
- 23.) You have a Shaman King doll and you talk to it.
- 24.) You have a Shaman King doll and you read Shaman King manga to it.
- 25.) You point out to the doll the parts where they are in the story.
- 26.) You made the doll yourself.
- 27.) Your ears perk up every time you hear "octopus fritter" because Ren, once, ate octopus fritter in book 9 (even though it is never mentioned again in the books.)
- 28.) You wish you had an outie like Joco's.
- 29.) You hate 4Kids with a passion for what they did to the Shaman King anime.
- 30.) You consider writing a letter to Hiroyuki Takei telling him how much you LOVE the books.
- 31.) This is why you wanted to learn Japanese.
