## 1 - the life of a girl

Well as any story starts out with a beautiful young girl. right? Well not in this story . This story begins with a girl named Haley and all she does is talk about this one boy every day and after a while it gets very old right. Well one day her friend Sam (girl) tells her to stop and she does then she tells her other friend Aymie and then Aymie tells Sam to shut up and she gets all up in her face and tells Sam that they don't tell her to shut up when she talks about any one she likes but she doesn't like any one. Then on the way to art Mariah tells Sam to shut her mouth and to mind her own buissness but evern though it was her buissness in the first place and all Sam did was ask Haley to stop talking about him just for a little while and then everything just blew way out of perportion and now Sam fells like she hasn't got ay real friend even though she does have 30 really great friends and they really care about her and they will always treat her with respect and she will to them...
