However, I can provide you with a list of [well-regarded](https://mykitchenspoint.com/best-lawn-mower-under-500/) lawn mowers that were generally considered good options under \$500. Keep in mind that new models may have been released since my last update, so it's a good idea to check current reviews and product specifications for the latest information. Here are some options to consider:

[ol]

[li]

Greenworks 20-Inch 3-in-1 Electric Lawn Mower:

[ul]

Greenworks is known for its electric lawn care tools. This mower is corded, so you'll need an extension cord, but it offers easy maneuverability and a 20-inch cutting deck.
