WHY ISNT ANY ONE LOOKIN AT ME?" my face was full of madness. " i dont know." she looked at me with concernness in her face. "so u too huh?" i aske with a lil more sternness. "no it- its not like that!" i looked away and walked on. " yea what ever." i turned the hall towards my second period class, and in, i sat down and took out my drawing sketch book and doodled in it. My friend chris sat next to me. " you ok?" a bit of concern in his face. "im fine!" i looked at him and fixed the collar of my kimono. "why do u care?" he gave me a smile and a sly look after that. " because i love u." i looked at him my eyes went wide and my face a lil embaressed. " u love me?" he smiled again "yup!" i looked away and got ready for another lecture. after sex ed i left outside to the cafe and waited for my only two friends. lauren and chris. lauren turned to me and smiled, i looked back and made a face of caution. "why are u smiling at me?" she made a chessy grin and laughed "live life a lil veronica-chan be happy ^\_^." chris grined and walked to me. his hand sliped into mines.
