**Chapter 1 - Faded**

## 1 - Faded

Faded

As the time passes by  
Will you keep me safe?  
Will you tell me it's alright  
Even though the sky seems dark with pain?  
O will you run away?

As I slowly get encircled with darkness  
Will you stay by my side?  
And lead me toward the light?  
Will you castaway the horrible memories  
that have scarred my wandering heart?  
Or will you leave me to die  
And fade slowly away.

As I fade in to the night sky  
Will you stay with me till I fully leave this world?  
Will you keep me in you heart forever?  
And sit down with me one last time  
Or will your memories  
Slowly fade away  
Into the air  
And disappear  
Forever...
