1 - Untitled

Wet ground beneath our feet
As we run to a steady beat
But why we run we do not know
We only know which way to go
But as the monsters draw so near
The others and I begin to fear
For who are we to be so bold
To go against what we are told
In an attempt to find a place
Where They don't rule the human race
We don't know if one can be found
But to the White Mountains we are bound
For there is one thing that drives us on
One thing we know can never be gone
And so we'll run until the day
We can defeat the Tripod's way
Though many will the Tripods kill
We can pull though because there is still
Hope.

(AnimeGuys4Me: I love the Tripod Trilogy...Beanpole is awesome!)
