1 - Untitled

This is a funny little conversation that will never happen, because I made it.

Yoh had just finished training and walked over to Anna

Yoh: Anna? Can I go order some pizza?

Anna: Fine. Order one for me too.

Yoh: Okay.

Yoh walks over to phone and dials the number

Pizza guy: Yo! How can I help you?

Yoh: *gasps* How did you know my name?

Pizza guy: I didn't know your name was "yo."

Yoh: Then, why did you say my name when you answered the phone?

Pizza guy: I was saying "yo" as in slang for "hi", spelled y-o.

Yoh: Hmm...I always thought my name meant "leaf"

Pizza guy: *he's really pissed off right now* The "Yoh" means leaf is the "yoh" that's spelled Y-o-h. Geez!

Yoh: Oh, okay then.

Pizza guy: *trying to calm down* Are you going to order your pizza now?

THE END

I hope you like it, I'm not very good at writing. Please comment.
