# 1 - Untitled

Poetry faded from my heart

My pen on the desk

Not touched for years

My poems burned

Burned in the flames

Of a shadow realm

My heart made me promise

To never make

All those words again

The words

Abused and ugly

On the paper

A poem

The story

Trown away

The last time

A last second

To touch the pen

Then ...

My words flow over

As tears in a tiny cup

The promise has been broken

All proud forgotten

Dry, my tears, dry, this is the best for us

A new poem written

Ashed brought together

A pen, used again after all those dark years
