Chapter 4 - A Run in with Dib (literally!)	15

1 - The new student: Kat

InvaderKat01: A girl with purple hair, black pants and boots, and a purple and black striped shirt walked into Ms. Bitters's classroom and stopped at her desk, handing her a piece of paper. The paper said that she was a transfer student. The girl had emerald green eyes, which darted around the class, looking at each individual. (XD go)

IAMZIM100: Ms. Bitters arose from her seat as she took the girl's paper. She loomed over the girl. "Class, we have a new student, overloading our school, once again... Her name is," Ms. Bitters flipped over the paper. "Kat. Kat? Say whatever you would like to say to the class right now, because from here on in I WILL NOT WANT TO HEAR ANOTHER PEEP OUT OF YOU!" Ms. Bitters hissed, then slithered to her desk. The class stared at Kat. Dib slumped in his seat as he glanced to Kat, and then to Zim. Zim looked up from his

IAMZIM100: pencil, which he was fiddling with this whole time, and looked up to Kat. "*Pathetic, unknowledgeable human...*" Zim thought to himself as he blinked slowly at the new girl. Zim looked to his desk. He snatched his pencil and continued to fiddle. (go)

IAMZIM100: (xD yay just how i wanted it)

InvaderKat01: (XD)

IAMZIM100: (how bout u)

InvaderKat01: (yay!)

InvaderKat01: (tis starting out PERFECT)

InvaderKat01: Kat blinked and looked around the class. "Eh...im Kat...yeah...i like drawing...and writing...that's about it..." She said looking to Bitters. There wasn't an open seat in the class. "Eh were am i supposed to sit...?" She asked. (XD go)

IAMZIM100: Ms. Bitters stood behind her desk. She scanned the room. Suddenly she pointed to Poonchy, in the front row. He sat between Zim and Aki. Aki sat next to Dib. "YOU!" Ms. Bitters yelled to Poonchy. "I'M SICK OF YOU!!" Poonchy cowered in his seat, shivering. Zim turned his head to Poonchy. Dib looked over to Poonchy also. "N-no!" Poonchy cried. Ms. Bitters pressed a big red button on her desk. Under Poonchy, the floor opened into a hole and Poonchy's desk plunged into it. He screamed all the way down. An empty

IAMZIM100: desk arose from the floor. "You can sit there, Kat." Ms. Bitters said as she slithered to her seat. Zim blinked as he looked at the empty desk. Dib looked out the window. (go)

InvaderKat01: Kat shuddered slightly and obeyed, sitting down in the seat, glancing at the floor every now and then. She then proceeded to take out her drawing sketch book, and worked rapidly on a werewolf pic. (XD go)

IAMZIM100: Ms. Bitters started to drone about how historians were too stupid to know that they were doomed. Zim slowly glanced to Kat. He glanced to her drawing. Zim took out an electronic pad from his ID pack. He started to jot as he kept glancing to Kat. "Humanabi-li-ties..." Zim slowly said in a low whisper. "Possible talents. Special Imaging may be exceptionally high...." No one in the class was paying attention to Zim's murmurs. (go)

InvaderKat01: Kat ignored him as she continued to draw. Soon she finished it, sighing. She then slowly took out her MP3 player and listened to it, no one in the class noticing. (XD go)

IAMZIM100: Zim looked to Kat. Blush crept upon his face as he stared at her oddly. "NO!! SHE IS THE ENEMY!!! ARGH! AUGH ARGH!" Zim exclaimed banging on his desk. The class turned to him. Kids turned to stare at him. Ms. Bitters paused her lecture. (go XD)

InvaderKat01: Kat glanced at Zim, one eyenarrowed and the other one widened slightly. She cocked an eyebrow. "...ishe okay...?" She asked the kid sitting next to her. (XD go)

IAMZIM100: Aki, who sat next to Kat shrugged. "Eh, he's always that way." She said turning to Dib and pointed to him. "He's not." Dib ignored Aki as he stared straight out the window. "NO I HAVE NO PROBLEM!...ehh...yeah." Zim said as he slumped in his seat. "KAT! Put that device away! We don't listen to music in class! This is a warning for you!!!" Ms. Bitters scolded, pointing to Kat's headsets. Zim turned to Kat. Aki poked Kat. "Wait, Dib is just as weird, my bad." Aki smiled. (go)

InvaderKat01: Kat jumped a little as Bitters scolded her. She reluctantly put away her music, cursing under her breath slightly. (XD go)

IAMZIM100: Zim blushed as he stared at Kat and jotted things down in his digital pad. "ZIM!" Ms. Bitters screeched. "GET UP IN FRONT OF THE CLASS AND READ THAT THING IN YOUR HANDS!" Ms. Bitters screamed pointing to Zim. Zim's head shot up to Ms. Bitters and chills ran down his spine. Zim nodded and hopped out of his desk. He got up in front of Kat's desk. His hands shook as he held his device. "Don't even TRY lying about what you wrote..." Ms. Bitters hissed and loomed over Zim. "Because I can read every word if you do."

IAMZIM100: "Ms. Bitters hissed more. Zim gulped. Dib turned around to face Zim and pointed at him as he snickered. The class stared at Zim. "BUSTED!" Karl yelled in the class. "Ulp..." Zim gulped as he looked to the class as he flinched. "Go on, ZIM!" Ms. Bitters spat. (go XDDDD)

InvaderKat01: Kat shot him a look, and then got out her drawing pad and continued to draw. (go XDDDDDDDDDD)

IAMZIM100: Zim opened his eyes from his flinching. Zim took a deep breath. "H-Human abilities: Possible talents. Special imaging may be exceptionally high...Ehh...Err...Girl...sitting next...to, Z-ZIM...is...beautiful..." Zim flinched. The class stared at Zim. Ms. Bitters sighed and sat down in her seat. (Go XDD)

InvaderKat01: (XDDDDDDDDDD)

IAMZIM100: (*covering eyes*)

IAMZIM100: (AAAAAAAAAHAA)

InvaderKat01: Kat cocked an eyebrow and looked over past his seat. There was a wall there, so she looked to her right. She then gave an expression similar to this: Oo; (XD XDXD GO)

IAMZIM100: Zim put his digital pad in his ID pack and sat in his seat and blushed as he glanced quickly to Kat and then glanced back to his desk, then to Kat and back to desk. "ZIM AND KAT SITTING IN A TREE, K-I-S-S-I-N-G!!!" Jessica yelled from the back of the class. "FIRST COMES Looooove-" Penny batted her eyelashes mockingly. "STOPPIT! STOPIT NOW!!!" Zim exclaimed as he turned to the popular girls in the back of the room. The girls laughed and pointed at Zim.

IAMZIM100: Zim clutched his head in shame. Dib stared blankly at the popular girls poking fun at Zim and Kat. "SILENCE!" Ms. Bitters screeched. The class went totally silent. Everyone looked at Ms. Bitters. Ms. Bitters continued her lecture. Zim banged his head upon his desk in shame. (go)

InvaderKat01: Kat just shrugged it off, not really caring. She did find it somewhat amusing that Zim banged his head against his desk repeatedly. (XD go)

IAMZIM100: Zim continued to bang his head upon the desk. "STOP IT ZIM YOUR BEING DISRUPTIVE!" Ms. Bitters yelled. Zim opened his mouth. "AAAAAAAAAAAAAAAAAAAAAAAAAUGH IT IS NOT TRRRUUUUUE!" Zim yelled shaking his fists in the air. "Alright, Zim, GET OUT OF MY CLASS! And don't come back until after lunch!" Ms. Bitters screamed, pointing to the door. Zim hopped out of his desk, saluted and triumphantly walked out of the classroom. "Hey that was kinda hot of Zim...the saluting...thing." Jessica piped up. The class stared at

IAMZIM100: her. "WHAT!? I MEAN...EWW IM JUST ,,whatever." Jessica said flipping her hair back. "YOUR SO COOL JESSICA!" A kid yelled in class. Jessica nodded like she didn't care. (go)

InvaderKat01: Kat rolled her eyes and continued drawing. Then, the bell for recess rang. Everyone jumped out of their seats and ran out the door like a stampede of cattle. Kat just put away her drawings and slowly followed everyone else. (XD go)

IAMZIM100: Zim walked around the school yard, pondering as the kids ran out to play in the yard. (go)

InvaderKat01: Kat walked out, glanced around and went to sit in a dark corner, her eyes glowing slightly as kids passed by. '....note to self...male of the human species are INCREDIBLY stupid...Females: full of sarcastic remarks, and popularity statuses....' she wrote down on her digital pad. (XD go)

IAMZIM100: Zim walked over to the bench Kat sat in. He looked around as if he didn't notice Kat. He whistled. (go)

InvaderKat01: Kat immediately put away the device. She then glanced at Zim, acting like he didn't even exist. (XD go)

IAMZIM100: Zim looked to Kat. "Uh...Hi, I AMZIM!...you're Kat, yes?" Zim said trying to strike up a conversation. (XD go)

InvaderKat01: Kat glanced at him. "...yeah...so...?" She asked. (XD go)

IAMZIM100: Zim smiled. "YES, so...I lied. What I write is entirely false and...Untrue, so eh...yeah, PATHETIC HUMAN WOOORM BABY!" Zim yelled as he jumped up upon the seat and pointed at Kat. "YOU ARE AN ENEMY TO THE IRKEN EMPIRE; THE TALLEST WILL PRAISE MY WORTHINESS OF BEING AN INVADER!" Zim yelled triumphantly and closed his eyes and grinned. He suddenly shot his eyes open and covered his mouth and looked from side to side. ((go)

InvaderKat01: Kat narrowed one of her eyes. "Lemme guess...that was also...LIES...?" She asked, imitating him but jumping up on the bench and shaking her fist. (XD go)

2 - Zim's progress....and BLUSHING!!

InvaderKat01: Kat narrowed one of her eyes. "Lemme guess...that was also...LIES...?" She asked, imitating him but jumping up on the bench and shaking her fist. (XD go)

IAMZiM100: Zim fell off the bench and landed on his back, in shock. His eyes were wider than ever. He crawled backwards slowly as he started to sweat and looked from side to side rapidly. (go XDDD)

InvaderKat01: Kat sat back down on the bench, snickering to herself. (XD go)

IAMZiM100: Zim uncovered his mouth. "AAAAAUGH!" He yelled in panic. He then pointed dramatically to Kat. "YES, YES LIES! I LIE!!!! I LIE I LIE I LIEEEE!" Zim yelled running around in circles as he waved his arms in the air. A girl playing hopscotch stopped to stare at Zim. (goXDDD)

InvaderKat01: Kat snickered more, and took out her sketch pad and began to draw another werewolf. (XD go)

IAMZiM100: Zim suddenly banged into the brick school wall. "YEOW!" he yelled in pain and fell backwards and hit the floor, out cold. Dib passed by and smiled evilly as he pointed and snickered at Zim, unconscious. (go O.o)

InvaderKat01: Kat snickered too, but still drawing. She finally finished the picture, and then the bell rang for them to go back to class. She jumped up and headed back in after everyone else. (go)

IAMZiM100: Zim still lay on the playground floor out cold. Gaz, playing her gameslave, walked on top of Zim and then walked next to Kat. "Hey, newkid...um, do you have any batteries?" She asked as she turned her head to Kat. Gaz looked behind her, to Zim, still laying there, looking dead. (go XD)

InvaderKat01: Kat blinked and nodded, handing Gaz 4 batteries. "there ya go..." She said. (go)

IAMZiM100: Gaz raised her eyebrows and slightly smiled. "Thank you, er..." Gaz opened an eye at Kat. (go)

InvaderKat01: Kat blinked. "...Kat..." she said. (XD go)

IAMZiM100: Gaz nodded as she took the batteries from Kat. "Right...Okay see ya...I guess..." Gaz shrugged, closing her opened eye, still with her eyebrows raised. Gaz walked ahead of Kat as she opened the back of her gameslave and threw her old batteries at the popular girls. The popular girls screeched as the batteries hit their heads.

IAMZiM100: (go)

IAMZiM100: (make it class time)

InvaderKat01: Kat snickered and followed her in, heading to class. As she walked in, no one noticed that Zim still was outside. (XD go)

InvaderKat01: (XD)

InvaderKat01: (poor zim...no one cares...*snickers*)

IAMZiM100: Ms. Bitters started to lecture as everyone took their seats. Dib looked over to Zim's empty seat. "Hey, if Zim doesn't come back ALIVE, that WOULD be nice." Dib smiled fiendishly. "Yes, well I'm sure Zim will be back after lunch,,,or whatever." Ms. Bitters nearly ignored Dib, b/c she was just plain sick of his voice. She then continued her lecture about doomed squirrels. (go XD yeah poor poor zim)

IAMZiM100: (:o someone should see if he's okay after lunch- HINT *HINT*)

IAMZiM100: (^-- WINK WINK WINKY)

IAMZiM100: (zim: NO ONE LOVES ME ZIM WISH HE WAS DEAD!)

IAMZiM100: (okay go)

IAMZiM100: (X)

InvaderKat01: Kat almost fell asleep as Bitters droned on. When the lunch bell rang, everyone left out of their seats and ran to the lunch room. Kat got a lunch, but when she sat down and poked it with her spork, it ate the spork and growled at her. She then grimaced and threw it away, it making an explosion as it made contact w/the other substances in the can. She then wondered outside to see if Zim was okay. She walked up to him cautiously. "Ehh..yeah okay...?" She asked, nudging him with her foot. (XDXDXD SPORK!!! go)

IAMZiM100: Zim didn't respond as he lay there pale looking. (go- what if he died? j/kxD)

IAMZiM100: (he no DIE!)

IAMZiM100: (XDDDDDDDDDDDDDDDDDDDDDDDDDDDDImao)

InvaderKat01: (XD)

InvaderKat01: Kat knelt down beside his 'lifeless' body. "EH....um...Zim-person..>?" She asked poking him. She then blinked and rolled him over, and put her ear to his chest to see if he was breathing. (XD go)

IAMZiM100: "Nngh....ergh..." Zim murmured as he slowly opened his eyes. Kat was a blur to him as he woken. "Ugh, Is Earth skool over yet?" Zim asked Kat as his vision started to come back. (go)

InvaderKat01: Kat blinked and stood up. "No...it's lunch period now..." She said. (XD g0)

IAMZiM100: Zim sat up and blinked a few times as he held his head. He stood up and wobbled a little. "Geeze, how long have I been laying here?" Zim asked Kat rubbing his head. (go)

IAMZiM100: *wobbled*

InvaderKat01: Kat blinked. "Um...since the end of recess...so about 30 minutes..." She said. (go)

IAMZiM100: Zim narrowed an eye. "Oh..." Zim unarrowed his eye. "Ah well." Zim shrugged and marched off, very Irken like to the cafeteria. (go)

InvaderKat01: Kat rolled her eyes and followed, but went back to Bitter's class. She sat in her seat and began to draw. The bell then rang. (go)

IAMZiM100: (NO)

IAMZiM100: (O_o)

InvaderKat01: (eh?)

IAMZiM100: (^)

InvaderKat01: (XD)

IAMZiM100: "ATTENTION ALL KIDS IN THIS SKOOL-ER... That was a false bell, you can eat your lunch and stuff.." The secretary announced on the intercom. Zim sat by himself at a lunch table and poked his food. "It's very odd... that human girl even CARED about Zim..." Zim said to himself in a low voice, narrowing his eyes. Suddenly, his eyes shot wide open. SWEET JUMPING JELLY BEANS!...." Zim exclaimed. "S-She's in love WITH ME!" Zim covered his mouth and then made a sickly noise as he flinched. "EWW!!" Zim gagged. (go)

IAMZiM100: (XD)

InvaderKat01: (XDXDXD)

InvaderKat01: Kat was still drawing in Ms. Bitter's classroom, oblivious to Zim thinking that she was

inlovewith him. She drew more werewolves, and dragons. (go)

IAMZIM100 signed off at 7:17:47 PM.

IAMZIM100: (im gonna make the daypass quickly i got something awsome planned)

InvaderKat01: (kk^^)

IAMZIM100: 15 minutes later, the bellrang. everyone came back to calssand Zim put away his orginizer. andhour later the dismissal bell rang when the clock above the blackboard showed 3:00. Zim hopped out of his seat while kids ran to jump out thewindow. Dib walked passed Zim and shot a death glare at him. "Man, I was hopingyou wouldn't come back ALIVE from your smashing 'HIT' against the skool wall,Zim..." Dib said almost spitting. Zim narrowed his eyes. "Yes, well it was a'smashing hit' huh? I really am

IAMZIM100: AMAZING!" Zim grinnedpointing to himself. "Oh shut up, Zim! No one cares." Dib said narrowing hiseyes as he walked out of the classroom. Soon, Zim walked down the stoop andonto the sidewalk. (go)

InvaderKat01: Kat had already walked outbefore him and was already walking home. Her house was only a few blocks away,so she didn't have to go far. (go)

IAMZIM100: Zim walked up to his doorstep and opened his door. Gir was laughing at the TV screen ignoring Zim. "Hello Gir, I will bein the base if you need me." Gir ignored Zim,who walked accross thecouch and into the kitchen. Gir was laughing like crazy at the puppet showbeing shown on TV. Zim sighed and shook his head. "Why do I evenbother?" Zim asked himself as he walked into his toilet and went down hiselevator. "I HAVE AN IMPORTANT SPEECH...thing for ALL THE INVADERSAND...FELLOW IRKENS AND ESPECIALLY THE

IAMZIM100: TALLEST!" Zim excalimed to himself as he walked into the making stuffroom. There was a console on the wall and Zim sat down infront of his consol as he cracked his knuclesand twitched his

antennae. His red eyes gleamed as he reached for the big blue button on the console. "NOW...to give the Irken empire a CALL OF AMAZINGNESS!" Zim yelled as he shook his fists. "Who are you talking to?" Zim's computer asked rudely. Zim shrugged. "Eh...Ahdunno." Zim said as he pressed the blue button.

(go-hey-

IAMZIM100: kat is an invader so she's gonna listen to what zim has to say to the tallests...dunworry she gotta call the tallest-i have a plan go)

InvaderKat01: (kk)

InvaderKat01: Kat walked home, and then after she walked in the door, her cat Tibby blinked up at her and then faded...leaving a little robot in her place. It smiled up at Kat. "Hiya, Kat!" She said waving. Kat smiled at her and pressed her necklace, and she too, faded away, leaving a Female Irken standing there. She blinked and shook her head slightly, antenna twitching. She had two antenna piercings in her left antenna, and she had Emerald Green eyes. She marched to a picture in her hallway, moved it slightly, and an elevator popped up, which she climbed into, and it led her to her base. She jumped in a seat in front of her computer console and rapidly tapped keys...(go...should she call the Tallest? Oo)

IAMZIM100: (yes)

IAMZIM100: (typing**)

InvaderKat01: (kk)

IAMZIM100: At Planet Irk, there was a whole stadium looking kinda place. There were many big screens, which on top had digital labels that had the names of the invaders on it. The audience was the Irken empire in seats. There were as many Irkens there as there were when the great assigning was, a long time ago. On a high stage there was the tallest, Red and Purple talking to the Irkens. "And SO, Invaders, We're having this GREAT MEETING so that we can laugh at Zim's HIRRRIBLE PROGRESS!!...and stale doughnuts..."

IAMZIM100: the purple tallest said aloud and the audience cheered. many of them were holding up signs that said "ZIM ROCKS" and another that said "Marry me Invader Zim" "ZIM'S SO HOOOOOOOOOOTT!" A random female Irken screamed among the audience. "ZIMSSOO FREAKIN' COOL!" A guy yelled from the balcony of the seats. Purple narrowed his eyes and looked to Tallest Red as invaders one by one appeared on their respective screens, besides for Zim. (go)

IAMZIM100: (XDDD *excited*)

IAMZIM100: (gawd ppl love Zim)

InvaderKat01: Kat finished typing, and she too, appeared on the screen, and everyone cheered as they saw her. Some guy cat-whistled when she came on and Kat felt blush creep across her face. (XD go)

IAMZIM100: Purple nudged Red in the arm, who was sucking on a brainfreezy, spacing out. Then Zim appeared on a really large screen. There was a roaring of cheering and the stadium shook with cheering as Zim came on. Zim smiled confidently at the audience and then looked at each of his fellow invaders. HEYLOO EVERYBODY, INVADERZIM HERE! MY TALLEST, so glad to see you, I am ZIM!" Zim yelled as he shook his fists in the air and his antennae twitched. The crowd roared much louder than before. Invader Skoodge applauded.

IAMZIM100: (go- you controll red)

InvaderKat01: (kk)

InvaderKat01: Red blinked. "Ah yes, thank you Invader Zim!" He said, tossing his brainfreezy into the trash. The control Irkens dove for it and made a huge pile of themselves. The audience cheered and roared even louder now that Red had acknowledged Zim. (XD go)

IAMZIM100: Zim smiled at the audience. "Yes, Yes, thank you audience, that I quite enough, I must hear the tallest. Thank you." Zim said as he then eyed Kat. "Err- My tallest?" Zim asked as blush crept upon his face. "Is there a new invader that you have added to the INVADERS?" Zim asked, eyeing Kat. (go)

IAMZiM100: *is quite

InvaderKat01: Red blinked. "Whyactually yes... There's Invader Diamond..." he said gesturing to a FemaleIrken with blue diamond-like eyes. She smiled and waved at the audience, whocheered. "...and we have Invader Mitch..." He said pointing to a maleIrken with Orange eyes, who saluted. Some of the girls in the crowd sigheddreamily. "...and Invader Kat..." He said pointing to Kat, whoblinked and smiled sweetly and saluted. Some of the male irkens cheered, and the girls too. Invader Mitchlooked to up and saw Kat and smiled and waved at her. Kat looked down and wavedback smiling. (XD go)

IAMZiM100: Zim blushed at Kat andthen shook his head off. "well, anyways youwanted me to show you something correct, my tallest?" Zim asked tiltinghis head. "YesZim, we certainly would! We would like to see your progress today!!!!"Purple smiled and collapsed his hands together. He then poked Red and thenleaned to him. "I can't wait to see how much stupid things he dosei n a day!" Purple snickered. The audience stayed scilent in interest of watching whatverthey had to Watch. ZImnodded on screen. "Yes, well

IAMZiM100: NOT MUCH happened today onEARTH, but ehh. Here I'll show you...One sec..."Zim said as he took a wire from under his console and attached it to his IDpack. He then pressed a button on his console and the wire glewneon green. On Zim's screen, Zim disapeared.The screen showed Zim sitting in Human disguise in class. Then Kat walked intothe room. "EH TOO BORING..." Zim yelled in the background. The crowdstared at the screen with interest. Then on screen, in the classroom Kat tookher seat. (OMG XDD GO)

She glanced around and looked down at Mitch and whispered something tohim. His eyes widened and he looked up at her with a 'YOur kidding me!' look. She nodded and sat back inher seat. She chose not to say anything, not yet....unless she could help it.(XDXD go)

IAMZiM100: Zim pressed a button onhis console and the screen showed him again, live. "EHH...." Zimlooked around nervously. "PUT IT BACK ON ZIM!" Purple excalimed. Zim shook his head. "BUTIT'S NOT INTERESTING!" Zim excalimed,blinking at the audience. "YEAH PUT IT BACK ON!" Some guy yelled out in the stadium. Zim rolled his eyes and pressed a button and thescreen resumed. It showed Zim walking to the front of the class. Then readinghis embarrassing notes he wrote on his digital padthat day.

IAMZiM100: ." H-Human a-abilities: Possible talents. Spacialimaging may be e-exceptionaly high...Ehh..Err...Girl...sittingn-next...to, Z-ZIM...is...beautiful..." Zim pressed a button and thenclenched his fists. "IT IS ALL LIES BY THE WAY!!! Whatever Zim said onEARTH is entirely NOT TRUE!" Zim excalimed.Purple narrowed an eye and bluged the other and thenlooked to Red .(Go xD)

InvaderKat01: Red was having troublecontaining his laughter. Soon he erupted with laughter, and when he did, theaudience also laughed. Even the Invaders onscreen laughed. Kat, being as goodof an actress as she was, pretended that it was someone else, and irrupted in laughs just like her friends and fellowinvaders. (XD go)

IAMZiM100: Zim blinked. "Yes,Yes I AM THE MASTER OF COMEDY!!" Zim excalimed.The crowd then turned their laughter into cheering. Zim nodded and thenresumed the screen to his day on earth. The audience watched with greatinterest. Zim's screen got up tp the part when Zimsat on the same bench as Kat and then whistled. Then after Zim did his yellingat Kat about him being an invader and mentioning the tallest, zim paused the screen and the screen resumed to him. There was along scilence.

"Uh, heh heh-I uh...A little

IAMZIM100: *humas

IAMZIM100: *humans

InvaderKat01: Red's eye twitched."...let's hope you're right, Zim..." He said shaking his head."Eh, Let's hear it for Invader ZIM!" Red yelled. The crowd cheered and applauded, and some even chanted Zim's name. Kat and her friends looked at each other and giggled slightly. (XD go)

IAMZIM100: Zim looked to Kat. "Ehh..heh..HEY I don't have YOUR number in my phone book...ehh. CAN I HAVE YOUR NUMBER!?" Zim asked blushing pointing to Kat. (GO XD)

InvaderKat01: The crowd burst into laughter, as did the other Invaders. Kat's female friends burst into a fit of giggles. "aww wait to go Kat!" Leanne said smirking at Kat, who was blushing, and slowly sinking in her chair. Mitch looked up at her and laughed. Kat glared at him. "Shut it Mitchel..." She said. He just laughed harder and fell out of his chair. That got Kat and the others to laugh. He then shakily got back in his chair, blushing."Heh we love ya Mitch..." Kat said smiling at him. (XD XD XD aww!! go)

IAMZIM100: Zim looked at the newer invaders and blinked obliviously. "EHH!?" he asked. Purple looked around, spacing out. (go)

InvaderKat01: Red giggled slightly and nudged Purple. "Looks like Zim likes someone..." He said mockingly. (XD go)

IAMZIM100: Zim looked around obliviously as he blushed. "Uhh..I kinda GOT TO UH...go...OH yes and here's my number. Zim shut off his screen and his number appeared on screen. Purple stuck out a tongue in disgust. "I really wanted to see him screw up." Purple said tilting his head. (go)

InvaderKat01: Kat sunk low in her chair and she said good-bye to her friends and signed off. After she did so, she groaned and started to bang her head against her console over and over again. (XD go)

IAMZiM100: Zim smiled. "Earth...that stinky planet far FAR away from ours." Zim said almost in disgust. (go)

InvaderKat01: Kat shook her head. "No...but...earlier, like...a few weeks ago i asked out someone..." She said. (XD go)

IAMZiM100: Zim sighed and looked down. "Okay...Look I got to go...bye." Zim sadly sighed and weakly saluted. The screen turned off. (go awww man poor zim)

InvaderKat01: Kat felt horrible now. "uh okay...,bye...." She said after he had signed off. She turned around and called the guy she had asked out....and it happened to be Invader Mitch. "Hey Mitch...um...need an answer, from ya..." She said. Mitch sweatdropped. "Eh..." Kat smiled. "It's okay if ya wanna stay friends...just as long as you call me and we SOMEHOW keep in touch..." She smirked. Mitch nodded and saluted. Kat laughed and she saluted back and signed off. (go)

IAMZiM100: ~NEXT DAY AT SCKOOL~ the bell rang. Zim sat in his seat, in disguise of course, DUH. And looked around the room. He had a sulk look on his face. (go)

InvaderKat01: Kat walked in and sat down. In her disguise of course also. (doy...XD) She then glanced at Zim. "Eh...what's wrong?" She asked. (XD go)

IAMZiM100: Zim looked to Kat sadly. "Uh...this gril turned me down...yesterday...OHWHAT DO YOU CARE. I hate humans and I wish not to talk to you." Zim said as he slammed his head against his desk. (go)

InvaderKat01: Kat laughed and smiled sweetly. "Aww darn it..." she muttered, snapping her fingers. (XD too cute!)

IAMZIM100: Zim pointed to the screen at Kat. "KNEW IT I KNEW IT WAS YOU, MWAHAHAHAHAHA! ehh...okay that laugh doesn't fit..." Zim looked to the side, as he interrupted his maniacal laughter. (go)

InvaderKat01: Kat giggled and she smiled sweetly. "heh yeah...so...where shall we meet?" She asked. (go)

IAMZIM100: Zim cracked a grin. "Hey we see each other at that stinky earth school every day, so uh, wanna hang out and stuff?...err...you KNOW you are the first person I HAVE EVER asked out. SO FEEL HONORED!" Zim said confidently as he blushed. (go)

InvaderKat01: Kat rolled her eyes and laughed. "okay okay...I AM HONORED!!" She exclaimed dramatically, imitating Zim. (XD go)

IAMZIM100: Zim laughed and blushed simultaneously. "Your just too cute...like Pipi the hamster...ehhh an old class pet I made into a monster...one time in Biter's class." Zim said smirking. (go)

InvaderKat01: Kat blinked. "Eh yes...I remember the Tallest laughing and telling me about it...i couldn't really understand them...Purple had donuts in his mouth, and Red was...i think having a seizure..." Kat said, putting a finger to her lip. (XD go)

3 - Kitty-cat!!!!

IAMZiM100: Zim narrowed an eye. "You? Seizure?...ehh." Zim looked behind him as things quietly beeped in the background. He looked at the tanks of fluid, bubbling, then he turned around to face his screen. (go)

InvaderKat01: Kat shrugged and shook off the thought. "eh anyway..." She said blinking. "So.....um...turns out that you liked me fast, eh?" She asked leaning on her console looking him in the eye, smirking slightly, fangpoking out. (XD go)

IAMZiM100: Zim blushed. "YUP! Zim truly liked you fast. Uh huh." Zim nodded. "I usually don't pay any attention to female invaders and whatnot. I just eh...DIDN'T CARE BECAUSE I WAS BUSY...And ehh, I was gonna try not to pay attention to you anymore in school b/c the thought of LIKING a human seriously DISCUSSTS ZIM!!" Zim yelled out shaking his clenched fist. (go)

InvaderKat01: Kat blinked. "...'kay...." She said. You could hear a crash and a loud yowling in the background and Kat jumped. "TIBBY!!" She exclaimed turning around fast. She turned back to Zim and gave him the 'onesec' gesture, and lept off her chair, almost feline like. (XD go)

IAMZiM100: Zim blinked blankly at the screen. He then squinted his eyes, trying to see what was going on in the background. "WHAT CHAWATCHIN?!?" A green dog jumped onto the console while eating a vanilla cupcake. "Nothing, Gir, I am talking to a-er friend-" "WHO YOU TALKING TO!?" Gir interrupted his master. "Some...Invader." Zim said looking the other way trying hard not to blush. "OOH..OKAY! Can I watch?" Gir asked sitting on the console facing the screen, in front of Zim. "Yes, Yes, Gir JUST GET OUT OF THE WAY!" Zim

IAMZiM100: yelled as he pushed Gir to the side so he can view the screen. (go)

IAMZiM100: (XD)

InvaderKat01: (XD)

InvaderKat01: There was some yelling and another crash. You could hear Kat's voice clearly, and her SIR unit, Tibby too. "...IDIDN'T MEAN TOOO!!!" Tibby wailed. Kat groaned. "Just don't try to EAT her AGAIN..." Kat said shaking her head and sitting back down in her chair. She breathed a sigh as Tibby sounded like she left. A calico long haired cat jumped up in Kat's lap and started purring. (XD go)

IAMZiM100: Gir pointed to the screen. "I WANTS ME A PRETTY KITTY CAT!" Gir exclaimed pointing to the cat excitedly. "I PUT A PIGGY BOW IN IT'S HAIR AND AND GIVE IN A BONE AND-" "GIR!" Zim exclaimed, as he cut off Gir's rambling. "Cat's have FUR...not HAIR. *SIGH* Just GO AWAY Your annoying Ziiiiiiiiiiiiiiiiim." Zim said as he pushed Gir. Gir fell backwards and fell off the console and hit the floor. Gir's dog suit made a squeak as it touched the floor. Gir happily walked away. "BYEBYE KITTY!! I WILL MISS YOU!" Gir

IAMZiM100: exclaimed waving at the screen, then skipped off to some other room. Zim stared at the screen blankly. "Uhh...Well that is one of my annoying companions..." Zim said pointing to the direction that Gir had left. (go)

InvaderKat01: Kat blinked. "Yeah...i can see that...well...the crash that you must have heard; that was from Tibby...the SIR...yeah...She got damaged when we crashed-er landed here on earth...for some reason, the Voot lost control and...heh you can guess the rest..." Kat said laughing slightly. (XD go)

IAMZiM100: Zim blinked. "Did you repair your voot?" Zim asked curiously. (Go)

InvaderKat01: Kat nodded. "Yeah, a few days ago..." She said. (go)

IAMZiM100: Zim nodded. "Okay, just checking." Zim smiled. "Ehh, how would I KNOW your really the same Kat in school?" Zim asked Kat. (go XD he doesn't make sense! he is being too cautious! bwaha- he

kinda knows she is the same kat from skool.)

InvaderKat01: Kat blinked and then sighed. "Will THIS help...?" She asked. She pushed a button on one of her antenna rings, and her disguise came on. (XD go)

IAMZiM100: Zim's eyes widened and blushed. He quietly nodded. He bent over and picked up his disguise from the floor. He held up his wig and lenses. "Look here!" Zim put on his wig and lenses. "I'm sure you KNEW already from that progress...speech...THINGY...meeting." Zim shrugged. (go)

InvaderKat01: Kat blinked and nodded. "Eh yeah...that AND when you...gave that speech in the skool yard yesterday..." She said. (XD go)

IAMZiM100: Zim slapped his head. "Note to self, NEVER DO THAT AGAIN!" Zim waved his arms in distress in the air. (go XD)

InvaderKat01: Kat smirked. "Yeah...might be a good idea..." She said. (XD go)

IAMZiM100: Zim chuckled. "Heh heh, yes yes." Zim said as he removed his disguise. "Zim's Idea's are certainly good...GOOD LIKE AMOOSE!" Zim exclaimed, taking out his purple human lenses. (go)

IAMZiM100: (XD)

InvaderKat01: Kat blinked. "...moose...?" She asked. "Why a moose?" She asked, toying with his head. (XD go)

IAMZiM100: Zim narrowed an eye. "BECAUSE A MOOSE IS GOOD FOR IT IS MOOSEY." Zim exclaimed as if he was trying to bring a SANE point. (go XD)

IAMZiM100: (we lub him right there)

IAMZiM100: (XD)

InvaderKat01: Kat blinked and narrowed one eye. "...okaaaay..." She said. Jasmine was purring louder, and kneading Kat's legs with her claws...unsheathed... Kat's expression was exactly like this: o,O; "YAAAHAH!! CLAWS!! CLAWS!! PAIN! HURT!!!! DISCOMFORT!!!!" She exclaimed picking Jazzie up and staring at her. (XD XD go)

IAMZiM100: Zim's eyes widened and his mouth opened, but no words came out. (go)

InvaderKat01: Kat set Jasmine back down, rubbing her right leg slightly. (XD go)

IAMZiM100: Zim looked around. "MEESES, MOOSES, MEESESZES?!" Zim exclaimed to the screen. (go XD)

InvaderKat01: Kat blinked and giggled slightly. "You're funny, ya know that?" She asked. (XD go)

IAMZiM100: Zim looked at Kat and tilted his head, confused. "Zim is NOT being funny, really I want to know, which one sounds better? Meeses? Meeses-es? Moose...yeah moose...ZIM IS NOT FUNNY!" Zim exclaimed, widening his eyes and shaking his fists. (Go XD)

4 - A Run in with Dib (literally!)

InvaderKat01: Kat blinked but said nothing. She looked around and sighed slightly. (XD sorreh...XD go)

IAMZiM100: Zim grinned. Then frowned. "That wasn't funny, right?" Zim asked Kat, pointing to her. (go)

InvaderKat01: Kat blinked. "Um...nonot really...heh..." She said. (XD sorry on da phone...XD im off now)

IAMZiM100: Zim grinned. "That is good." Zim then turned his frown upside-down.

"DEEDOODEEDOO!" Zim said doing a jig in his seat. (XDDDDDDDDDDDDgo)

InvaderKat01: Kat giggled and blushed. "Hehehe..." She laughed. (XD go)

IAMZiM100: Zim smiled, showing his jagged Irken teeth. "You're so perfect, you laugh when I want you to laugh... and when I don't want them... to LAUGH! No one does that for Zim!" Zim said grinning widely. (go)

IAMZiM100: (XDDD)

IAMZiM100: (he makes no sense my gawd)

InvaderKat01: Kat grinned too, showing her fangs. (XDDDD go)

IAMZiM100: Zim smirked. "AND- oh..WHEN I DON'T WANT THEM TO LAUGH!? I eh...Zim Make no sense." Zim said pointing to himself nodding. (go)

InvaderKat01: Kat giggled and nodded too. (XD go)

IAMZiM100: Zim's doorbell rang. "LOOKS LIKE SOMEONE IS AT MY DOOR." Zim said looking up to his ceiling and pointing to it. "Computer! Show me who's at the door?" Zim commanded his computer. "GO SEE IT YOURSELF!" The computer said in a peeved tone. Zim grunted. "SHOW ZIM OR I WILL UNPLUG YOOOU!" Zim said narrowing his eyes and pointing to the ceiling. The computer groaned. "Oh FINE!" It said angrily as a screen on a wall, behind Zim showed a familiar looking guy with red hair and green eyes and a rainbow on his t-shirt.

InvaderKat01: (AAAAAAH KEEF!! *hides*)

IAMZiM100: Zim turned around in his seat to face the computer screen behind him. "Filthy METEORS! It's Keef. What the heck is HE doing back here at my house!? I THOUGHT HE FEARED ZIM!!" Zim exclaimed shaking his fists as he hopped out of his seat. "I'm sorry, Kat, I have to go take care of KEEF, he's in our class... This... annoying human. Okay See ya!" Zim winked and waved as he accidentally forgot to turn off his computer and ran off to the upstairs of his house. The screen behind Zim showed Keef smiling holding a

IAMZiM100: present box.

IAMZiM100: The screen showed Zim, in disguise, opening the door and yelling at Keef. "I THOUGHT I TOLD YOU TO GET LOST!" Zim exclaimed. The sound came from the screen. "But Zim... This is not about getting lost! This is an apology present for you." Keef said aloud holding up his present. "ZIM NEEDS NO PRESENT!" Zim exclaimed. Keef smiled. "Just take it Zim!" Keef held up the present to him. "ZIM NEEDS YOU NOT TO BEFRIEND HIM!" Zim yelled, shaking his fist at Keef. Keef just smiled and walked away waving at Zim. Keef

IAMZiM100: ran off. "OH I HOPE HE LIKES IT!" he yelled to himself excitedly. Zim unwillingly took the present box. and closed the door and went inside. (go)

InvaderKat01: Kat blinked and looked around quickly as Zim came back. (XD go)

IAMZiM100: Zim hopped into his seat, out of disguise with the present box. "I Don't even want to KNOW what is in here." Zim said holding the box away from him. (go)

InvaderKat01: Kat shrugged. "Then just throw it away..." she said. (go)

IAMZiM100: Zim nodded and then got out of his seat, about to throw it away, but all of a sudden, Zim

quickly opened the box and took out what was inside of it. "ARUBBER DUCKY!?!?" Zim asked as he sat himself down in his seat, holding up the yellow rubber toy. Zim examined it. Then he took out a note out of the box. "Oh look a note...AHEM...*Dear Zim, WE CAN GO TO THE AQUARIUM, wanna go, huh? huh? wanna come? TELL ME AT SKOOL OR BETTER, sooner. Here's my number if you want to call me this second and tell me. Love, your*

IAMZIM100: *ONCE BEST BUDDY, Keef.P.S: Sorry about being annoying last time! I'll be the best un annoying buddy ever, so I make it to you with a rubber ducky!*" There was a long pause. (go)

InvaderKat01: Kat's eye twitched, and then she started laughing hysterically, and she fell off of her chair, just like Mitch did. (XD go)

IAMZIM100: Zim looked at the rubber ducky and then to Kat who fell off her chair. "What's so funny??" Zim asked narrowing an eye and bulging out the other. (go)

InvaderKat01: Kat was rolling on the floor in laughter. "It's just that-heheh-hehe- that YOU....pffffffft! We're friends with...hehe...KEEF....and he-giggle- gave you a little rubber DUCK!!" She exclaimed in laughter. (XD go)

IAMZIM100: Zim frowned. "I was NOT ever friends with any human before! I used him as a 'friend' so that I looked normal to the human socials at skool. They said it was 'inhuman' to not have friends. I used Keef, that's all. Then he got too excited about it, b/c the poor human didn't have any friends. Too bad for him. I forced him to go away from me, by giving him new eyes...and he didn't bother me ever since!...Now I don't know why he comes back..." Zim shuddered, putting the rubber duck down on the console, which

IAMZIM100: basically was a table. (go)

InvaderKat01: Kat was still laughing when she finally pulled herself up on the chair again, wiping a tear away. "Well, it just seemed....*giggle* funny...hehe..." She giggled again, but covered her mouth to prevent any more giggles. (XD go)

IAMZIM100: Zim sighed. "I got to go." Zim frowned a bit. "I have things to do." Zim said a bit sadly. (go)

InvaderKat01: Kat blinked. "Eh...'kay..." She said blinking. (go)

IAMZIM100: "Bye bye!" Zim slightly smiled and waved and shut off his monitor. (go)

InvaderKat01: Kat waved back and smiled as she did. She then shut off hers, and went elsewhere in the base. (go)

IAMZIM100: Zim then stared at the screen for 30 minutes. "You've been standing there for a HALF AN HOUR! Didn't you say you had things to do?" The computer asked. Zim nodded. "Yeah well I forgot." Zim said as he hopped out of his seat and went somewhere else in his base. (go make it the next day)

InvaderKat01: ~The next Day~

Kat walked into Bitter's class room and sat down next to Zim. She hid her MP3 player before Bitters could see it. (XD go)

IAMZIM100: Zim looked over to Kat and smiled. Keef, who sat behind Kat tapped Zim on the shoulder. "Hey Zim, can you come to the aquarium with me?" Keef asked happily. Zim grunted. "No." He said, turning to face Ms. Bitters. "Why not, Zim?" Keef asked frowning. Zim turned sharply to Keef. "BECAUSE I WISH NOT TO GO! I HATE AQUARIUMS!" Zim growled. Keef smiled. "Well maybe we can go somewhere else, like-" "KEEF! KEEP QUIET!" Ms. Bitters yelled at Keef. Keef nodded and sat up straight, looking at Ms. Bitters. Zim

IAMZIM100: turned to face Ms. Bitters. Ms. Bitters ranted a lecture about planetary explosions. Zim showed at least SOME interest. (go)

InvaderKat01: Kat could have cared less. She really wanted to know more about planetary IMPLOSIONS...and star implosions. (XD go)

IAMZIM100: Then the bell rang. "Okay class, you have art now." Ms. Bitters pressed a button and

theround desks emerged from the back of the classroom. The kids ran to the back of the class to take their seats. Zim sat at a desk by himself and took out some crayons and started to draw something with a black crayon. Zim was pretty engrossed with whatever he was doing. Dib sat at a desk with the popular girls and some other kids sitting there. "Oh no, Dib is sitting near us again! Common guys..." Jessica said as

IAMZIM100: she got up from her chair along with everyone else and went to another desk. Dib sighed as he narrowed his eyes. He took out his laptop and typed away. (Go)

InvaderKat01: Kat was sitting by Zeta and her friends, rapidly drawing and sketching... *siiigh* werewolves. But this time, she titled one, 'Me as a werewolf'. It was her best yet, and was VERY realistic. (XD go)

IAMZIM100: Zim looked to Kat and then to his drawing. He then colored his drawing. "HEYA BUDDY! WATCH A COLORIN'?" Keef said as he took a seat next to Zim. Zim ignored Keef. "HEY that's pretty good!... hey is that an Alien? HEY YOU DREW YOURSELF AS AN ALIEN! Dib would like that!" Keef said happily. Dib didn't bother looking up to see Zim or Keef, even though he heard them. Zim nodded. "Yes, nice isn't it... NOT THAT IT'S THE REALME, but yeah it's okay I guess." Zim said smiling as he started to draw another character

IAMZIM100: on the paper next to his Irk self-portrait. Keef went out of the class room with a hall pass. (go)

InvaderKat01: Kat was going to town so to speak, with her newly drawn werewolf self portrait. One of the girls sitting next to her glanced at it, and then 'eeped' and fell out of her seat. "N-nice drawing...." She stuttered out. Kat grinned, showing her fangs. "heh thanks..." She said. one of the girl's eyes bugged out while the other one narrowed. "...HEY...are you a Vampire?" She asked pointing to her teeth. "YA HEAR THAT?!?! THE NEW GIRL'S A VAMPIRE!!" Some kid yelled. (XD go...)

IAMZIM100: Dib's head shot up from looking down at his laptop screen. He stared at Kat and saw her obvious fangs. Dib walked up next to Kat. "IT ISN'T NORMAL FOR THE AVERAGE HUMAN TO HAVE FANGS LIKE THOSE!" Dib exclaimed pointing at Kat. Zim looked up from his artwork. "What's wrong with your teeth, KAT?" Dib asked, attacking Kat with his paranormal inquiries. (go)

InvaderKat01: Kat looked at him strangely. "...nothing..." She said (XD go)

IAMZIM100: Zim shot a death glare at Dib. "WILL YOU QUIT CALLING HER A VAMPIRE DIB! YOUR STUPID PARANORMAL STUFF IS...STUPID!" Zim exclaimed. Dib gave an odd look to Zim. "But I didn't call her a vampire." Dib shrugged. "DON'T DENY IT I HEARD YOU! YOU DID!" Zim exclaimed. "I didn't I was just asking... hey why do YOU care?" Dib asked Zim suspiciously. Zim gave a look that was like a 'deer in headlights' kind of look. Zim's eyes widened, then narrowed. "ME!? PFFFFTT, CARE!? THATS A LIE, DIB!" Zim exclaimed. Dib sighed.

IAMZIM100: "why do I even bother. FINE! KAT YOUR NORMAL!... I guess.." Dib said kicking his foot. "UNLESS YOU SUCK BLOOD EVERY NIGHT, THEN IT'S NOT!" Dib exclaimed pointing to her, then walking to his seat. Zim went back to coloring. (go)

InvaderKat01: Kat rolled her eyes, then got an evil thought in her head. She took her drawing and walked over to Dib, fangs gleaming as she grinned evilly at him. "...do you think this is good...?" She asked handing him the drawing. (XD go)

IAMZIM100: Dib looked at the picture. "Uh, yeah?... what is it?" Dib asked Kat. (go)

InvaderKat01: Kat blinked. "...a werewolf..... heh... how do you think I got so good at it...?" She smirked, leaning closer to him. (XD go)

IAMZIM100: Dib backed up. "Okay-OKAY! YOUR NORMAL! DON'T KISS ME OR SOMETHING!" Dib yelled flailing his arms in the air. Everyone stopped what they were doing, even Zim. Everyone stared at Kat and Dib. (go XD)

InvaderKat01: Kat's eye twitched. "...okay... EW... not even if you PAID me..." she said. That got everyone

in class laughing. Kat then turned back to Dib. "...how do you think i got so good at drawing them...? Werewolves i mean...i have to look at pictures of 'em.....that right there....look at the title..." (XD go)

IAMZiM100: "Then....YOU ARE AWAREWOLF!?!?!? Dib said asked scratching his head. Zim narrowed an eye, a bit confused.(go)

InvaderKat01: Kat just snatched back the drawing and snapped at the air, showing her fangs. She sat back down shaking her head and snickering to herself. (go)

IAMZiM100: Dib rolled his eyes. "My god, your weirder than ZIM!..." Dib said sarcastically. "If you want me to stalk you, I don't want your number," Dib said narrowing his eyes. (go)

InvaderKat01: Kat tried to contain her laughter. "Believe me, if you stalked me, i would kick...your...@\$\$. " She said. (XD XD go)

IAMZiM100: Zim started to laugh menacingly. The kids in class looked at Zim in horror as he laughed. Dib went to sit down quietly. (go)

InvaderKat01: Kat then did something that got the class to laugh harder. She turned and 'winked' at Dib, and then snickered and continued to draw. (XD go)

IAMZiM100: Dib shuddered and looked away. Zim pointed at Dib. "DIB IS A COWARD!! BWAAAHHAHAH!" Zim laughed. The class laughed along with Zim. (go make it lunch time)

InvaderKat01: The bell rang for lunch and all the kids rushed out, and Kat, Dib and Zim walked out. (XD go)

IAMZiM100: Dib walked in front of Kat and Zim. Zim looked up as he handed his drawing to Kat. It was of him and Kat as Irkens, holding hands, there was a heart drawn around them. the bottom of the picture there was a picture of an exploding ball, and next to it, it said 'imploding/exploding earth!'. Blush crept upon his face as he began to whistle. (go)

IAMZiM100: (XD aww yay!)

InvaderKat01: Kat glanced at him and blushed as she looked at the picture. She snickered as she saw the imploding/exploding earth thing. "Heh niiiice..." She said pointing to it smirking. (XD XD go)

IAMZiM100: Zim smirked. "You like it? Really? I'm horrible at drawing." Zim said looking away. (go)

InvaderKat01: Kat shrugged. "Yeah i love it...and it just takes practice..." She smiled. (go 0)

IAMZiM100: Zim smiled looking to Kat. "EXPLODY!" He exclaimed. "I like earth Explody." Zim grinned. Zim walked into the cafe with Kat. (go)

InvaderKat01: Kat blinked. "Eh sure..." She said. (XDXDXD go)

IAMZIM100: Zim mouthed a curse to Dib. Dib noticed Zim mouthing something foul to him. "HEY, SHUT UP, VIDEO GAMES IS BETTER THAN A quote unquote ROMANTIC DINNER." InvaderKat01: Kat shrugged. "Sure..." She said. (XD go)

IAMZIM100: Zim's teeth clenched along with his fists. Suddenly he grinned. "I have a big DVD selection at my house." Zim pointed upward. Dib narrowed an eye. "So?" Dib asked. "So, what?" Zim asked. InvaderKat01: Kat nodded and handed it to him. "sure..." she said. (go)

IAMZIM100: Dib looked through the book. "WOW your very talented. I can't draw for my life. NOT even if Zim had a laser to my head-" Dib stopped to look in front of him. He saw Zim glaring at him, creepy like. Dib shuddered and tried to ignore Zim. (go)

InvaderKat01: Kat narrowed an eye at Zim. "Eh thanks..." She said. (go)

IAMZIM100: A while later, they both came up to Dib's house and walked into Dib's living room. "Hi Gaz, This is Kat, from my class, Kat, Meet Gaz, my sister." Dib smiled. Gaz was on the couch. She looked up

from her games slave and opened an eye. "Hey..." She said looking to Kat and waved a bit, then resumed her game. Gaz raised hereyebrows. "Gee, since when did people actually like you?"
