this is a song that beastgirl wrote for Caninus because they had a fight about BB. Caninus ran away, and this song is about Beastgirl asking for forgiveness.

1 - come back caninus

Come Back, Caninus!

Why must it end this way?
Where did you go?
We used to be the best of friends,
This, we both know.

We said nothing would
ruin what we had,
Not even love,
I'm sure you felt left out,
and I hope you know,
that im regretting every thing I've said,
And I want you to come back home!

What happened to the
promise of staying together,
forever and ever,
and through every endeavor.

How I miss you!
Have you a clue of how I need you?
So we can laugh like the best of friends,
How i'd like to do that again.

Caninus, I hope you hear me,
Friend, I know you need me,
Our fight has gone too far,
Come back, Caninus, wherever you are.

Caninus, my helper,my partner,
my friend,
Come Back!
I don't want our friendship to end.
