Chapter 1 - My Only Love

2

1 - My Only Love

When I look into your eyes
I see things I wish I could deny
All the pain, the lies, and the sorrow
Things that makes me feel so low

But when you look at me
You say that I'm everything you wanted to see
When you touch my heart
I thought that you would rip it apart

But instead, you try to heal it back together
And for that I'm gonna love you forever
You're my only one
My moon, my star, and my sun

I wouldn't leave you
And I hope that you wouldn't, too
Because I know you love me
And you didnt want to leave

You know I care about you
And I know you care about me, too
So please don't go away
If you do, come back to me someday.
