Chapter 1 - listen

2

1 - listen

Listen

In the darkness once again

Once more filled with pain

I just can't take it anymore

Listen once, I implore

Please don't ignore

This look in my eyes

Don't you know that I cry

Even if I won't let you see

Everything you've done to me

You can't hear me shout

So I'm shutting you out

You never cared anyway

You always pushed me away

I can't believe

You dare call yourselves my family
