Chapter 1 - *~Angelic~*

1 - *~Angelic~*

An angel takes my breath away

This form of beauty hopefully will stay

The light of her heart, the darkness in her eyes,

Her calm, soothing voice tells me it's all right.

I know I'm okay, her love comforts me, and she gives me advice

Hope is the key. My heart rises up, from the pit of my soul

She hugs and loves me, I am whole.

An angel takes formation and flies.

I'm all right, as I stare in the night sky.

I feel warmth and hope around me,

And then I know...she hasn't left me.
