Chapter 1 - **Vamp**

2

1 - ****Vamp****

Her presence, it is lovely

But her soul is dark. She seduces you, loves you

She won't let go, her ways are evil, her ways are lying.

If you read this poem, you might be dying.

Her fangs, they sink, deep into your neck, your probably thinking,

What the heck?

She's a vamp, and you're so dumb...

Your fading away, as your soul goes numb
