Chapter 1 - My World

2

1 - My World

The world is nothing more
Than a mere union
Of all elements of nature.
I know this because
You are the wind
That lifts me up
And carries me to the stars.
I know because
You are the water
That sustains me;
That gives me reason to live.
I know because
You are the fire
That burns within me,
Warming my cold heart.
I know because
You are the earth
Which protects me
And makes me feel safe.
I know because
You are the darkness
Which gives me refuge
From the outside world.
I know because
You are the light
That shines before me,
Leading me to a path of greatness.
I know because
You are my world.
