Chapter 1 - Impossible

2

1 - Impossible

Transcend through
The doorway of reality.
Break free from this world
To which so many are bound.
Live by no mortal laws,
And listen only to
The rules of your heart.
Take a lesson from
The children of
The world.
Explore with your mind,
And never your eyes.
Dare to chase the wind
Reach out and
Touch your echo.
Catch the sunlight
Or sleep on a cloud.
Pull a star from the sky
And hold it in your hands.
Travel at the speed
Of darkness
Create the perfect mess,
Or organize a riot.
Outrun your shadow,
And take flight
Defy nature,
And choose to fall up,
To do the things
Called impossible.
Prove them wrong,
Prove forever
That the only things
Impossible
Are the ones you choose
To make so.
