Chapter 1 - Assisted Suicide

1 - Assisted Suicide

A bitter heart,
And a mutual disdain.
My soul cries out,
Screaming to the stars.
My dreams are filled
With pain and hate,
All because of you.
You say that you
Want to push me
From the highest tower.
That you desire
To hold my head
Beneath this fountain
Of tears, until
Not a breath remains.
That you want
To put that
Silver bullet
Straight through my heart.
You tell me
That you want
To take this rope
And pull it tight
Around my neck.
You long to
Take this stone
And ram it
Through my skull.
To take this blade
And pierce my soul,
To cut me deeper
Than ever before.
I have only
One question:
Are these threats
Or promises?
