*Well this one is, in my opinion, my worst one yet. But I felt bad for not putting anything up for a while. So bear with me, I'll have a better one up soon XP Please comment anyway XD*

**Chapter 1 - Difficulties**

# 1 - Difficulties

Human-kind has overcome  
Many obstacles,  
And made many  
Great accomplishments.  
The first step  
On the Moon,  
A footprint  
Immortalized.  
Miracles of medicine,  
Diseases destroyed,  
Lives saved.  
Wars finished,  
Lives lost,  
But freedoms won.  
And if all these things,  
Said to be impossible,  
Have been done,  
Why is it so hard  
To lend a helping hand?  
Human-kind has done  
Many things,  
Performed many  
Acts of faith.  
Soldiers  
Going into battle,  
With no fear  
Of consequence.  
Two people  
Getting married  
With belief in what  
The future holds.  
And if these decisions,  
These life-altering  
Decisions,  
Were made  
Based only on  
Faith,  
Why is it so hard  
To believe in  
A fellow man?
