## 1 - guess the song

I was gonna spell it out in full detail  
but, I dropped the call before I spilled my guts.  
But your floors stayed clean like my conscience will be.  
Cause if you heard anything, you didn't hear it from me.  
And I'm sweeping up the seconds that tick off the clock,  
and saving them for later when I'm too ticked to talk.  
And I need some time to search my mind,  
to locate the words that seem so hard to find.

sometimes I say things that  
I wish that I could take back.  
The most crucial thing I lack  
is a thing called tact.  
And if you're always so intently listening,  
then the smartest thing to say is to tell myself not to say a thing...

## 2 - guess the song 2

You're a regular decorated emergency  
The bruises and contusions will remind me what you did when you wake  
You've earned a place atop the ICU's hall of fame  
The camera caught you causing a commotion on the gurney again

Can't take the kid from the fight  
take the fight from the kid  
Sit back, relax  
Sit back, relapse again  
Can't take the kid from the fight  
take the fight from the kid  
Just sit back, just sit back  
Sit back, sit back, relax, relapse  
Sit back, sit back, bababada  
You can take the kid out of the fight

The I.V. and your hospital bed  
This was no accident  
This was a therapeutic chain of events

\* this is at the end of the song, if it helps :3

### 3 - guess the song 3

He glances at his peers sitting seven to twelve stacked  
On one to six the gallery is hushed  
Boys in three pieces dream of grandstanding and bravado  
The city sleeps in a cell notwithstanding what we all know  
Hang on a rope or bated breath  
Whichever you prefer

And everyone's looking for relief  
A bidding war for an old flame's grief  
The cause, the kid, the course, the charm, and the curse  
Not a word that could make you comprehend  
Too well dressed for the witness stand  
The press prays for whichever headline's worse

Case open, case shut,  
But you could pay to close it like a casket  
Baby boy can't lift his headache head  
Isn't it tragic?

okay, this one is TOO easy. :)
