Light and dark

On a dreary ,cold night with the moon shining bright, two figures wearing black cloaks with red clouds and hats on their heads standing on a rock watching travelers walking in out of the leaf village. It's quiet until one of the cloaked figures speaks. " Do you think we should show ourselves now, son" he shifts his eyes waiting for an answer ."No, i think it's not time yet" " anyway I dont want to introduce myself, until they find me" nodding the taller figure agrees" fine, for now lets go to the base." In a flash the two figures disappear leaving only gold streaks of light.

{ In konaha}

stores are already closing except for one , a ramen store named Ikarichi [dont know how to spell it]. Over the years its grown to be big enough for parties. Tonight its full of mostly teenage ninja known rookie 11 as formerly known as the rookie 12. Things have never been

the same since Naruto left. Every year the rookie 11 go to Icarichis ramen store to eat, the day before naruto left. Everyone sat quiet in the table, until lee broke the silence. "come on guys we can't lose hope, maybe naruto left to get sasuke, and will come back burning with the power of youth....yosh". "shut it Lee, we don't even know where he went" yelled kiba. "I feel bad, if i didn't call him a monster he'd still be here" sobbed sakura. "d-d-d-on-t -t w- w- orry n-n aru-t-t-o-kun will come back s-sak-k-ura" said hinata "i hope so" said sakura

[somewhere in the akatsuki base]

"leader-sama, leader-sama" shrieked a man in an orange, swirl mask. "leader-sama, where are you" he ran through the hallway frantically, with one more gasp of breath he yelled "LEADER-SAMA!!!" with no reply, but to get hit in the face by the door swinging open to reveal a very angry blonde. "uhh...ouch!!, that hurt deidara-sama" "oops, sorry tobi, yeah" "why were you yelling for leader-sama, anyway, yeah" asked a confused, yet annoyed deidara. "well, i just wanted to ask him to help me make ramen, and to ask naruto-san to help me prank kisame." "oh naruto's outside training with itachi, yeah." "thanks deidara-sama" yelled an excited Tobi. "un, whatever, time to take a nap, yeah."

[7:00 am in konaha]

Beep.....Beep.....Beep.....Bang! "STUPID ALARM!" yelled a furious sakura, but before her fit could get messy there was a knock on her window. she went to check it out, and it was a man with silver hair, and a mask covering his face. [An: do you know who it isback to the story] "oh, kakashi-sensei, what's going on" asked a confused sakura. "well lady tsunade called a ninja meeting for all of the rookie 11 and their sensies.". all right ill dress-up, see you at the meeting in 30 minutes."

[timeskip] 30minutes *meeting room*

"allright, now that everyone's here, i'll explain why i called you here" yelled tsunade. "ok i heard from Jirya absolutely nothing on the akatsuki." "what!!! that's all" yelled a clearly pissed sakura "what's so weird about that?" [twitching in anger] "WILL YOU JUST SHUT UP" yelled tsunade. "to answer your question, it's the fact that the akatsuki hasn't made a move, since naruto left" stopping she turns to everyone in the room "also there has been akatsuki sightings in konaha, and i'd like you to investigate." "huh, akatsuki sightings..... does it have to do with naruto?" asked sakura "yes, possibly, it's somewhere in the forest, leave immediately after you pack your bags" ordered tsunade. "hai, hokage-sama" said all of rookie 11.

[forest]

Bam! "ooowww" screamed an hysterical tobi "oops....sorry tobi-san" said a really sorry naruto "I didn't see you." "why are you here, tobi shouldn't you be with leader-sama waiting for orders or missions" said a emotionless itachi. "oh i was here to....to.....uuuhhh...to" twitching in annoyance itachi yelled "TO DO WHAT TOBI" "oh yeah, to ask naruto-san to help me prank kisame-san" said a happy, and hyper tobi. "YATTA!!!!!" yelled naruto "i want

to help, i want to help" " yes, yes, and yes"said naruto."horray"
yelled tobi"lets go now",but before tobi and naruto can go and plot out their prank the akatsuki leader
appeared out of nowhere. "where do you think you and tobi are going
naruto" asked the akatsuki leader. " oh hey,dad...ur eh , we were going to prank fish-breath". "well sorry
to rain on your parade, but you can't prank kisame til after we deal
with konaha coming" said minoto " alright dad," " lets go tobi" .

chibisrule943:alright that was tiring....but fun

minoto:alright, here goes. chibisrule943 does not own naruto or any other anime, but she does own this story.

chibisrule943:oh yeah before i start the story i have to say i will not update everyday, due to the fact that i have to write my friend, amber's story about Inuyasha since she has no computer.on with the story.

chapter 2 : the encounter

(in konaha's front gates)

"ok, kakashi sensei, are all of us going to search for the akatsuki" asked sakura. "well,yes" said kakashi " how will we find the" said Lee. out of nowhere kakashi pulled out an anbu mask" were going my dog pack smell for Itachi,with his mask" said kakashi. " great" said sakura " ok let's move out " yelled guy making everyone sweatdrop except lee who yelled " right,sensei" and left towards the woods at lightning speed. "ookkkaay...i guess we follow them then" said a confused sakura. kakashi summoned pakkun to look for itachi and they left towards the woods to wait for pakkun to pick up itachi's scent.

(in the forest)

" Dad , do they know were in the akatsuki,yet?" said naruto. "No but their going to find out, put your hat on and follow me" ordered minoto (akatsuki leader in story) " right" said naruto disappearing leaving only floating leaves.

(with konaha group)

swoosh,crack, and zoom thats all you can hear in the forest as the group of ninja rush through the trees.[poof] "yo" said a little brown dog with goggles raising its paw in the air. "hello,pakkun, is this the place you smelled the scent" said an anxies kakashi " WAIT LOOK OUT !!!!!!" screamed pakkun to lee and neji. CLACK! lee turned his head and saw a kunai embedded into the tree inches away from his face. "YOSH! that was close, i almost got killed, but i will never get hit so i can protect my sakura-chan" sakura hearing that punched him in back of the head. before lee could comment four cloaked figures landed on a nearby tree. " akatsuki , what are you doing here in fire country" asked no demanded sakura. " why'd you throw a kunai at me.....i didn't do anything to you" yelled an exstatic lee. " uh.. oops sorry about that, you just caught tobi in a bad mood, also he didn't see you since he has one eye" "you know you really shouldn't have stopped our plans for the ultimate prank" finished naruto in a playful tone. kakashi heard the voice and asked the question on everyone's mind " who are you." "what you don't reconize me..... kakashi-sensei" said naruto giving a playful smirk at this kakashi gasped trying to say his answer" n-n-naruto is that you" asked the speakless copy-ninja. " yeah.....its been a while hasn't guys" said naruto soft and slowly taking off his hat to show his visible whisker marks, shining blonde hair, and most of all a black hiate with slash through it. " NARUTO!! i didn't mean all those things i said years ago....please...please come back to konaha"pleaded a crying sakura. "NO! I'm never going going back to that village again,NEVER!!!" yelled naruto surprising everyone except the akatsuki members. " naruto what about your dream to become hokage? you can't be one if your a missing ninja" said kakashi in a soft voice hoping that would make naruto come back. all of a sudden naruto chuckled, surprising kakashi" whats so funny naruto" asked kakashi.naruto turned and kakashi saw naruto giving them an evil glare "oh its just that hokage's a joke" "what kind of dream is that" finished naruto. no answer and naruto continued " it's a kids a dream". finally sakura asked "what do you mean."

Naruto turned to see see his dad next to him and decided to answer her question " i gave up on that dream the minute i left the village, and joined the akatsuki," said naruto" my new dream is to protect my family" said naruto " who is your family" asked kakashi " the akatsuki members" said naruto" itachi,tobi,sasori,and hidan are my brothers,konan my sister, kisame and kakuzu are uncles,while the akatsuki leader my father"said naruto. " what do mean by my father" demanded kakashi at this point the akatsuki leader stepped in " now,now kakashi is that anyway to talk to anyone" said the akatsuki leader. at this remark kakashi lost his patience, springing forward at top speed with kunai in hand at the leader. the akatsuki leader didn't even flinch as he saw the crazed copy-ninja strut forward. all he did was reach for the hat on his head and slowly pull it off to reaveal his true face, what they saw was like a shadow clone of naruto, but without the whiskers and with a darker shade of blue in his eyes. noone reconized the man but kakashi who stopped his kunai only inches away from his sensei's face. " no...no..is that really you minoto-sensei" said a pale kakashi.after a few moments of silence minoto answered " yes..... its me kakashi" he paused turned to naruto and continued ".....and i'm alive, and didn't die in the sealing" " i'm with my son and nothing will take him away from me again..nothing" said minoto

chibisrule943:thats great now i can type the third chapter,but for being so nice i'll tell whats in the next chapter early.

chapter 3: Memories

"SENSEI..... HE'S YOUR SENSEI AND NARUTO'S FATHER"yelled a crazy sakura." yes, but you know him as the fourth hokage" said kakashi."WHAT!!! OUR VILLAGE HERO'S SON IS NARUTO" yelled everyone in the rookie 11. " thats impossible" said Asuma "if thats true villagers should have treated him nicely."

" true, but i never told anyone i that i had a son except,your father and Jiriya-sensei" said minoto. " why didn't you tell me, sensei" said a hurt kakashi.

"well....i never knew you wanted to know about my social life" said minoto playfully. " man, seeing you guys makes me think about the day i left" said naruto.

(flashback) [valley of the end]

"SASUKE, i won't let you go to orochimaru" yelled naruto. "well come on naruto, come here so i can show you that i'm serious about breaking our bonds"said sasuke.

narutos blonde hair spiked, his teeth turned into canines, his eyes slit, and his chakra formed into two fox ears and a fox tail giving him the appearance of a fox, while

sasuke used curse mark level 2 and got hand-shaped wings, diamond eyes,and blue hair. naruto charged up raesengon,while sasuke a chidori and charged at each

other, noone showing any mercy attacked at full force and yelled out their jutsu's name.

" RAESENGON!!!" yelled naruto.

" CHIDORI!!!" screamed sasuke. BANG.sasuke hit naruto in the stomach and naruto merely stretched sasuke's hiate. after the explosion naruto was left un concious,

while sasuke was hurt and limping to the forest, continueing his journey towards power and his revenge.

(timeskip) [in konaha hours later, at hospital]

sakura was running to congratulate naruto on the mission, but stopped at naruto's door when she heard jiriya talking to naruto, and decided to listen. " brat, look at you, your a mess " said jiriya " what happened in the mission." " well... we went to look for sasuke,we seperated, i got hit with chidori in the stomach, and sasuke got away" said a sad naruto" but please ero-sennin, can you give me my ramen " pleaded naruto. Jiriya was about to hand it over to naruto , when the door slammed open to reaveal an angry sakura. " sakura-chan, wats up.." , but before he could continue sakura slapped him. "sakura-chan....why" pleaded naruto. " i'll tell you why, because you let sasuke-kun get away, you monster" sakura yelled " no your worse than a monster,your a demon." at this naruto and jiriya got angry." you know what,sakura, your just like the villagers, i don't even know why i ever liked you or stayed in here in the first place,bye haruno" yelled naruto before jumping out the window." " you know that was low, and for that you disgraced your whole family " jiriya.

(timeskip) [one month later in konaha]

after that day naruto refused to talk to anyone. everyday he would train til night, thus causing his friends to get worried and ask him to join them in ichirichi's. unfortunatly he only ate one bowl and left. today naruto was training alone as usual,and didn't notice the chakra signature nearby,when he did he saw a man with a hat covering his face and a blackcloak with red clouds. " what,who are you?" said a confused and nervous naruto" why are you here." " hello,uzumaki naruto, my name is minoto namikaze" said minoto. "AAHHH, YOUR IN THE AKATSUKI!" said a petrified naruto. " uh....actually im their leader and your father" said the minoto." WHAT?! YOUR MY FATHER!" yelled naruto. " yes, now will you just listen to me" said an annoyed minoto " now.....don't interrupt me when i tell you this.....you see im actually the man that sealed the kyubi in you, the the fourth hokage of the village" he paused and continued " i'm sorry , so i would like to ask you if you'd like to join me in the akatsuki" said minoto. " so you'd like me to live with you" asked naruto minoto nodded and smiled slightly under his hat. " yes, when do we leave" asked naruto. " tonight" said the grinning minoto before he disappeared." yes, finally a family" said naruto happily.

(timeskip) 7:00p.m.

' finally no more konaha, glares from adults, and no more sakura talking about sasuke-kun' thought naruto while packing his bag full of his belongings,but stopped at the picture of team 7. ' so finally team 7 acutally is broken up'he thought leaving the photo on his bed. he left his apartment and headed towards the front gates, even when he heard a pink haired girl yelling his name. finally he gave in and stopped at a bench letting

sakura catch up. " naruto,where are you going"asked sakura who turned and saw his backpack. " naruto, im sorry i didn' mean that back their, don't go i don't want to be alone" pleaded sakura who was about to burst to tears. "please" she begged "sorry sakura but in a village that hates me for even living is like hell,which you will never understand"said naruto before he teleported behind sakura and knocked her out before continuing to his destination towards his father.

(end of flashback)

"naruto, please come back to konaha" said lee. " no you guys, im never coming back, but please don't tell baa-chan that me and my father are in the akatsuki" said naruto." alright, we won't" said kakashi. " ok, then lets go itachi" said minoto " hai" grunted itachi. " hey tobi don't we need to go,too" asked naruto " to where naruto-sama" asked tobi.naruto jumped to tobi and whispered something in his ear " YAY" said an excited tobi. " naruto, where are you going?" asked a confused copy-ninja. " oh, me and tobi are goning to do what we planned to do , before you guys came" said naruto giving a menacing grin, before running towards the base leaving a confused group of konaha ninja.

chibisrule943:cool it only took me 3 and a half hours to type it.

sasuke:cool,whats next chapter?

chibisrule943:its a surprise, but you can figure it out in chapter 1 or this chapter, oh anyway it's naruto's turn to do the disclaimer next chapter.

chibisrule943:ok those wondering about my friend, she may not come friday oh well, on with chapter 4.

chapter 4: Ready....Set....Prank!

(still in forest)

"ok, where do we go now" asked kiba.his question couln't be answered by guy's loud voice yelling to kakashi. " so, kakashi, do we tell lady tsunade that naruto and the fourth are still alive and in the akatsuki"asked a curious might guy. " uh... guy you do know we promised not to tell, right" said kakashi. "oh sorry" said guy.

' um...why does that masked friend of naruto sound so familar' thought kakashi. " ok everyone it's time to head home" ordered kakashi" no telling hokage-sama that those two are in akatsuki." " hai" answered everyone. they lept into the trees back to their home, konoha.

(near akatsuki base)

"yay!! naruto-sama are we really going to prank kisame-san" asked a hyper and excited tobi. "yup, old fish-breathe won't see it coming" replied naruto "um i think i know how to prank him, but i need dad's help." "hey naruto-san....can i ask you something?"asked tobi. "sure whats on your mind"asked naruto. "oh,tobi just wanted to know if you were hungry or anything"said tobi and right on time naruto's stomach gave a roar loud enough to put kyubi to shame answering tobi "ok....lets listen to your stomach and make ramen." "YES! FINALLY!! i haven't eaten anything all day"said a hugry naruto. after that things fell silent for the rest of the trip to the akatsuki base.

(akatsuki base)

naruto and tobi finally arrive at their home. "hey tobi-san,.....i was wondering.....how do you know kakashi-sensei?"asked naruto. at this tobi was wondering if it

would be good to tell naruto, but finally convinced himself to tell naruto,his best friend the truth. " well i was in kakashi's team with your dad as a sensei"said tobi
"and my name isn't really tobi, it's obito uchiha." "wait does that mean that kakashi's sharingan is actually yours!?"yelled naruto. "yup, now naruto-sama to the kitchen"
said tobi.(A.N: even though his name is obito in the story, he will keep the name tobi until kakashi finds out). they ran to the kitchen and saw bowls and wrappers
all over the place with their culprits, minato and itachi slumped over the counter."WHAT THE frack!?"
yelled naruto."HEY,watch your language, son" yelled minato.
"tch,whatever, i thought you left on a mission"asked naruto.minato just stared and replied "yeah,but this was our mission,to stuff our faces with our favorite food"
showing naruto his own foxy grin."WHAT!?" yelled naruto "thats not fair,i want ramen." "no, your on a diet"teased minato."GIVE ME THE RAMEN"yelled naruto
charging up a raesengon and pouncing at his dad." uh-oh"said minato who jumped behind the counter.
naruto missed and his raesengon destroyed half of the
counter."NOOOO!!!!!!!"yelled minato.naruto ran to the ramen,and started eating it,tobi saw minato's
anger rising and ran away with naruto dangling behind him
still eating his ramen. "(pant)(pant) that was close naruto-sama"said tired tobi "ok are you ready to start the prank." "yup"said naruto "let's go."

(at naruto's room)

"hey, naruto-sama, do you know what the prank is" asked tobi."yes,infact i already set it up in kisame's room"said naruto "oh look here comes sharky,can't wait to see the look on his face." kisame walked through the hallway to his room, mumbling something about food addictions of ramen and pocky.when he opened the door to his room,a barrage of rotten dead fish came out pouring all over his akatsuki cloak."AAAAGGHHHHH,WHAT THE HELL IS WITH THE FISH"yelled kisame
"WHY....MY ROOM IS RUINED."then naruto popped out of his room and yelled "ha..ha,howed you like that sushi-breathe." tobi was too buzy laughing and rolling on the floor to comment or notice the chakra seeping out of kisame. "YOU LITTLE BRAT, I'M GOING TO KILL YOU"yelled kisame,by now naruto noticed it was time to run,and kisame wasn't joking,so naruto and tobi ran away screaming their heads off. kisame chased them yelling"TOBI,NARUTO IM GOING TO TEAR YOU LIMB,FROM LIMB WHEN I GET YOU"luckily naruto and tobi couldn't hear him,due to their sreaming."tobi what do we do now"asked naruto. "RUN"yelled tobi.
they were running down the hall when sasori and deidara stopped them. " why are you running"asked sasori. " kisames chasing us" said naruto."un, you two should stop pranking people,anyway kisame got stopped by itachi 10 minutes ago,yeah" said deidara. "oh, but its still cool" giggled naruto.

chapter 5: Team Hebi

(akatsuki base) [timeskip two weeks]

naruto was running down the hallway not stopping, even for a second. the speed he was going at was becoming like a tornado,blowing away a hyper tobi.

"SORRY TOBI"yelled naruto" come on where are you, dad." finally,naruto got to his fathers office on time to see itachi and kisame in a meeting with his dad."hey

itachi-san,sushi-breathe,dad is it true about sasuke" said naruto. kisame groaned in annoyance " why can't you just call me kisame-san, like you do to itachi"

said kisame. "NEVER!!!"yelled naruto (A.N: RESISTANCE YOU GO NARUTO YAY). "cut it out, naruto"said minato."hai father" said naruto." yes it is true.....

sasuke did kill orochimaru,but it seems he isn't coming back to konoha"said minato. naruto could tell where this was going" is that why itachi is here." " yes and also kisame, because sasuke has made a group keen on taking them down"said minato. ' i guess that means were enemies now sasuke, and we'll soon meet in battle' thought naruto before leaving the office with an annoyed itachi and frustrated kisame.

(in konoha)

"hey sakura are you going to the meeting" asked lee." yes lee" said sakura."well can you and I walk

together, and maybe go out tonight" asked lee in confidence.

"ok, but you have to pay, now let's go to the hokage's office" said a nervous sakura. "YATTA!!" yelled lee "GUY-SENSEI I DID IT MY YOUTHFUL SPIRIT HAS REWARDED ME WITH A DATE WITH SAKURA-CHAN" sakura sweatdropped and continued walking to the hokage's office.

(10 minutes later at the hokage's office)

" hello everyone" greeted tsunade " today there are a few announcements." " what kind of announcements? good or bad?" asked shino. " i not really sure, maybe both" said tsunade " first orochimaru has been killed by none other than uchiha sasuke, but jiriya has told me that sasuke will not return to konoha, until he kills itachi and already made a group called team hebi." " so we can't expect sasuke back in konoha ever again" said ino. " yes i'm afraid so" said tsunade. " well is that all, cause if so were leaving" said kakashi. "ok i want everyone, but kakashi and sakura to get out now!!!!!" ordered tsunade. "hai hokage-sama" with that all other unnamed ninja left. after moments of silence there was a knock on the door. " come in" said tsunade and she opened to reveal jiriya. " am i here on time" asked jiriya. " **yes.....kakashi, sakura tell me what really happened on the mission, now!!!!!**" yelled tsunade in a dark voice. at this the two ninja froze. " what do you mean" said kakashi. "you know what we mean" said jiriya " AKATSUKI!!."we promised not to tell"said sakura." your promise to them is void, now tell us or we'll have ibiki torture it out of you" demanded jiriya, " ok but no going after them"said kakashi. " why"asked tsunade." we met four akatsuki members in the forest"said kakashi " tobi, itachi, and two other members, one being their leader." do you know who they are" asked jiriya. "yes, naruto and their boss is minato-sensei"said kakashi. jiriya and tsunade both blinked then yelled "WWWWHHAAATTTT." "that's a lie naruto would never join the enemy and minato died"said jiriya. " its true but naruto told us to keep it a secret" said sakura. instantly hearing naruto's name tsunade burst to tears " why.....why" said tsunade "kakashi, sakura you two will go on a mission to retrieve them, now!!!" "but-" said jiriya. "no but jiriya you're going too" yelled tsunade. " hai hokage-sama."

(akatsuki base)

"dam, looks like we'll need to switch bases soon dad" said naruto. minato merely turned to the door and to his son and spoke "well it appears we'll have to switch to the base in rain country, so let's go tell the others" in a flash the akatsuki leader vanished. "man i wish i could shunin like that" said naruto in awe.

(fire country, in ryu town)

a raven haired boy sneezed. " looks like someone's talking about you, eh uchiha" said his shark toothed friend, suigetsu. "shut it baka" said karin. "are you jealous, karin-chan" teased suigetsu. " *shut-up you two, or you'll get juugo angry*" yelled sasuke. "well alright.....where are we going"asked suigetsu. " the akatsuki base, to kill my brother" said sasuke. "the bird said i saw four men in black cloaks near by"said juugo. "ok let's head out" ordered sasuke. team hebi ran into the trees

in search for thier targets, the akatsuki.

(akatsuki base)

naruto ran through the corridors of the base for his other teammates, so far he had tobi, zetsu, and deidara following him. "naruto-sama,where are we going?"whined tobi. naruto answered without glancing back " to the rain base, but we need the others first." hey look over there, yeah"said deidara"sasori-dana must have known the plan." in the akatsuki den the other members waited for naruto's group. " hey dad where's konan?" asked naruto. " the rain base" said minato" now lets go,but put on your hats first." hai leader-sama" yelled the akatsuki members. they then ran through the corridors to the outside. "leader-sama we will have guest soon" said zetsu. "dam looks like your brother will arrive shortly itachi"said minato . all he got was a short glare and a "hn" from the elder uchiha.

(team hebi)

"sasuke i sense powerful chakra signatures leaving the area at a high speed" said karin. " heh, looks like they know were coming,speed up" said sasuke "remember, attack our targets kisame and itachi,not the leader he's too strong." sasuke's team skid through the forest to seek out revenge on the people who messed up thier lives.

(in konoha's gates)

" is everyone here"asked jiriya. " hai" said kakashi "teams 7, 8,9,and 10 accouted for." good here's the mission again" said jiriya " we look for akatsuki and capture minato and naruto." " hai" said all the teams in unison. " good now lets move out" ordered jiriya. they leap into the forest in search for naruto.

(with akatsuki)

"dam it looks like thier really close"said minato "how long now zetsu." a few minutes" said zetsu. "well it looks like thier here now "said naruto. just now four people stop in the middle of the clearing. " dammit " said a frustrated naruto. " ITACHI!! I'M GOING TO KILL YOU" yelled sasuke. itachi just said "hn" ignoring him.
