**Chapter 1 - Something Worthwhile**

# 1 - Something Worthwhile

Along the path  
Close to being away forever  
Walking towards an abyss  
Blinded by the darkness.

A light is seen  
A vast explosion  
An entrapment  
Of all that is to come.

Why am I here?  
Where am I going?

The stars can only gaze down  
On to my solitude.

I will never know  
Never be free  
From the questions  
The darkness.

Except for that spark  
An insight to the truth  
And to reach it  
Could be life changing.

Moving so close  
Alongside nothing  
To find myself engrossed  
In *something*.
