Stupid girl, stupid girls, stupid girls  
Maybe if I act like that, that guy will call me back  
Porno Paparazzi girl, I don't wanna be a stupid girl

Go to Fred Segal, you'll find them there  
Laughing loud so all the little people stare  
Looking for a daddy to pay for the champagne  
(Drop a name)  
What happened to the dreams of a girl president  
She's dancing in the video next to 50 Cent  
They travel in packs of two or three  
With their itsy bitsy doggies and their teeny-weeny tees  
Where, oh where, have the smart people gone?  
Oh where, oh where could they be?

Maybe if I act like that, that guy will call me back  
Porno Paparazzi girl, I don't wanna be a stupid girl  
Baby if I act like that, flipping my blond hair back  
Push up my bra like that, I don't wanna be a stupid girl

(Break it down now)  
Disease's growing, it's epidemic  
I'm scared that there ain't a cure  
The world believes it and I'm going crazy  
I cannot take any more  
I'm so glad that I'll never fit in  
That will never be me  
Outcasts and girls with ambition  
That's what I wanna see  
Disasters all around  
World despaired  
Their only concern  
Will they \*\*\*\*\* up my hair

Maybe if I act like that, that guy will call me back

Porno Paparazzi girl, I don't wanna be a stupid girl  
Baby if I act like that, flipping my blond hair back  
Push up my bra like that, I don't wanna be a stupid girl

[Interlude]

Oh my god you guys, I totally had more than 300 calories  
That was so not sexy, no  
Good one, can I borrow that?

[Vomits]

I WILL BE SKINNY

(Do ya thing, do ya thing, do ya thing)  
(I like this, like this, like this)  
Pretty will you \*\*\*\* me girl, silly as a lucky girl  
Pull my head and suck it girl, stupid girl!  
Pretty would you \*\*\*\* me girl, silly as a lucky girl  
Pull my head and suck it girl, stupid girl!

Baby if I act like that, flipping my blond hair back  
Push up my bra like that, stupid girl!

Maybe if I act like that, that guy will call me back  
Porno Paparazzi girl, I don't wanna be a stupid girl

\*insert music here\*

City's breaking down on a camel's back.  
They just have to go 'cause they don't know when  
So all you fill the streets it's appealing to see  
You wont get out the county, 'cos you're bad and free  
You've got a new horizon It's ephemeral style.  
A melancholy town where we never smile.  
And all I wanna hear is the message beep.  
My dreams, they've got to kiss, because I dont get sleep, no..

Windmill, Windmill for the land.  
Turn forever hand in hand  
Take it all in on your stride  
It is sinking, falling down  
Love forever love is free  
Let's turn forever you and me  
Windmill, windmill for the land  
Is everybody in?

Laughing gas these hazmats, fast cats,  
Lining them up-a like @\$@ cracks,  
Ladies, homies, at the track  
Its my chocolate attack.  
shoot, I'm stepping in the heart of this here  
Care bear bumping in the heart of this here  
Watch me as I gravitate  
Hahahahahahaa.  
Yo, we gonna go ghost town,  
This motown,  
With yo sound  
You're in the place  
You gonna bite the dust  
Cant fight with us  
With yo sound

You kill the INC.  
So dont stop, get it, get it  
Until you're cheddar header.  
Yo, watch the way I navigate

Windmill, Windmill for the land.  
Turn forever hand in hand  
Take it all in on your stride  
It is sinking, falling down  
Love forever love is free  
Let's turn forever you and me  
Windmill, windmill for the land  
Is everybody in?

Dont stop, get it, get it  
We are your captains in it  
Steady,  
Watch me navigate,  
Ahahahahahhaa.  
Dont stop, get it, get it  
We are your captains in it  
Steady, watch me navigate

Honey, I'm gonna make it out alive.  
So kiss me goodbye.  
I can see the venom in their eyes.  
Goodbye.

It's time to fly,  
to make the stars align  
with the turpentine  
lounging in their suits and ties.  
Watch the whore's parade  
for the price you paid, hey.

Oh, I'm ready for it

Come on, bring it.  
Oh, I'm ready for it  
Come on, bring it.  
Oh, I'm ready for it  
Come on, bring it.  
Oh, I'm ready for it  
Come on, bring it.

So kiss me goodbye.  
Honey I'm gonna make it out alive  
So kiss me goodbye.  
I can see the venom in their eyes

So kiss me goodbye.  
Honey, I'm gonna make it out alive  
So kiss me goodbye.  
I can see the venom in their eyes  
Goodbye.

Ladies and gentlemen  
These snakes are slitherin'  
with dollar signs in they eyes  
with tongues so reptilian  
This industry's venomous  
with cold-blooded sentiment  
No need for nervousness  
It's just a little turbulence.

So kiss me goodbye.  
Honey I'm gonna make it out alive  
So kiss me goodbye.  
I can see the venom in your eyes

So kiss me goodbye.  
Honey, I'm gonna make it out alive  
So kiss me goodbye.  
I can see the venom in their eyes  
Goodbye.

Oh, I'm ready for it  
Come on, bring it.  
Oh, I'm ready for it  
Come on, bring.  
Oh, I'm ready for it  
Come on, bring it.  
Oh, I'm ready for it  
Come on, bring it.

We seem to be losing altitude  
at an alarming pace  
Midtown downtown

Am I more than you bargained for yet  
I've been dying to tell you anything you want to hear  
Cause that's just who I am this week  
Lie in the grass, next to the mausoleum  
I'm just a notch in your bedpost  
But you're just a line in a song  
(A notch in your bedpost, but you're just a line in a song)

Drop a heart, break a name  
We're always sleeping in, and sleeping for the wrong team

We're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded God complex, cock it and pull it  
[x2]

Is this more than you bargained for yet  
Oh don't mind me I'm watching you two from the closet  
Wishing to be the friction in your jeans  
Isn't it messed up how I'm just dying to be him  
I'm just a notch in your bedpost  
But you're just a line in a song  
(Notch in your bedpost, but you're just a line in a song)

Drop a heart, break a name  
We're always sleeping in, and sleeping for the wrong team

We're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded God complex, cock it and pull it  
[x2]

Down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim at myself)  
And Sugar, we're going down swinging (Take back what you said)  
I'll be your number one with a bullet (Take aim at myself)  
A loaded God complex, cock it and pull it

We're going down, down (down, down)  
Down, down (down, down)  
We're going down, down (down, down)  
A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim at myself)  
And Sugar, we're going down swinging (Take back what you said)

MY TURN NOW! My song is i write sins not tragity!

GO!

Oh, well imagine; as I'm pacing the pews in a church corridor,  
and I can't help but to hear, no I can't help but to hear an exchanging of words:  
"What a beautiful wedding, what a beautiful wedding!" says a bridesmaid to a waiter.  
"Yes, but what a shame, what a shame, the poor groom's bride is a whore."

I'd chime in with a "Haven't you people ever heard of closing a goddamn door?!"  
No, it's much better to face these kinds of things with a sense of poise and rationality

I'd chime in "Haven't you people ever heard of closing a goddamn door?!"  
No, it's much better to face these kinds of things with a sense ohhhh

Well in fact well i'll look at it this way,  
I mean technically our marriage is saved!  
Well this calls for a toast, so pour the champagne!  
Oh! Well in fact well i'll look at it this way,

## 8 - ROCK LEE!

OMG! He ish singing kung fu fighting,....

RL: YAY!

Get on with it.....

Oh-oh-oh-oh...

Everybody was Kung Fu fighting, those jerks were fast as lightning  
In fact it was a little bit fright'ning, but they fought with expert timing

There was funky China men from funky Chinatown  
They were trapping when up, they were trapping when down  
It's an ancient Chinese art, and everybody knew their part  
For my friend, ain't you a stiff, then I'm kickin' from the hip

Everybody was Kung Fu fighting, those kids were fast as lightning  
In fact it was a little bit fright'ning, but they fought with expert timing

There was funky Billie Jim and little Sammy John  
He said, here comes the big boss, let's get it on  
We took the bow and made a stand, started swaying with the hand  
A sudden motion made me stiff, now we're into a brandnew trip

Everybody was Kung Fu fighting, those kids were fast as lightning  
In fact it was a little bit fright'ning, but they did it with expert timing

Oh-oh-oh-oh...

Everybody was Kung Fu fighting, those kids were fast as lightning  
In fact it was a little bit fright'ning, make sure you have expert timing

Kung Fu fighting, had to be fast as lightning...

I LOVE THAT SONG!!!!!!NOT!
