Help me call this place home.

2 - Darkness

What is the enemy of light?

Why! It s darkness!

What makes birds take flight?

Who do you think? The mist?

Darkness can be good too!

It can give you power!

Bet you never knew,

It gives it in your desperate hour.

Dragons of power,
Dragons of light,
Dragons of dark hours,
Dragons of flight,

We beg.
Evil has a lust,
For torments to never end.

Dragons of the skies,
Help us in war,
Side by side,
Be with us when sorrow is no more.

Dragons of the sea,
Protect our homes!
We call to thee!
Don't leave us on our own!

We beg of you!
Dragons of ancient halls,
Help us to make the world a new!
We call
Upon you
With the Dragon Call!

Please, trees of old,
Make room,
For the new!

I call for your power,
Earth in this dark hour.
Please, help me
Se the captured free!

Bring us light,
In this late hour.

We are cold.
We need your warmth to take hold!
Fire, we need thee!

6 - Ice

Ice

Winter frost,
Are you there?
What is the cost
For me to be your heir?

Ice, shill my powers,
Freeze the fires in myself.
Help me defeat my opponent in this next hour.
Help me bring honor to my family s shelf.

7 - Light

Light

What makes the flowers grow?

Light does that trick.

Light! Hurry quick!

Your brother, Dark, knows!

Lend me your strength!

Help my powers take flight.

I wish to fight,

In exchange, I will give you my faith.

8 - Music

Music

I sing for you,
Music, my power
Is you a new.
I pledge myself to you every one of my hours.

Together, let s make this land
New, this desolate destroyed ground,
Will hear your songs and
Our sound.

9 - Sky

Sky

Bright sun,

Beautiful moon

Of old,

Ancient stars of God.

I wish to dance with you.

Allow me to be in the heavens

Along side you as time lengthens

Your life that never ends.

10 - Storms

Storms

Fierce storms

Of the north!

Calm ourselves

For I have a request.

My home needs water,

We won't survive longer.

The storms of the south

Have left us dry!

11 - Time

Time

Lost power of the Ancients,
Rewind the clock.
Reverse what doesn't make sense.
Then bring it back to this day.

Let the gatekeeper of time,
Save this world of mine,
Let us be in peace of mind.

12 - To Close a Portal

To Close a Portal

End this dark time

Where dark has almost all power.

Portal close for all eternity.

Only open when

The gatekeeper says.

Even then, the portal shall remain unopened.

13 - Water

Water

Every stream,
Every brook,
Hear me,
Evil is afoot.

Wash it away!
Make it let us be!
Keep it at bay!
So we can be free in our prosperity!

14 - Wind

Wind

Wind let me dance with you!

Let my fly on a breeze!

I was reborn a new!

Let me be with thee!

I want to dance on the night wind!

Moonlight shining through me!

Let me have that wish

I made in my summer night s dream!
