# 1 - mother & daughter

MOTHER & DAGHTER ( the ring )

Horses neighing.

When the world goes round it stops.

And it will gone in

To the world beyond.

Mom: samara all of this is beautiful isn't it,

It will get better I know it will

(pulls out plastic bag and hags samara)

mom: all I ever wanted was you

(samara's memory's)

(remembers first night with mother)

mom: samara it will be better your father will learn  
to love you.

Samara: but what if he doesn't

Mom: then I'll divorce and we will both  
Go far away.

(back at the well)

soon samara was thrown in to the well.

Samara: you lied mother you lied!

We went far away the only thing  
That did happen was me going far  
Away.

When looking at the world straight up for the  
Las time It became darker at the moment  
Till she saw a light figure shape of a  
RING.

The end.....

So the scene in the ring of the mother killing samara so I did this to tribute.
