**Chapter 1 - Wished to have spoken**

**2**

## 1 - Wished to have spoken

Carrying the one still loved, once loved.  
Wanting to share but cannot share.  
Remembering her smile makes me smile,  
But brings me sorrow.

To smell her hair,  
To feel her warmth,  
To embrace her I would do anything.  
To give anything,  
To have a new memory of her.

I wish to tell you,  
The words that you wished to hear,  
The words I felt but never spoke.  
I wish to tell you,

I love you.
