P: Why would you think that?

Rav: Just...I'm not pretty enough for him...I mean he has all these fans and they are all prettier than me. And I'm creepy.

C: He is drawn to you why that's Purely Coincidental but he will always be the only one for you.

P: We're going to go pay him a visit see ya!

Scene set Aqualad is sitting on the couch next to Raven and talking about meat and fish.

Rav: But! You don't realize that meat is the same as fish!

Aqua: They are different!

Rav: In the sense that they are mammals and fish, you see they are both animal meat.

Aqua: You always have good points

Rav: Really?

Aqua: Yeah

Rav: So how's it been going with the Titans East?

Aqua: Cool umm I have a question for you as well

Rav: Yeah what?

Aqua: Do you like jewelry?

Rav: It's not my thing

Aqua: (looking crushed) Oh... then you wouldn't like this

Aqua shows her the ring

Rav: Oh Aqua Lad...it's beautiful! How did you get it?

Aqua: I found this in my old layer

Rav: Oh well the girl who gets it will be really happy

Aqua: (Looking confused) But it's for you

Rav: (blushing) Why?

Aqua: (almost mumbling) `cause I love you I guess

Rav: But why me? Why me when you have so many more fans who are much prettier and not creepy!

Aqua: Sure I like fans but you are not creepy, just misunderstood. I am too. I mean people are always like Aqualad is so handsome. Well they just see me as a handsome superhero not like an individual.

Rav: Really?

Aqua: Yeah! And I mean you know about Atlantis. Almost no one knows about Atlantis!

Rav: Oh

Aqua: Listen Raven... I never felt like this about anyone before! Only you. So will you be my girl friend?

Rav: Oh Aqualad.... I'd love to!

Bee: NO NO NO! Something not as.....dark!

Raven: (wearing a long black dress with long sleeves and a turtle neck) but...

Star: Friend I located this in the attic, it is a Tamerainian dancing dress.

Star shows a navy blue dress with a star on it with sequins it's sleeveless.

Raven gets in it and looks slim and tall.

Rav: Well all we have now is the date!

Aqua walks in

Aqua: Hello Raven, shall I escort you to the limo?

C: I can show you the sea

Shining, shimmering splendor

Tell me Titan

Now when did you last grant your hearts desire?

I can open your eyes

Take you tower by tower

Over sideways and under

On my magic tidal wave ride

A whole new world

With new skies and new seas to see

I'll take you anywhere

There's time to spare

Let you share this whole new world with me

P: Unbelievable sights

Indescribable feelings

Let me help you unreal me

From Trigon and more

A whole new sky

With birds just flying everywhere

P and C: I'll take you anywhere there's time to spare

Let us share this whole new world with you

C: Let me share

P: This whole new world

P and C: With you

Aqualad and Raven keep dancing they lean in to kiss until

Rav and Aqua: *anime sweat drop* sigh

5 - Emotions out of control!

Rav: Hello?

Rob: Hi Raven. How's the date?

Rav: Fine if you hadn't called

Rob: Sorry! I'll let you get back to Aqualad

Rav: Thank you *closes communicator*

Aqualad dips Raven and kisses her passionately until all the dishes in the restaurant break, so do the glasses and then the tables.

Rav: I have to go *runs out crying*

Raven runs out of the restaurant still in her gown and flies to a rocky beach she then sits on a rock and cries.

Rav: Why do my powers have to react to emotion? *cry* Why can't I be happy? *sob* It's not fair!

Raven then bawls now you go to Aqualad who is standing on the balcony of the restaurant.

Aqua: Why was she crying?

P: We forgot

C: To tell you

P and C: Her powers react to emotion so when you kissed her, her love emotion got out of hand and broke almost everything in the restaurant!

Aqua: I have to find her

P: Go get

C: Her darn it!

Aqua: I have her location she was still carrying her communicator

P: See ya

C: Later alligator!

Back to Raven she is still sitting on the rock

Rav: *sniff* I guess I should just go home

Raven trips and rips her dress so it now has three big holes in it and the bottom part is hanging off

Rav: Oh I ruined Star's dress

Suddenly a wave comes and gets her hair and dress soaking wet. Seaweed and sand are all over her and in her hair. She looks up to the sky in despair and anger.

Rav: YOU WANNA PICK ON ME SOME MORE!? HUH!? IT CAN'T GET MUCH WORSE!

It starts to rain

Rav: Apparently it can.

Raven looks at the ground and let's herself fall on her back

Rav: Why me? *starts to bawl*

Meanwhile Aqualad has gone into the sea trying to find Raven he locates her beach then starts looking for her there. He sees Raven.

Aqua: Raven!

Rav: *not wanting to be seen like this she runs away*

Aqua: Raven its O.K!

Rav: *runs over a rock and trips again and falls flat on her face in the sand*

Aqua: *finding her* Raven...are you O.K?

Rav: No!

Aqua: C'mon! It's O.K! It's me! Aqualad!

Rav: I'm sorry

Aqua: For what?

Rav: Embarrassing you

Aqua: *takes Raven flips her over so she can see his and then cradles her in his arms* you didn't

embarrass me! I had a great time!

Rav: You're just saying that! I broke up the whole restaurant! And I made you look foolish and...

Raven is stopped in mid-sentence by Aqualad kissing her in the rain *how romantic!* Aqualad after a long passionate kiss lets go

Aqua: I love you no matter what your powers do. I love you for you, powers and all. I think you feel the same so don't say anything unless it's "I love you too" or you can just let me kiss you again *smiles* O.K?

Rav: *nods* I love you too...KISS ME ALREADY!

They both laugh and then kiss again...A rock then flies around and crashes into the sea due to Raven's powers. The two get up holding hands and head for the tower.

Note THERE IS ONE MORE CHAPPIE! O.K!

6 - Love at last

The two ghosts watched the happy couple from above.

P: I believe our work is done

C: It is time to go

They both float up into the sky.

P: They are truly happy aren't they?

C: Yes

P...do you think we will be?

C: Yes

P: Coincidental?

C: Purely

The two ghost then disappear

Back at the tower

Rob: its 10 o'clock

Speed: Where are they?

Star: Friends! I have heard the door's bell!

All the Titans run to the door. Robin opens it and there are Aqualad and Raven outfits torn, sopping wet and seaweed and sand all over them.

M y M: Ai Carumba!

BB: You look

Bee: Awful!

Cy: What happened?

Aqua: Something wonderful

Rav: *giggles* yep!

All the Titans look in shock

Rav: Oh Star sorry about the dress!

Aqua: Sorry about the tux Robin.

Rob and Star: It's fine

Rav: O.K I'm gonna go change

Aqua: Me too

They both kiss

Rav and Aqua (to each other): Night!

BB: That is very strange

Cy: *punches him* shut up BB.
