This is for terry, enjoy!

BB: C'mon you guys it's on!

Rob: Were coming

Star: I cannot wait to view the program of our viewing pleasure!

Rav: Jeez BB will you shut up

Cy: Yeah it's starting

Bob: Hey everybody! Welcome to Super Band! I'm your host Bob!

Titans: Hi Bob!

Bob: O.K! This is the show where we pick a random superstar or hero to form a band against another superstar or hero. Last time remember Jump City's very own Gizmo faced off against long time superhero Batman! We've tallied your votes and..... Gizmo has won!

Rob: YES! SCORE HA TAKE THAT!

Cy: Why did you get so worked up about that?

Rob: Do you know how many years it's been since someone beat him at something?

Cy: Oh

Bob: O.K! Now this week were adding our new rule for the show! Each superstar or team will be paired with a producer so our two producers are...Terry and Wilson!

The girl Terry steps out she has very pretty brown hair and hazel eyes. She is wearing a black T-shirt that says `Rock My Socks' in white. She also is wearing jean shorts with a chain belt and white sneakers.

The man Wilson steps out in a black long jacket and sunglasses

Bob: Well here is our pic for the next Super Band! Our first pick.....BLAKFIRE AND CONTROL FREAK AS A COUPLE!

You go to Blackfire watching the T.V

Black: What! This is outrageous!

You go to Control Freak watching T.V

Freak: WOOOOOOOO YEAH BABY! ME AND BLACKFIRE SINGING A SONG! IF SHE'S AS PRETTY AS STARFIRE I'M IN BUISNESS!

Bob: And our next pick....The TEEN TITANS!

BB: Wow

Cy: Whoa

Rob: Oh

Rav: My

Star: Knorfka

To Be Continued.....

2 - Meet The Producers

Bob: Welcome back! Now we have just chosen our teams now to choose our producers! Terry even at the age of 17 has got a lot of potential but has no experience! Wilson has a lot background we are sure that he will rise to the top provided his intellect and his eagerness to win. Now for the teams! Wilson with....Blackfire and Control Freak!

Black: Of course I get the creepy guy.

Freak: Hmmm maybe I can adjust to this guy....

Bob: So Terry you're with the Titans!

BB: SWEET!

Rav: Good the other guy was creepy.

BB: Like you have room to talk.

Rav: *punches BB* Shut up

Bob: Both teams will be given their own studio, the Titans at the dock and Control Freak and Blackfire in the warehouse so have fun!

Rob: O.K we should go meet Terry.

Star: Agreed!

The Titans drive to the dock where Terry is waving to them.

Terry: Hey!

Rob: Hi so umm what's up?

Terry: Nothing much but c'mon inside

BB: She thinks this is nothing much...

Terry: It'd be wise if you didn't tick me off

BB: *blushing* Sorry

Rav: *smirk* I think I'll like her

Terry: O.K well one of my friends on the net cyborggirl writes songs about you guys so I thought I'd ask her advice for writing a song...what kinda music are you into?

BB: Rap!

Rob: Rock!

Rav: Gothic industrial

Star: New wave, oldies, dance and classical!

Cy: Techno

Terry: *anime sweat drop* O.K let's ask her advice

Cy: Why is her name cyborggirl?

Terry: Why are you so interested?

Cy: *blushes* shutting up now

You go to Control Freak and Blackfire, Blackfire is flying Control Freak to the place.

Black: Do you ever exercise?

Freak: Are all Tamerainians this pretty?

Black: Do you want me to drop you?

Freak: Sorry! Forgive me for complementing you!

Black: I can't believe I have to work with you

Freak: That's what everyone says

Black: Duh

Freak: Hey you're a villain to! Shouldn't we be on the same side?

Black: I guess and thanks for calling me pretty I mean all the boys are like STARFIRE! STARFIRE WE LOVE YOU! And I get squat.

Freak: Well they don't write songs about you.

Black: It can't be that bad

Freak: When the chorus is "Control Freak you're such a geek" it sucks

Black: Look its Wilson.

They fly down and stop in front of him.

Wil: Hello nice to see you made it come on in. Now I don't care what you think of my plan but if you want to win you'll have to do it got it?

Black: So it's your road or the high road...I guess I can deal

Freak: Me to

Wil: Good now you will be singing a couple love songs put together. First is "Collide" Control Freak will sing that then "These Words" Blackfire will sing that and you'll both sing "Sugar We're Going Down" together O.K?

Freak: Cool

Black: Fine with me.

You got to Terry who is on the net

BB: That girl wrote Christmas carols!?

Terry: Yep!

Rob: Wow she's obsessed.

Terry: Yeah oh look she's on better go talk to her

On the computer

Terry_titanqueen: Hey cyborggirl!

Cyborggirl: Hiya! OMG I saw that you're workin' with the TT so cool! ^-^

Terry_titanqueen: Yeah well I need you're advice for some songs

Cyborggirl: O.K well Rob should sing a love song about Star then Star do the same thing. Have Rav sing a song about Malchior or her independence, Cy should sing a song like umm... I dunno a rap song then BB should sing "Beverly Hills" and then have them all do a big Broadway song at the end.

Terry_titanqueen: That's a gr8 idea!

Cyborggirl: Only one thing

Terry_titanqueen: What?

Cyborggirl: You have to write it...uh oh! I gotta get off see ya!

To Be Continued.....

Freak: Yes I can!

Wil: Well so far you're not very good

Freak; Well you're not helping me

Wil: Just because you can't read music doesn't mean you can't follow a tune. Blackfire is an excellent example of how you should be.

CF enters the lounge where Blackfire is drinking some coffee.

To Be Continued.....

4 - Froze8 and Lilly's real name

Terry is working with Starfire on her song

Star: O.K so I go up three notes?

Terry: No four like this *sings* Sorry Kit but you missed out! Well tough luck Robin is mine now!

Star: You have a beautiful voice

Terry: Thanks

BB: *comes running in* Froze8 is coming to help!

Terry: Who?

BB: Froze8! Or she likes to be called K8

Terry: Oh one of cyborggirl's friends!

BB; Yeah she has an awesome voice! I talked to her on the phone. Oh and I have another online buddy who I don't really know but she sounds hot!

Terry: Who?

BB: Terry_titanqueen!

Terry: *blushes* oh wow

BB: Yeah ever since Terra lost her memory and is in high school I thought why not look for a new girlfriend?

Terry: *mad* SO YOU'RE JUST GONNA DUMP HER?

BB: Why are you so huffy about it?

Terry: You were meant for each other! C'mon were going to her school *grabs BB*

Terry takes her moped and goes to Terra's school with BB

Terry: O.K we have got to find her class!

BB: She didn't want to see me last time

Terry: To bad!

BB: Fine

They walk through the empty corridors until the bell rings they see Terra come out of a classroom with her friends.

Terry: Hey! Terra! Get over here!

Terra: *comes over* who are you? *looks at BB* and what the heck are you doing here again?

Terry: Listen I'm Terry and *looks to her side and sees a girl with strait brown hair that goes down to her shoulders and brown eyes that are red from crying*

Boy 1: *kicking her* take that you stupid freak!

Boy 2: *kicks her in the face* How's it feel to be the most hated person in this school!

Boy 3: *steps on her books* yeah the only thing you can do is sing and write stupid fan stories and stuff for the stinkin' Teen Titans!

Girl: Hey oww! Stop it!

Terry: *looks at Terra* aren't you gonna do something about it?

Terra: I can't those boys are allowed to kick her and stuff

Terry: Why?

Terra: The principle hates her because she fell down the stairs and knocked into him he then fell down the stairs and broke his hip

Terry: But it was an accident

Terra: That's the sad part

BB: Well she obviously likes the Titans

Terra: Are you kidding? When she heard that I went out with you she clung to me like flies to honey! She's actually a great person and one of my friends who I can tell anything to

BB: Well I'm gonna go help her

BB walks up to the boys as macho as he can be

BB: *in macho man voice* Hey you better stop it!

Boy 1: Shut up or we'll kick you to!

BB: I can turn into any animal that can kick you butt!

Boy 2: Then we'll all just kick you at once!

They all start to kick him

Girl: hey! That's Beast Boy...you can kick me just not him!

Boy 3: Now that's the spirit! C'mon we'll throw you off the top of the school!

The Boys grab her and take her up the stairs she waves to BB like an idiot because she is happy to see him

BB: Calling Titans!

Rob: Report

BB: We need to help a girl she's gonna be thrown off the top of Murkami High

Cy: I'll go

BB: O.K Beast Boy out. C'mon both of you Cyborg is on his way

BB runs outside to find Cyborg. BB turns into that dinosaur thing and carries Cyborg to the place where the boys are.

Boy 1: O.K 1...2...

Girl: Please don't throw me!

Boys: 3!

They throw her and Cyborg catches her in his arms

Cy: Got you!

Girl: Cyborg? *faints*

Cy: Dude I've had fans but not fainting ones

They all go to the ground and her laptop falls showing a Word document

Terry: What's this? Love is in the Air part 4? Oh my g-d! It's cyborggirl!

Cy: So she has a crush on me?

Terry: yep!

Cy: Wow I'm really lucky!

Cyborggirl: What? Ahh! My script! *hides it*

Cy: It's cool!

Terry: hey! Umm I'm Terry_titanqueen!

Cyborggirl: Hey! This is so cool!

Terry: Yeah! I'm so glad to meet you Lilly!

Cyborggirl: My name isn't really Lilly

Terry: What is it?

Cyborggirl: Madeline

Terry: Like the girl who lives in a house covered with vines?

BB: With twelve little girls in two strait lines?

Cy: The smallest one Madeline?

Mad: Yep

Cy: But your 5 foot 7

Mad: Yeah my Mom was obsessed with the book when I was little and I always wanted to be called Lilly because it was a cute name.

Cy: Wow...hey can you sing?

Mad: Yep I love to

Cy: wanna help us with our contest?

Mad: More than life itself!

Terry: hey Terra listen just come over to our place once and you'll remember

Terra: Fine as long as this guy doesn't through dirt in my face.

As the Titans pull in with Terra and Madeline they see a girl who has brown eyes reddish-brown hair and

is wearing jeans with a white ribbon wrapped around the middle and a T-shirt that has a Chinese character in red.

BB: K8!

K8: BB! Was sup!

BB: Nothin' muffin

K8: Yeah dude!

BB: This is Terra and Terry and Madeline

K8: Wait I can guess that Terry is terry_titanqueen but where's Lilly?

BB: Madeline is Lilly

K8: Sweetness!

Terry: Listen BB, Terra and Madeline need to talk so that Terra will remember stuff K8 and the rest of us need to work on the songs.

BB: O.K!

To Be Continued.....

Yeah I know that I am the tragic heroine but it's my stinkin' fanfic so deal

5 - A memory and a voice also Blackfire and WHO?!

You go to Terra, BB and Madeline sitting down at her computer with the footage of Terra turning to stone.

Terra: That's what happened?

Mad: Yeah...

Terra: But...I still don't remember

BB: You have just seen yourself being turned into stone!

Terra: Yeah but...

Mad: There's only one way to solve this

Terra: What?

Mad: BB you have to kiss her

Terra and BB: SAY WHAT?!

Mad: It's our only hope

Terra: No way unless pigs start to fly

BB turns into a pig and flaps his arms until he lifts a little off the ground and then falls

Terra: *sighs* If you're that desperate...

They lean in and kiss and then pull apart

BB: Do you remember anything?

Terra: Sorry Beast Boy I don't

BB: *get's the anime waterfall tears and cries loudly* WAAAAAAAAAAAAAAAAAAAAA!

Terra: Sorry

Mad: Wait! BB I need you to take me and Terra to that place the umm...house of mirrors!

BB: That place creeps me out

Terra: what are you talking about?

Mad: C'mon BB we'll take the T-Car

The go up to Cy BB and Terra in the background Madeline walking up to Cy.

Mad: Umm Cyborg?

Cy: *blushing* Uhh you talking to me?

Mad: Yeah I wanted a favor

Cy; What?

Mad: Could I take your car out for a little bit?

Cy: Why?

Mad: It's for BB and Terra and no I'm not taking them to make-out point

Cy: O.K wait do you have a license?

Mad: Yeah I mean I'm a very good driver

Cy: O.K here are the keys just be gentle...

Mad: You got it!

Madeline starts the car with BB in front and Terra in the back.

Terra: My parents are gonna kill me

BB: Stop the car! You have parents!?

Mad: What do you mean parents?

Terra: Well parent really I mean my Dad

BB: We'll worry about you're parents later right now we need you're memory

They keep on driving until they get to the fairground and decide to go on all the rides that they went on before.

BB: This is the house of mirrors we went in when I found out you were working for Slade

Terra: Wow this place is messed up

BB: Look in the mirror do you remember anything?

Terra looks into the broken mirror and suddenly all the events that she went through go back to her like a film in fast forward.

BB: Terra? Terra? Do you remember?

Terra: **looking guilty** No **thinks** *yes I do Beast Boy I love you I don't want to hurt you...again*

BB: C'mon Madeline let's take Terra home

Terra: My address is 1425 Cherry Grove Jump City 32228

Mad: O.K sorry we dragged you out here

Terra: It's O.K

BB: I'm sorry we couldn't be like we were...

Terra: Is anything?

Mad: Here we are...oh please come to the concert at the end of the competition

Terra: O.K

BB: **calls out of the car window** I love you!

Terra: **to herself** I do too...sorry

Terra walks down a few blocks until she stands facing a small ratty house with a "foreclosed" sign on it.

Terra: **in fear** Dad?! Daddy!? They took the house!

Terra goes and shakes a man in an ugly suit with brownish-gray hair he seems tired

Man: Terra...I put the sign there, you can't tell anyone of this place you knew I wasn't your real father and that I found you on the street I'm sorry but my time is coming closer just promise me one thing that you'll get your memory back and become how you once were...Terra a Teen Titan and a true friend...I'll see you in heaven **dies**

Terra: *crying* I promise...I won't let you down

Terra stands up and goes out the door before she starts to run she remembers something and takes the blue butterfly clip out of the man's pocket uses her powers to lift up the stone floor and burry him. She puts the clip in her hair and runs out the door and down the street.

Terra: *to herself* Beast Boy you love me and...he wanted me to love you so don't turn me down...

BB and Terry are both on the computer chatting

Terry_titanqueen: Gee I feel so sorry for BB

Mad: Well the librarian is very nice and let me sleep there I go to school on a scholarship for the arts

Cy: Oh...you wanna be a Titan?

Mad: But I can't fight I'm puny and less flexible than a rock

Cy: Doesn't mean we can't train you and suit you up

Mad: Well...Yeah! I wanna be a Titan!

Cy: **hands her communicator** Welcome to the team

Mad: Thanks...I can't believe Terra didn't remember

Cy: Yeah it's really sad

Guy near the Jukebox: Hey! Classic dance off!

The guy hits on a tune from Hairspray called "You Can't Stop the Beat"

Mad: I love this song! C'mon!

Madeline pulls Cyborg onto the dance floor where you see many couples getting down

Cy: Umm what do I do?

Mad: Grab my hands and swing them like this *swings them*

Cy: Then turn you under?

Mad: Yeah!

They continue to do classic moves like the pony, mashed potato, scuba diver, shopping cart, washing machine and others all the couples give up and leave the dance floor before it's over except for one other couple a girl with pink hair in pig tails with a purple dress and a boy with red hair and a yellow suit who after a while give up.

Cy: Wow we won!

Mad: Every guy I've taken here has won!

Wil: *enters* Hello? *looks* Oh my g-d!

Black: Uhh

Freak: Err

Black: I can explain

Wil: You'd better start talking!

Black: Well...

Freak: Blackfire and I were talking about us always being compared to the Titans

Black: And how compared to them we're treated like trash

Freak: And we both have a crush on a Titan

Black: But they both date other people

Freak: One thing lead to another

Black: And c'mon he's pretty cute...

Wil: So you started to make out! You'd better be going out!

Black: We are of course

Freak; Yeah

Black: O.K!

Freak: We're on it

You go back to the studio where K8 is working with BB, Robin and Cyborg

K8: O.K now it goes up an octave like this *takes a breath*

Suddenly out nowhere comes this voice that is so beautiful would put Melvin, Timmy and Teether to sleep in a second.

K8: Wow who's that?

Cy: Who ever it is has a great voice

BB: It's almost as good as K8's

They all run down the hallway where they are joined up by Star, Raven and Terry they all hurry to the bathroom where the sound is coming from.

Mad: **singing* And some people want it all! I don't want nothing at all! If it ain't you baby, if I ain't got you baby! Some people want diamond rings some just want everything! But everything means nothing if I ain't got you!*

Cy: Wow

Star: I believe she has the voice of the angels

Rav: I have to agree with you

Mad: **comes out of the bathroom in a towel* AAAAAAAAAAAAA! What are you doing here?! I'm in a towel!*

Cy: Was that you singing?

Mad: O.K, O.K you caught me I'm a shower singer it's really embarrassing

Terry: Are you kidding that was awesome!

K8: Yeah you have an awesome voice

BB: Why didn't you tell us you liked to sing?

Terra: With a voice like that you need to be heard

Mad: Well...

Terry: You gotta sing in the contest!

Mad: I dunno...

K8: C'mon buddy!

Mad: Fine but...WILL YOU STOP STARING AT ME IN A TOWEL!

Boys: Sorry

You go to K8 in her room looking at pictures of BB including some with Terra cut out of.

K8: *sighs* BB will never like me

BB: *knocks on door* hey, K8 can I come in?

K8: *hiding pics one falls out and she doesn't see* Oh O.K come in

BB: Well I wanted to ask you about my voice so *looks on floor and sees pic* what's this?

K8: *blushing* nothing! Nothing at all!

BB: It has I love BB all over it

K8: O.K I like you...but you have Terra so let's face it it's not gonna happen for me

BB: Listen a while ago I had the same problem with Raven you see she has this GINORMOUS crush on Aqualad and when I knew about it I was crushed...some of the reason I was so competitive with him so then when Terra came along I found that I loved her more than Raven listen when Mr. Right comes along you'll know

K8: Thanks

Rob: *knocks on door* Hey you guys in there Terry's got our songs ready for rehearsal!

K8: Coming!

BB: Yeah we'll be with you

K8 and BB run out into the main room where all the Titans, Madeline and Terra are sitting.

Terry: You write this one

Mad: O.K

Madeline and Cyborg go off to one of the studio rooms, Starfire and Raven in another, Robin and BB in the third and K8, Terry and Terra in another.

Now you go to Blackfire, Control Freak and Wilson preparing.

Freak: *playing the guitar* O.K no for the big one

Wil: Please spare me

Black: Hey! He's trying his hardest

Wil: Whatever

Black: Well are you gonna sing anything?

Wil; I don't have a song

Freak: How about..."I Shot the Sherriff"!

Wil: No way

Black: Yes O.K

Wil: Fine

A night passes and the Titans keep practicing finally the concert day has arrived. The Titans and the other team glare at each other.

To Be Continued.....

7 - Team Wilson

You go on stage where Bob is with the Titans and the other team.

Bob: So Terry how do you think you'll live up to this competition?

Terry: Well aside from a few distractions I found that the Titans have come through completely

Bob: What about your last minute recruits?

Terry: I trust them completely

Bob: Well you sound confident! Now on to Wilson! Wilson how do you feel

Wil: Jeez I'm gonna win no need to interrogate me for that

Bob: Well O.K then! Wilson, Blackfire and Control Freak are first!

Freak: O.K lets blow them away

Black: You got it baby!

Freak: I'm singing "Collide" *takes a deep breath and starts to sing*

The dawn is breaking

A black star shining through

You haven't waken

And I'm tangled up in you

I'm human

You're not

You'll follow the channels where I go

I worried I won't see your face...light up again

Even you fall down sometimes

Even Human and Alien seem to rhyme

Out of the Titans that fill my mind

I somehow find you and I collide

I'm loud

You know

You make a lasting impression

You're creeped out to know that we are on each others minds

Even I fall down sometimes

Starfire will never shine

After Glertelsketch you fall in time

And somehow find you and I still collide

Never stop here

I lost my channel

Yet you're still close behind

Even you fall down sometimes

Even Human and Alien seem to rhyme

Out of the Titans that fill my mind

I somehow find you and I collide

I somehow find you and I collide

I somehow find you and I collide

Thank you! I'll be here all week!

Bob: Wow! Now for Blackfire!

Black: I'm singing "These Words" *starts to sing*

Push some guards together

The combination W-I-N

It's who I am

It's what I do

Just being evil for you

I tried to focus my attention

On getting back at you

I need an army

No inspiration

But who cares about me?

Whoa

Trying to fight the Titans

Whoa

I don't need a license

Don't you know?

Don't you know?

Don't you know?

Waste bin full of paper

Clever plans see you later

These plans are my own

From my heart flow

I hate you

I hate you

I hate you

There's no other way

To better say

I hate you

I hate you

Read some scripts of TT

Recited them over a I win beat

I'm having trouble saying how I'm mean

With the Titans and a destruction machine

I had some Tamerainian time booked

But I couldn't kill Star's hook

Now you're gonna raise the army up!

Nothing I plan is good enough

These plans are my own

From my heart flow

I hate you

I hate you

I hate you

There's no other way

To better say

I hate you

I hate you

I'm getting out of jail

The bars pull away

No cell to hide behind

My evil self exposing

Whoa

Trying to fight the Titans

I don't need a license

Don't you know?

Don't you know?

Don't you know?

Waste bin full of paper

Clever plans see you later!

These plans are my own

From my heart flow

I hate you

I hate you

I hate you

There's no other way

To better say

I hate you

I hate you

These plans are my own

From my heart flow

I hate you

I hate you

I hate you

There's no other way

To better say

I hate you

I hate you

Bob: Now I've been told they are going to sing "Sugar We're Going Down" as a duet! Hit it!

Black: *Am I more than you bargained for yet
I've been dying to tell you every plan you want to hear
Cause that's how evil I am this week
Lie on the ground, near the Tamerainian castle
I'm just a notch in your bedpost
But you're just a line in a song
Drop a heart, break a name
We're always fighting hard, and fighting against the teens
We're going down, down in an earlier round
And Control Freak, we're going down swinging
I'll be your number one with a starbolt
A loaded star complex, cock it and pull it
We're going down, down in an earlier round
And Control Freak, we're going down swinging
I'll be your number one with a starbolt
A loaded star complex, cock it and pull it*

Freak: *Is this more than you bargained for yet
Oh don't mind me I'm watching you plan from the closet
Wishing to be the friction in your skirt
Isn't it messed up how I'm just dying to be Robin
I'm just a notch in your bedpost
But you're just a line in a song
Drop a heart, break a name
We're always fighting hard, and fighting against the teens
We're going down, down in an earlier round
And Blackfire, we're going down swinging
I'll be your number one with the remote
A loaded T.V complex, change the channel
Down, down in an earlier round
And Blackfire, we're going down swinging
I'll be your number one with the remote
A loaded T.V complex, change the channel*

Black: *We're going down, down in an earlier round*

Freak: *And Blackfire, we're going down swinging*

Black: *I'll be your number one with a starbolt*

Freak: *A loaded T.V complex, change the channel*

Black: *We're going down, down*

Freak: *Down, down*

Black: *We're going down, down*

Freak: *A loaded T.V complex, change the channel*

Black: *We're going down, down in an earlier round*

Freak: *And Blackfire, we're going down swinging*

Black: *I'll be your number one with a starbolt*

Freak and Black: *A loaded Titans complex, cock it and pull it!*

Both Blackfire and Control Freak take a bow then walk off the stage

Black: Ha, ha Titans we're gonna win!

Rav: You wish

Terry: You were completely off key

K8: Yeah and Control Freak you've got to be the worst soprano ever

Freak: Oh really? Well at least I don't have your face!

Mad: Hey! Stop it! Unless you want me to go cable on your satellite butt!

Freak: For your info I'm getting cable next week!

Mad: Great now you can watch us as WE win

Black: Dream about it!

Rob: Sorry this isn't a dream it's reality

Star: Yes and we shall be victorious!

Bob: O.K Next up it K8 with "Behind These Hazel Eyes"!

K8: O.K here I go

Terra: Hey K8! You go and sing it like Kelly Clarkson wish she could!

K8: Thanks...*looks at BB and BB smiles* I'll go for it.

To Be Continued.....

8 - Wow 16 pages of script

Bob: O.K K8! Are you ready to rock the house?

K8: Yes and this song is dedicated to someone very special *starts to sing*

Seems like just yesterday

I had a chance at love

I used to stand so tall

And be so strong like you

Friend's arms around me tight

Everything felt so right

Always breakable like I could go wrong

Now I can't breath

Now I can't sleep

I'm barley hanging on

Here I am

Once again

Torn into pieces

Can't deny it

Can't pretend

I never had anyone

Broken up deep inside

BB don't get to see the tears I've cried!

Behind these hazel eyes

I told him everything

Opened up and let him in

He made me feel alright

For once in my life

Now all that's left of me

Is Froze8 on the compie screen

In a room with him

But left alone inside

Now I can't breath

Now I can't sleep

I'm barley hanging on

Here I am

Once again

Torn into pieces

Can't deny it

Can't pretend

I never had anyone

Broken up deep inside

BB don't get to see the tears I've cried!

Behind these hazel eyes

Fighting crime but still have sorrow

For being good I blame myself

Seeing couples it kills me now

No I don't cry

With Beast Boy

Anymore!

*Anymore *sheds one tear**

Here I am

Once again

Torn into pieces

Can't deny it

Can't pretend

I never had anyone

Broken up deep inside

BB don't get to see the tears I've cried!

Behind these hazel eyes

Here I am

Once again

Torn into pieces

Can't deny it

Can't pretend

I never had anyone

Broken up deep inside

BB don't get to see the tears I've cried!

Behind these hazel eyes!

Bob: Wow! Amazing! Well we have to go to commercial break see you back here after these messages!

BB: Wow K8 you were amazing *sees tear* hey? What's wrong?

K8 walks by BB and he goes to follow her Madeline senses something is wrong and heads behind BB quietly and then puts her ear to the door.

in the room

BB: *sits on bed with K8* Hey what's wrong?

K8: *sad* You don't get it... *angry* YOU DON'T KNOW WHAT IT'S LIKE! Always being told "You'll find Mr. Right when it's time" or "We can only be friends" I don't want to be only friends! Listen I have whatever power I want thanks to g-d. He gave me that gift, I don't want that anymore! I want you! I love you but you love Terra!

BB: Well I can't help it...

K8: Yes you can! Listen before I came here I was alone...my Dad and I had a very shaky relationship and...that wasn't good then this guy I liked moved away with his sister who was one of my greatest friends! Then my Dad had a stroke and other problems then when I came here I thought that since I love you...you would love me and my heart it's broken up into a million pieces *puts her hand on her heart* and when ever I suffer another heartbreak it gets hard...hard to breath and see and eat...I can't live without you Beast Boy. You're the only one I have left...

BB: K8...I love Terra as much as you love me and I love you to...If I give Terra up then...I'll feel like I've let her down, if I give you up...then I'll know I caused you pain...I love you both equally but I don't know which way to turn

K8: Please tell me...it's hard to live without you

Mad: *busts in the door* that is it! I've had it!

K8: Hey! What the heck are you doing?

BB: We're having a moment here!

Mad: *pushes their heads together so that they kiss* there K8 how do you feel?

K8; Happy but sad

Mad: Good, what about you BB?

BB: Umm I feel good but I think I betrayed Terra

Terra: I'm right here

K8: uh oh

BB; umm

Terra: K8 there is only one thing to do

K8: What?

Terra: Share BB

K8; Oh umm

Mad: Is that gonna work?

Terra: It's worth a shot

Mad: O.K then hey look! It's snowing!

Terra: Wow it's so pretty

BB: I'm glad you wore a sweater Mads

Mad: Yeah `cause all I have is this tube top!

BB: Which is a very pretty one if I do say so myself

Terra and K8: *whack BB*

Bob: And we're back! Next we'll here the musical stylings of Starfire and Robin! Robin I see that you despite all other people decided to write your own song!

Rob: Yeah this is how I feel for this girl and...the song is "I Just Want You to Know" *starts to sing*

Looking at the handcuffs

From when we first fought

You gave me a kiss

That I could never forget

And no alien army

Could keep me from you that night

Wrapped around your finger

Always in my mind

The days would bring

`Cause Silky kept' me up at night

You and I are everything

Everything to me

I just want you to know

Slade can't make me let you go

All days I make it through

But you were gonna marry some green thing

I wish that I could believe

No boy would take you from me

But still I have to say

That I'd save you once again

I just want you to know

All the traps are closing

I'm trying to get ahead

And deep inside I wish I was in that trap instead

My dreams are full of

Full of things

Like our wedding one day

I just want you to know

Slade can't make me let you go

All days I make it through

But you were gonna marry some green thing

I wish that I could believe

No boy would take you from me

But still I have to say

That I'd save you once again

I just want you to know

That if I lost you

I'd lose myself

I can admit

There's no one else!

I just want you to know

Slade can't make me let you go

All days I make it through

But you were gonna marry some green thing

I wish that I could believe

No boy would take you from me

But still I have to say

That I'd save you once again

I just want you to know

Slade can't make me let go!

All days I make it through

But you were gonna marry some green thing

I wish that I could believe

No boy would take you from me

But still I have to say

That I'd save you once again

I just want you to know

I just want you to know

Bob: Wow! I'm sure that girl loves that! Now Starfire is going to sing her song!

Star: Thank you very much I am going to sing "Sk8ter Boy" *takes a deep breath looks at Robin and starts*

He was "the boy"

And she was "the girl"

Could I make it anymore obvious?

He was a hero

She was so mean

It's time she'd come clean

She wanted him

He'd never tell

Secretly he hated her so well

Then Fang stuck up his claw

He'd had a problem `cause she was in awe

He was the hero guy

He put her in jail when she cried

"Don't do this Robby-poo!"

She has a pretty face

And on it I want to spray mace

She needed to know she was nothing new

One year from then she sits at home

Feeding the moths she's all alone

Her father comes up

And tells her the news

"Brotherhood is lookin' for recruits"

She tags along

And looks at the screen

Looks at the man that turned her down

He was the hero guy

He put her in jail when she cried

"Don't do this Robby-pool!"

Now he's gone so far

With his almost girlfriend Star

To show Kitten this boys' through with you

Sorry Kit but you missed out

Well though luck that boys' mine now

We are more than just good friends

This is how almost ends

To bad that she couldn't be

Be the hero like him and me

There is more than meets the eye

I see the Richard that's inside

He's just "the boy"

And I'm just "the girl"

Could I make it anymore obvious?

We are in love

Haven't you heard?

How we save the world

I'm with the hero boy

He isn't the "boy toy"

I'll be there when he fights Slade

We have our tower

Full of love power

Between us two heroes

Bob: O.K we see we have a little couple! And next we'll hear.....

Suddenly a girl with blond hair and blue eyes comes up on stage her name is Sarah

Sarah: Cyborg? Cyborg where are you?

Cy: *comes out* Sarah! I though you broke up with me?

Sarah: I didn't mean to I'm sorry can we get back together?

Madeline peeks out of the curtain and sees the two literally kiss and make up. She gasps and starts to cry runs out of the stadium and takes the metro to the nearest train station. Raven sees this and becomes puzzled until she walks out and sees Cyborg and Sarah.

Rav: This could be bad

Bob: O.K now we'll hear Madeline singing "If I Ain't Got You"

Bob motions to the place where Madeline was supposed to be and the spotlight lingers until Bob tries to break the silence.

Bob: And she'll be soon *starts to sweat* we seem to be having issues so let's go to commercial *as soon as the T.V is off he goes and talks to Robin*

Bob: What is going on!?! My show needs people to sing and we're not delivering!

Rav: Madeline is going to the Jump City metro

Cy: Why would she go there?

Rav: Cyborg your blind she likes you

Cy: But

Rav: She knew that Sarah broke up with you now you just well stabbed her in the back

Sarah: Wait were you going out with another girl?

Cy: It didn't mean anything

Terra: Oh yes it did! I room with her you should have heard her talk "I love Cyborg! He's so nice! He's so cool! I don't care if he's half machine because I love him!" She loves you!

Cy: Whatever

K8: WHATEVER?! Cyborg how can you say that my g-d your, your, mean and ugly to all who aren't a Titan or who have a long relationship with you!

Cy: Listen I'll go get her and then we can get on with our lives

Bob: You'd better `cause right now we have to cancel the Broadway song!

Rob: That one was demeaning anyway

Cyborg walks away and takes the metro while on it he sees a little girl with raggedy clothes except a sweater that looked like Madeline's who only had a tube top on underneath.

Cy: *walks up to girl* Who gave you that sweater?

Girl: This other girl, she said to me "you look cold, where are your parents?" Then I told her that I didn't have parents and that I was cold and hungry and she said to take her sweater and go to a library where the librarian would let me sleep and give me food then she gave me some money to take a bus there

Cy: That's nice

Girl: Yeah and she only had a tube top underneath

Cy: Wait *thinks* MADELINE!! Do you know where she's going?

Girl: She said that she was going to a place called Steel City

Cy: Did she say why?

Girl: Yeah

Cy: Why?

Girl: She said that she was lonely and that she could start a new life there

Cy: Thanks what stop did she get off?

Girl: The 5th stop

Cy: How many stops are there?

Girl: 11 so that means you have to wait 6 stops because the 11th stop is mine and it's here

Cy: Thanks kid

Girl: Tell your friend thank you

Cy: I will *the communicator rings and Terry pops up on the screen*

Terry: CYBORG! WHERE IS MADELINE?!

Cy: Calm down she went to Steel City

Terry: Oh no

Cy: What?

Terry: There's four feet of snow there

Cy: Crud! I'll get there as fast as I can

Cyborg goes up to the conductor

Cy: Listen there's a girl who got off at Steel City can you take me there it's urgent

Conductor: Her!?! She was nice to that little girl in the back, poor kid, these three boys always come and kick her around that girl told them to leave her alone and they kicked the crud outta her, I think her leg is fractured, she gave the kid a sweater some money and left

Cy: Why didn't she call for help?

Conductor: I came out to help her but she said that she would be O.K

Cy: AND HER LEG IS FRACTURED!?

Conductor: Yeah poor thing

Cy: Please take me to the 5th stop I don't want to lose her

Conductor: Sure!

The conductor turns the train around meanwhile you go to Madeline trudging through the snow hugging her shoulders because she's only wearing jeans and a tube top. She sees a red light in the distance and starts to run towards it but when she gets to it it's just a red bottle reflecting light she falls backwards into the snow and lies there.

Mad: **thinks* I can just lay here...no more heart breaks no more people and then I won't worry anymore...I'm so cold*

She then closes her eyes, back on the train Cyborg arrives and gets off starting to look for her. He searches for a while until he sees her from far away.

Cy; Madeline!!! **runs over* Madeline! I've been looking for you everywhere! *sees her laying eyes closed* Madeline!! C'mon wake up! *calls the Titans on the communicator* Hello? Robin, Terry, Starfire, Raven!/? Someone! Anyone! *the communicator goes fuzzy and the snow blows around them harder**

Back backstage

Rob: So you and Cy have been together for a long time

Sarah: He seems to like that girl more

Rob: Well I dunno **communicator rings* Hello? *fuzz comes through with Cy's message* Oh no*

Robin runs over to Bob and explains the delay then with the Titans he tries to go to the metro but it's out of service then he sees a little girl with a sweater that looks like Madeline's.

Girl: Wow your Robin!

Rob: Yeah have you seen Cyborg?

Girl: He was lookin for a lady

Rob: I thought so

Sarah: Listen when Cyborg comes back tell him that it's getting hard between us and I think he'd be happier with someone he could always be near. Tell him I hate to leave but I think it's for the best.

Rav: Are you sure?

Sarah: Raven don't worry there are plenty of fish left in the ocean

Star: I shall miss you friend

BB: Yeah we hope to see you again

Terra: It was our pleasure

Terry: Maybe we can have a cup of coffee

K8: And chat

Sarah: Thanks a ton later!

Titans: Bye!

Sarah walks away

Back in the snow Cyborg is holding Madeline who is quickly growing very cold on her neck, shoulders and fingers they finally reach the almost abandon metro waiting for the metro to start working again

Cy: **talking to Madeline even if she is unconscious** Listen if we get out of this I want you to know...Sarah was mine but after I became a Cyborg Sarah and I lost touch somewhat and that hurt but when I found out you were such a fan and then as I learned more about you I found that I liked you then...loved you and if you don't wake up I'm sorry **starts to cry** I'm so sorry **a tear falls on her face**

Mad: **wakes up** Cyborg? Why are you crying?

Cy: Your awake! **hugs her** I thought you might not wake up!

Mad: Why would you think that?

Cy: C'mon you were unconscious lying in the snow

Mad: Oh yeah...did that girl keep the sweater?

Cy: Yep

Mad: Good...oh look the metro is working!

Cy: Better get on

Mad: **in the doorway of the metro** Yeah hey Cy?

Cy: What?

Mad: I love you too **giggles** now get on!

Cy: **blushing happily** Coming!

They both get on the metro and Cy fixes up Madeline's leg, when they get back Robin tells Cy about

Sarah.

Cy: If...that's how she feels...

Mad: I'm sorry...maybe I should've left

Cy: Nah don't worry about it

Mad: O.K...oh! I'm on next!

Terry: Go get `em!

Mad: Hey Terry...thanks for including me in this whole thing...here *gives her a package* This is for you

Terry: *Opens it* Wow!

Mad: It's the necklace from my fanfics y'know the one that brings Terra back

Terry: Yeah!

Mad: It has one power...you can make one wish and it'll grant it in the best way

Terry: Thanks *hugs her*

Mad: It's what friends do besides with all the action of K8 and me you deserve a long time in the spotlight

Terry: Thank you

Bob: O.K here is MADELINE!

Mad: This is "If I Ain't Got You" *sings*

Some people live for the fortune

Some people live just for the fame

Some people live for the power

Some people live just to play the game

Some people think

That being evil will bring

Money and everything else

But I've never been there before

That life is sore

So sore `cause the Titans kick butt

And some people want it all

But I don't!

Want nothing at all

If it ain't Cy baby!

Some villains want diamond rings

Some just want everything!

But everything means nothing

If Cy is not with me

Yeah

Some people search for the True Master

Some think the older know best

Some people fall beneath nasty demons

And some get married just for their people

No matter what

These people should know

That they should follow their hearts

No one should just

Follow the crowd

They should defy destiny!

And some people want it all

But I don't!

Want nothing at all

If it ain't Cy baby!

Some villains want diamond rings

Some just want everything!

But everything means nothing

If Cy is not with me

And some people want it all

But I don't!

Want nothing at all

If it ain't Cy baby!

Some villains want diamond rings

Some just want everything!

But everything means nothing

If Cy is not with me

Yeah

If I ain't got Cy baby

There's nothing in this whole wide world that means a thing

If I ain't got you baby!

Bob: Wow and outstanding performance

Mad: Thank you very much

Bob: Now for Cyborg!

Cy: I'm singing "Lean on Me"

Some times in our lives

We all fall

Fall from the pain

That fighting gives us

But if we fight hard

We know that we

Will survive tomorrow

Lean on me!

When you're weapons are low

I'll help you out

As far as my cannon can go

For it won't be long

Until I'm gonna need

Somebody to lean on

Please

Swallow your pride

If you can't hide

The fact that you need me

And don't you worry

`Cause I'll help you out

At the crime scene

Lean on me!

When you're weapons are low

I'll help you out

As far as my cannon can go

For it won't be long

Until I'm gonna need

Somebody to lean on

If

There is a baddie

That you need

Desperately taken down

Me I'll will just caddie

All of you powers and weapons around

Lean on me!

When you're weapons are low

I'll help you out

As far as my cannon can go

For it won't be long

Until I'm gonna need

Somebody to lean on

Bob: Amazing!

Cy: Thank you very much

Bob: O.K next is BB!

BB: I'm singing "Beverly Hills" *sings*

Where I come from is all that great

My moped is a piece of crud

My fashion sense is spandex

And my friends are cooler than me

Terra went to private school

Her preppy friends never looked at me

Why should they I'm green and got no money in my pocket

A City without crime

That's where I want to be!

Can you give me?

Can you give me?

A city without crime

A City without crime!

That's where I want to be!

Can you give me?

Can you give me?

A City without crime

Look at all those villains

There're all so dirty and mean

When the money meets the stores

They get the dollars in between

I wanna live a life away

Where they can't get to me

Take my picture by the T-Car

`Cause I'm leaving for

A City without crime

That's where I want to be!

Can you give me?

Can you give me?

A city without crime

A City without crime

That's where I want to be!

Can you give me?

Can you give me?

A City without crime

The truth is I don't stand a chance

It's something I was made into

And I just don't belong

No I don't

I'm just a slim green beat down fool

And I will always be that way

I might as well just live my life

And stop the bad guys play

A City without crime

That's where I want to be!

Can you give me?

Can you give me?

A city without crime

9 - One More Till The End

You go to Control Freak and Blackfire in the back room

Black: Man....they're kicking our butts

Freak: Nah they haven't done anything spectacular yet

Wil: *on his cell* O.K....I get it....sorry.....yes I know it was bad.....I tried....what do you want me to do?.....Oh O.K *hangs up* we are in trouble

Black: Why?

Wil: My boss is gonna kill me if we don't win and....you two go to jail

Freak and Black: WHAT!?

Wil: Sorry guys but we have to make one mess up or something

Black: Nah we'll win

Wil: I hope your right

Bob: Now for Terra with "Ain't No Mountain High Enough"

Terra: Thanks *sings*

If you need me

Call me

No matter who you're fighting

No matter no matter how far away

Just call me on the communicator

I'll be there in a hurry

On that you can depend and never worry

No Slade

No Villain

Or volcanoes hot

Can stop me Titans

If you're my team!

No Slade

No Villain

Can stop me if I'm on your team

I know that you must follow the bad guy

Wherever they lead

But remember

If you should short of your desires

Life holds for you one guarantee

You always have me

If you should miss my friendship

One of these old days

If you should miss the arms that used to lift rocks

Or the spirit that I conveyed in my almost final hour

Just remember that I'll tell you

Everyday till all the villains freeze

Ain't no mountain high enough

Ain't no volcano hot enough

Ain't no baddie smart enough

Nothing can keep me

Keep me from you!

Ain't no mountain high enough

Ain't no volcano hot enough

Ain't no baddie smart enough

To keep me from you!

Bob: Wowee! Great song and we'll return after this commercial break!

BB: Hey umm Terra can you come here?

Terra: Sure BB

BB: K8 can you come with me?

K8: What's up?

BB: Well I was thinking that...Terra since you go to school now and hey! You are gonna go to college become successful and you still don't have your powers so...it might be easier if I...

Terra: Go with K8

BB: Well...

Terra: I have to face the fact that you're right!

BB: Really?

Terra: Yeah besides I can still be your friend and K8's too

K8: Totally

BB: Are you really O.K with it?

Terra: Hey things change

K8: Sorry Terra but...SCORE!!! GOAL!!! SWEET OF ALL SWEETNESS!!!

BB: Hehehehehe...

Terra: Well that's now all fine and dandy I think...Raven is on!

BB: C'mon we don't want to miss it!

Bob: O.K now Raven you also wrote this song yourself?

Rav: Yeah it's "Survivor" here goes *starts to sing*

Now that you're out of my life I'm so much better

Thought that my magic be weak without you

But it's stronger

Thought that Kardiac be here without you

But he's gone now

Thought that I'd be sad without you

I laugh harder

Thought I wouldn't grow without you

Now I'm wiser

Thought I'd be helpless without you

But I'm smarter

Thought I'd be stressed without you

But I'm chillin'

Thought dark magic take over

But I escaped it

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving

Thought I couldn't breathe without you

I'm inhaling

Thought I couldn't see without you

Perfect vision

Thought I couldn't last without you

But I'm lasting

Thought that I would die without you

But I'm living

Thought that I would fail without you

But I kick butt

Thought that Slade would've taken me down

But I won't stop

Thought Trigon would win

But Earth is still here

And even as I go on

The Titans will be here!

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving

Kinda wishing you the best

Hope your book is blessed

Lots of dragons stress and no happiness

I'm not gonna burn your book in the fireplace

I'm not gonna throw your book out the window

I'm not gonna make a collage like a magazine

I'm not gonna curse you azarathian

You know I'm not gonna dis your book on the internet

`Cause Arella taught me better than that

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving

I'm a survivor

I'm not gonna give in

I'm not gonna stop

I'm gonna work harder

I'm a survivor

I'm gonna make it

I'm a survivor

Keep on surviving
