Chapter 1 - Fallen Angel

2

1 - Fallen Angel

you would have been the most beautiful angel
but there was blood on your hands
your halo in the dirt
and your wings tattered and torn
your mind clouded by the darkness
your heart consumed with the sorrow of the world
you yourself ending this unbearable reality
not caring what others would think when you made that unconciveable action
you discouraged me to do it but you did it yourself
and now i am confused cause i wanted to go too
but instead you left me here crying for you
i think my heart is still hurting from your death
and i am still angry at myself that i couldn't help you how you helped me
but i still see you as perfect
your are still my beautiful angel
