Chapter 5 - !!!!DISCLAIMER!!!!	6

1 - Make Me Real

Okay, tell me it sucks, I don't care. I was just thinking something of this and I was VERY bored at the moment.

+++++Make Me Real+++++

I watch from inside the Puzzle, watching you make friends and touch lives. I watch you go to school. What I want is from you to make me real and let me do those things, my hikari. But instead, I'm locked up inside it, only able to come out when you wish for me to. I cannot take it any longer, I want to be free, I want you to make me real, I want what you have, I want to be able to make friends like you, touch lives like you, and go to school. But as long as I am locked up, I cannot, but what I want is for you to make me real.

2 - Yuugi's Confession

Okay so yeah, my friend made this part of it, thank you sakura_zalika!

+++++Yuugi's Confession+++++

Yami, I hear your pleads, but please listen to me. I keep you away from everyone else because... I love you. Yami, I love you and there's nothing else to it. I want you all to myself and no one more. If you just listen to me, I'm sure you'll understand. I wish to make you real, but that is something I don't know if I can do... But, Yami, if I could, I would! My friends don't mean to me as much as you do... they're all on their own adventures in search for someone's heart... Jou's after Kaiba's, Honda's after Otonari's, and Anzu is after you... I won't let her near you! You're mine and I want to be yours! If only you'll say yes... oh, please, Yami, please say yes! I will search for you to become real so I can be held in your arms... When I cry, you are there to comfort me. When I feel like I'm not going to be able to do it, you always encourage me. I wish to be with you and you to be real... Yami, I love you...

3 - Yami's Promise

Okay, third part, no comments, but who cares? I love yaoi and so does my friend, sakura_zalika ^^.;

+++++Yami's Promise+++++

I say yes, Yuugi, yes, I want you to be mine, at first I didn't understand but now I do... Thank you, my little Yuugi, I love you too... And do not worry Yuugi, Anzu will not come between us, I will not allow it, because I belong to you, as you belong to me. Now, all I have to do, is live again, so I can touch that sweet face and kiss it, and be with you, until the end of our days.

4 - The Sweet, Yet Depressing Night

And this chappy me friend wrote, domo arigatou zalika_sakura ^^!

+++++

"Too bad we couldn't make you well... alive." the soft voice of Yuugi sounded as he flipped the pages of a manga book.

Yami, who looked slightly like the tri-coloured haired boy, nodded slowly and turned to see Yuugi looking down sadly. He sighed and looked down, walking over to Yuugi and placing a hand on Yuugi's cheek. Yuugi could feel the touch, but only slightly. Since Yami was only well... a spirit, the couple, yes, couple, couldn't really do anything with each other. Yuugi glanced up at Yami and smiled fakely.

"Oh, Yuugi..." Yami whispered as he kissed Yuugi's cheek.

"If only that was real..." Yuugi whispered back as a silent tear rolled down the boy's cheek as Yami slowly wiped it away.

"Remember what I promised you?" Yami asked sweetly, touching Yuugi's hand softly, even though it was only spirit-wise.

"How..." Yuugi paused for a moment and sighed and looked straight at his yami, "How could I ever forget?" he smiled, feeling a bit better. Yami smiled back, knowing this smile was real and not another fake one.

There was a long pause and finally, Yuugi got up. Yami looked at him and watched him climb into bed. He smiled and sat on the edge of the bed. Yami saw Yuugi yawn and pull the covers over him. Yami grinned and leaned in to kiss Yuugi goodnight.

"Night, my love." He whispered as he tapped Yuugi's puzzle and went inside.

"Night," Yuugi said and watched sadly as Yami went back into the puzzle. He sighed, "I'll somehow make you real, Yami..." He whispered as he took the puzzle slowly off and laid it next to him. He climbed under the covers more and drifted into sleep, the last thing he set his eyes on were his puzzle.

5 - !!!!DISCLAIMER!!!!

I do NOT, I repeat, do NOT own Yu-Gi-Oh OR it's characters, including Yami or Yugi, domo arigatou of reading ^^, and good morning/day/evening to ya.
